Pair, in October next. Premiums to the very liberal sum to be dispensed, in a State so owners : tion and an exhibit which shall convince the people of the Willamette that in every matter capital in the place, and partly from the further belief that the mails would continue to be connected with husbandry this division of the State is fully the equal of their own, and that it is in some respects superior. A comparipeople of the Willamette that in every matter the

duty, concerning the County Fair to be holden in the ensuing Fall. It would be well if we all could forget the last County Fair, for certainly it was an affair more of motification and shame than of pride and honor to the Valley. No matter now, however, whether anybody was at fault for that humiliating failure or not. At the next Fair let the pride of the County and the credit of the Society be redected. by these who propose to exhibit at it is to be attained. There is, too, a broad difference the receipts that are certain now would pay be be attained. There is, ton, a broad difference between making up the mind to prepare some one thing of the very best quality now, and keeping this object constantly in view until the time for exhibition shall arrive, and in only wakening up to the desire or purpose of exhibiting a week or two just preceding the Pair, even in the more matter of personal pride with the exhibitors, to say nothing of the yet greater contrast there must be between the quality of the articles in these ways prepared. And the early preparation is attended by this extended good off-et—it creates comptition among neighbors, and imbues each with In various other channels the benefit of a rivalry of the character referred to would be time, and the passenger trade will soon bere. But we hope that every resident of the Valley will do something towards making the ers have lately changed hands, the owners of others are about making spraig arrangements, nort Fair a perfect success, so that the Society may not be driven through anathy of those term made for our benefit mutually with their may not be driven through spathy of those who should support it to abandon future eftorts towards its aid and advancement.

there will be slight difficulty in hauling full ful candidate. mit the passage of teams. What can be done thirty miles. for dimes now will costs dollars in a few weeks.

THE MINES.—We have special reports from williamsburg. Applegate, Table Rock and from New York to San Francisco.

At each district the Atlantace was crushed to death at Les us a 835 piece of gold and quartz taken from his claim last week. General reports from nearly all the other mining localities are favorable. One company at the Pleasant creek diggings had realized \$10 per day to the hand paid for washing.

MAGAZINES - We have received the He-pe riaa, California Mountaineer and Hatchings for April. 'Each of them contains interesting reading. The Hesperian is more suitable for ladies' rading than any periodical on the dress pattern, as usual,
