CLOVE ANODYNE TOOTHACHE DROPS. Complain no more of Aching Teeth. THESE DROPS have been extensively used by thousands, whose experience has proved that the Anodyne will give immediate and permanent relief, after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the parts affected. It has only to be used, the issue of the tooth being appreciated by the public as it is by Dentists. Read the following letter from one of the most distinguished practical Dentists in the city of New York: "Messrs. Saxe: Gentlemen—In the course of my practice I have extensively used your Clove Anodyne, with much success, for the relief of the Toothache, and as I constantly recommend it to my patients, I deem it but just to inform you of my high opinion I have of it over other remedies. I am yours, very respectfully, M. LEVETT, Dentist." Price, 25 Cents per Vial. Prepared by A. B. & D. Saxe's Druggists, 100 Fulton street, corner of William, N. Y.
