The Oregon War Debt.

Our War Debt appears to be a common target for every newspaper scribbler at Washington, and very few of them essay to deal with it intelligently, correctly, or fairly.

The wooden mill at Salem has in constant operation 15 looms and 480 spindles. About 500 pounds of wool per day is used in the manufacture of cassimeres, blankets, flannels, &c.

A gentleman recently lost \$500 in coin in Marion county, somewhere along the road. It was found and restored to him, all right.

The Portland Charter Election was to come off on the 21st inst. The Democrats nominated R. B. Thompson for Mayor. G. C. Robbins was cast as independent candidate.

Mr. White, of Lien county, recently returned from the Samilkam mines, says that the diggings are not what they are represented to be. He advises people to stay away.

Gold and silver have been discovered on Myrtle Creek, Douglas county. May there be a million got from the new diggings.

JOSEPHINE CONVENTION.—The County Convention was held at Kerbyville last Saturday. Messrs. Ringgold, Dan. Loneragan, B. Stevens, George Thrasher and Dr. S. Holton were chosen Delegates to the State Convention.

The New Speaker and Oregon. Our State is deeply indebted to Mr. Pennington for the distinguished favor which has characterized his appreciation of her presence in the Union.

By Telegraph. To Yreka for the Oregon Sentinel. ARRIVAL OF OVERLAND MAIL. Dates From St. Louis to March 25th.

Important and Exciting News from Mexico!! Battle between the U. States Squadron and Spanish War Steamers!! The Spanish War Steamers Captured and sent to N. Orleans!

Yreka, April 13, 1860. The Overland Mail arrived at Fresno City this morning, bringing dates from St. Louis to March 23d.

On the 6th of March, two war steamers which left Havana, under Gen. Marin, appeared before the city of Vera Cruz, passing the squadron, and refused to show their colors, although ordered to do so by a shot from the Castle and other signals.

The English, French and Spanish vessels of war took no notice of the fact of their attempting to pass, but Commodore Jarvis ordered Commander Turner of the Saratoga, with a detachment from the Saratoga, to go on the steamer Indiana, and proceed to the two war steamers and ascertain their nationality.

The French and Spanish denounce the conduct of our squadron. The steamers cleared from Havana as merchantmen and hoisted the Mexican flag after leaving port. Subsequently they mounted guns. Miramon paid \$55,000 for the two steamers Gen. Miramon and Marques.

Proceedings of the Democratic Convention of Josephine County. Pursuant to a call of the Democratic Central Committee of Josephine county, the following delegates assembled at Kerbyville on the 7th of April.

General Intelligence. An opposition (perhaps, however, in its power) has arisen to Senator Gwin's Overland Telegraph bill. This opposition is chiefly on the part of one or two parties interested in the patent rights of telegraph instruments.
