The Mines.

ners to cease cleaning up, and resume sluicing season to put the county highways in good

king the wages we state above. Nearly one hundred men are engaged at the lower dig- We will gladly do anything in our power gings, all doing equally well as the miners to facilitate the repairs upon the road to which region, small parties are also at work, making are confident that those whose duty it is to where plenty, and the Ditch Company are remedy the evil. We wish to correct a seempretty certain to have a supply for nearly the ing misupprehension of our friend in relation whole of the coming dry season.

generally doing excellently well, and none meet we called the attention of those living outside with ill fortune. It is confidently believed the town only to road repairs. We certainly that the gold product of Sterling for the season did not intend to say anything of the kind, will be greater than ever before obtained. The and, with due deterence to him, we do not claims can be worked longer this season than think our language capable of such construcusual, as the late copious rains have enabled tion. We did intend (and we believe we small reservoirs, for future use.

Buckman's, on Wednesday, we were shown to do the best for the whole county-for one the week's product of a claim which had been section equally with another. once abandoned, but taken up again this season. The owners have done well through the Winter and the amount shown us for the single week gave an average of over sixteen dollars

On the Left Fork, and neighboring flats, bars and guiches, the men continue to get good pay for their labor, so far us they have

The mines in the lower part of the county with good effect. At Willow Springs, Table the few reports which reach us tell of average yields and equally good prospects.

From the Phonix diggings, nothing has come to us during the week, but we know at least that the miners now have plenty of water, and so long as this is furnished, the claims are certain to give handsome returns.

Pleasant creek is really the only point from the diggings that they have become exhausted. and will hereafter be better fitted for China- quartz mill for Morton & Co., and the vein is men than for our own miners.

At Applegate, the claims pay usual wages with an abundance of water. The new diggings up the creek e-ntime to be worked, but we do not bear with what specess.

during the week-two of them near Rogue write you soon again. River, and close to Perkins' old ferry, the other one in the neighborhood of Bethel's, c. Postat. Arrains.—Mr. M'Mahon the new or book account, are hereby notified that, unless ns it is now called. Hunter's ferry. Cap. Postal Agent made a flying visit to this place they make goodly quantity of the rock, taken here and ple are admirably provided with mail accom-

tribution method to dispose of his valuable real estate and personal property in Josephine county. The inducements he offers are de citledly attractive to those willing to hazard a little to gain much. Being an old resident of Kerbyville, and as the property offered is well known throughout this section, he will likely meet with but little difficulty in the sale of shares. A portion of the real estate is among the most eligible property in Kerbyville.

A TREAT.-G. W. Rosencranz, of Butte Crack, last week sent us a sack of good sized. delicions new potatoes, taken from the earth March 15th, They are the first, we be leve. - raised in the Valley. Mr. Resenceanz planted late in the fall, and the whole of the small erop tried, yielded equally well with the lot presented us. Since the experiment has resulted successfully, we presume that many of our farmers and gardeners will devote some attention to the early cultivation of this itdispensable veretable in future.

FESTIVE -- A merry time was had at the United States Hotel on Thursday evening. A large assembly gathered to joyously celebrate the nupt'als of our estermed townsman, John Bilger, and Mr. S. rter, both of whom had that evening "committed matrimony." The cecasion passed off in excellent humor and in grand style. The large dancing hall was crowded, and festivities continued until an early hour Friday morning. Mr. Horne provided a samptuous supper to add to the enjoyment of the numerous guests.

side of Slate Creek, on the Crescent City road, is comp'eted and open to the traveling public. The proprietor, Mr. R. Jackson, bas gone to much expense in the construction of th's useful work, and advertises that he will charge a low rate of toll. The bridge will prove of very great convenience to all who must go or come by that way.

WAGON MAKING .- A large, strongly constructed, first class freight-wagon, calculated to carry 4000 pounds, has been made by Budger & Oldbright of this town. It is of home manufacture, and not excelled for strength and general finish by any.

THE WEATHER.-The week has been stormy, rainy, windy, but not cold. More rain has fallen than we had during the whole of March. Yesterday afternoon there were high winds with occasional slight showers and streaks of sampline.

The Roads.

JACESON COUNTY, April 3, 1861. Entron Sextises :- Myself and neighbors were much pleased with the article you gave in last Saturday's paper in regard to roads, and we all think with you, that our fellow-citizens The late rains have caused many of the mi- in every part of the county should strive this ners to cease eleaning up, and resume sluicing and other preparatory operations, consequently the product for the week does not reach the figures of the few preceding weeks. Yet, a very considerable amount of dust has been bought by Beckman and our town merchants.

The Williamsburg claims continue to pay usual good wages, say from \$5 to \$12 per day to the hand. At the upper diggings there are about thirty-five miners constantly employed, besides some fifteen Mexicans who go picking leasily whatever fortune throws in their way. The regular miners in every instance are making the wages we staff above. Nearly one

above, and in one or two little streams in that our correspondent calls attention. But we from ordinary to good wages. Water is every keep the road in good condition will at once O'NE ton No. 1 Cheese for sale at a very low to the paragraph we published last week to The miners at Sterling and Bankum are which he refers. He appears to think that the miners to save up good supplies in their plainly said as much) to call the attention of all of our County citizens, without distinction The Jackson creek diggings all pay very of town or country, to the state of the public handsomely. We are assured by one of the roads and the accessity as well as advantage oldest miners on the creek that the average of putting them in good repair. We have no will not be less than ten dollars per day. At local favoritism, no local prejudices—we strive

Josephine Correspondence. GALJCK CREEK, March 28, 1861.

EDITOR SENTINEL :- As you invite informa tion from this county in everything of general interest, I forward you a short sketch of what the mining claims in this vicinity are realizing

New diggings have been discovered on the mountain near here by Daniel Green & Co., towards Rogue River, are steadily worked which promise to pay better than any now known, from several prospects obtained. The Rock, Foote's creek. Gall's and Sam's creek, rich claim of Thos. Martin pays well as ever, from eight to ten dollars a day to the hand Stephen Nefher's claim yields from twenty to as high as forty dollars to the hand per day : Jas, Shardie's claim pays from five to eight dollars : G. R. Witt's claims each give from six to ten dollars per day to the hand, and have paid these wages all Winter. The claim of Henry Conway on the right fork yields which ill news is received. It is pretty gener-richer than ever before, increasing in aurifer ally thought by those who are acquainted with oursess as he sinks into the mountain. Mr. Draper has taken the cortract to put up a

now steadily worked, and prospects richly. The merchants say the miners here pay for every thing they get, and you know this speaks louder than words can of the general excellence of the diggings. I think there is as good if not a better chance for men to get claims here Mone Quantz Discovenies.-We learn of than at any other diggings, and we have a three discoveries of gold quartz spurs or veins ways plenty of water to work them. I will H. C.

Alcorn and Mr. G. V. Ingram own the last a week or two ago, and promised to return mentioned, and the prospects so far had are soon, to look into mail matters in this section. quite flattering. R. S. Jewett was the forth. He is not yet come, but is anxiously looked nate discovery of one of the two near Per. for. On the great thoroughfare from Calikins' ferry. The prospects obtained from a fornia to Portland, on Jacksonville, the prothere along the vein, have averaged hand modations, but the residents of Josephine somely. The vein is nearly six feet in bread h. county, and of portions of Jackson county, are SAWTER'S ALLOTREST .- S. W. Sawyer of facilities are urgently required. Again we Kerbyville, has adopted the allotment or dis- ask the attention of our Senators to this important matter. The Postal Agent can only counties that YOUNG TIGER will stand as follows: and the Department the necessity of relief to Two-thirds the time at his Residence, our people. A tri-weekly mail is wanted between this and Crescent City, r.a. Applegate. Williamsburg, Slate Creek, Kerbyyville and Waldo, with branch routes to m'nor points in both counties. Will the needed reform ever

> THE CROPS .- In every portion of the Valey the crops are in flourishing condition, and la'e frosts do not nip and destroy, the coming harvest will be unusually abundant. Fruit trees of every description also promise luxuriantly. During March and so far in this mouth there has not been any frost, and the warm, healthful rains have greatly benefitted stated and three-fourth hands high.
>
> Stockraisers are invited to see him and indge vegetation of all kinds.

> Tun Mans.-During the week the Stage Company have succeeded in bringing the mails through in the short schedule time, notwithstanding the bal state of the roads. How the drivers can urge their teams over the routes with such speed is a mystery. But stage leave for the drivers are tough as leather and the drivers lave for the Atlantie States.
>
> Bay constitutions of from have constitutions of iron.

I. O. or O. F .- The members of Jackson ville Lodge, No. 10, of this Order, have leased McCully's Hall as a Lealge room, and are fitting it up in fine style. The Order is in Bourishing condition here.
