Bos. Server August 20th, 1861.

States that their party had arrested a man welcome. You have done your duty and whom they found in possession of a number of a number of stolen horses, and that, by inserting his head rected by your excellent Colonel, has excited my admiration, and proved beyond doubt in a slip-noose and elevating him to the limb that American troops are the most efficient in will merely state that, in company with Mr. of a tree, they coerced a confession from him the world. Abram Tenbrook and family, of this county, that he had, in company with Ezra Bullock | Some success have been thrown upon the Abram Tenbrook and family, of this county, and some of his friends, I crossed the Missouri and —— Springer, stolen two horses from B. B. Griffin, of this county, and some from Hill Laramic on the 14th of Jane. Experienced and difficulty from foes or from want of subsistance difficu where the famous Government escort that we like herself and two daughters perished. beasted that all the Southern army wanted was an open field and a fair fight. Well, my comrales, you know there were plenty of where the famous Government escort that we It seems that this villian was permitted to es were promised, to protect us from the tomahawk and scalping-knife of the merciless denizens of that waste of wilds. We fell in with with large and full white eyes, light brown Dr. Wells and Commodore Rose, of the Umphair, and very wide between the eyes. Ezra plenty of open fields, but he could not stand our charges. We met him again at Falling qua Valley, at Elkhorn river, and journeyed bair, and very wide between the eyes. Ezra our charges. We met him again at Falling Waters, but he would not show strong battle. When we arrived at Martinaburgh, we found alred miles. As to the extent of the emigra-brown hair, a scolaped nose with the end a strong place, with plenty of stone walls, but brown hair, a scolaped nose with the end a strong place, with plenty of stone walls, but turned ap [a beauty !], and known by title of man'n either at Big Spring—and at Banker what we could learn from others, it is equal in numbers—cattle alone excepted—to the famous emigration of '52. The greater por-have the pleasure of publishing the apprehen-have the pleasure of publishi tion went to California, and had with them a sion of the villians, eopious effusion " of fine stock (horses) for that fast country. For the benefit of future | Specci of Senator Lathan .- On our first emigrants, I would say, take the celebrated page will be found the speech of Milton S. Lander's Cut-off, as we did, from the last cross- Latham. Demogratic representative in the U. ing of Sweetwater, and find for yourselves and stock an abundance of the best water and grass, instead of the barren wastes of the old route; also a saving of sixty miles of travel.

Another great advantage of this route is that it leads you through the Green River Mountains above the forks of that rapid stream, all while traitors are undermining the main pillar while traitors are undermining the main pillar band attacked him there with my force I would be traited at the control of the present the pillar while traitors are undermining the main pillar band attacked him there with my force I would be traited at the pillar band attacked him there with my force I would be traited at the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked him there with my force I would be traited by the pillar band attacked lowing you to ford it with safety, instead of having to ferry the dangerous stream below.

In pon which not only the partizan platforms, in a attacked him there with my force I would but the whole superstructure of the Governing him from his groupla, id, and many of the This route joins the old road at the City of ment itself, restg. On the contrary, as brave men whom I now see before me have been under the soil to-night. Rocks, the junction of the Salt Lake road and an American citizen and representative of a marched upon Charleston. Under the circum-Bublet's Cut-off. We left Mr. Tenbrook and Union loving State, he nobly hattles with his stances I did the best I could, and you, men, friends at this place-the City of Rocks. He bright intelect against the enemies of the did your whole duty and merit my approbawaited at this place for a company of Califor Government, and in defense of "the Uniton. Three cheers for Gen. Patterson, and the England of Col. Ballier the Star Spanel of the Uniton. way of Honey Lake, as he preferred that route THANKS .- We are again indebted to Mr. to the one by way of Goose Lake. At Law Wm. Hurst for " nid and comfort " in the fornia, Northern California and Southern Ore shape of a twenty-pound cabbage, a beet 18 shape of a gon roads, we were joined by Dr. Wells and Cammodore Rose, who were designing, as we also were, to come through on the Goose Lake route; but before getting to the junction of the Honey Lake and Goose Lake roads, at the Antelope Springs, myself and friends, finding that our horses would not be able to make the trip over the Goose Lake route, they be

route. We have been in six days and they Johnson. have not yet arrived. The Indians on that route are known always to have been more or less hostile. They have lately killed Bailey and one of his comrades, and until forther is heard from them you must draw your own inferences as to their fate. I fear the worst, but sincerely hope they may have been de tained by a better fate than that which befell Bailey and his party. Lemnel Baker, of Aleighteen men, nine women, quite a number of children, nine wagons, twenty horses and is didn't know where it would fetch up, and seriously. the others would stop in this County.

J. FIRMAN ANDERSON.

ASALAND MILLS, August 30th, 1861. EDITORS SENTINES :-- Mr. Wallace Bald-ing the whole seat of the war. win, one of the volunteers of Capt. Applegate's Company has just returned, and from him I learn the following information :

The Company on last Sunday, in the vicinity of Clear Lake, met a party of emigrants, Jones, who has made his escape, consisting of nine wagons and some forty perwhich they intended making supper.

The volunteers here divided into three compagies, 7 going on to Honey Lake valley, 10 ing tour; intending to come around Klamath his trip to Scotland and the Atlantic States. take, and in home through Le al Indian value. They will be gone some 10 days, that being as long as their provisions will last. Mr. Baldwin left the emigrant train 15 miles this and children to places of safety, apprehending and their provisions will last. Mr. Baldwin left the emigrant train 15 miles this said children to places of safety, apprehending an Indian outbreak. side of Klamath river th's morning. There an Indian outbreak. is a brother of Mr. Rose of Roseburg, in the J. M. McCall.

APPREPRINDED INDIAN DIFFICULTIES.-Fifty or more Rogue River Indians have returned to their old hunting grounds on Sam's Creek. about fifteen miles from this place, and assert that it is their country and that they propose to occupy it; and to make their society still more interesting, they tell the settlers there that three or four handred more will join them in a few days. As an evidence of what they intend to do, they have turned some of their ing extract from an address by J. S. Kinney, before the Grand Lodge of F. and A. Masons,

" MURDER WILL OCT."- Suspicions had been entertained for some time that the burning of Mrs. Hinckle's house, in Logtown (Forestville), on the night of the 18th of June last, was not purely accidental. We have been shown a letter from the party who had the fight with the Indians on Pittriver, which states that their party had arrested a man cape, purposely or otherwise, is not stated, open fields before us when we crossed the He is described as being a low, heavy-set man-

shape of a twenty-pound cabbage, a beet 18 show the means made use of to inflame the luches long and 8 inches around, and a lot of passions of Virginians, and induce them to the very kind of potatoes.

Wm. M. Rand came to town yesterday with a lot of melous, and gave us a very choice on-While discussing its merits, one of the boys exclaimed: "The generosity of the Senting.'s don. Fairfag and Prince William: A reck-friends can't be beat." That's sq. don. Fairfag and unprinciple tyrant has invaded your soil. Abraham Lincoln, regardless of all
