SATURDAY, - - - DEC. 28, 1861.

Where They Are Where are They ?

We of late hear our Secession friends making anxious inquiries as to the whereabouts and doings of Daniel S. Dickinson, and Kenand doings of Daniel S. Dickinson, and Ken-tucky's noble patriot and classic orator, Joseph Hult. We can answer: They are still for the Union, the Constitution and the enforcement of the laws: still for putting down this van-dal rebellion by force of arms; still for a Gov-ernment of law, is opposition to the murderous ernment of law, is opposition to the murderous opposed to the mad scheme, and loyal to the dictates of mob violence and the desolating constitution of their fathers, what right had reign of terror ; still for their country-their these voting mud sills to question the propriwhole constry-is all its integrity and with ety of the actions of these selfe-onstituted ruall its past renown and accumulated fund of lers? How was Davis and Stevens elected ? National glory-their country undivided and indivisable-the model Government of the world. What means these sneers as to their petriotism ?-- this imputation of venality as to abolished it ; and the present effort is made, their motives ? Ten months ago they were not to convince the people of the propriety of the chosen models of the very men who are any future policy, but to reconcile them to the now making an abortive effort to asperse their loss of their libertics. patriotism and honor. Were they not for the The Elective Franchise has always been patriotism and honor. Were they not for the Union then? If they were not, then these immaculates were supporting men opposed to the Union, formed by the wisdom, cemented lie functionary is our agent, responsible to us lie functionary is our agent, responsible to us the daties : annihi-Etheredge, Clerk of the House, has received with the blood, and sanctined with the pray-ers of the revolutionary sires. Are they not for the Union now? Then who has changed, they or their sneering malaminators? The cheering words of patristism seem to fall, with deadening, shivering weight, on some ears The noble resolve, to perpetuate at all hazards. the dear-bought Union of our forefathers.

seems to harrow up the sensitive nerves of Heroes of the Revolution, can you suffer such some petriots. The burning eloquence, the a doctrine to triumph in America. logic on fire, of the classic Holt, in favor of GES. SHIELDS is now on his way East to the perpetuation of the priceless blessings of take command of an Itish Brigade, now being constitutional freedom, seem to disturb the raised for him. Here is what a correspondent praceful equinimity of some patriots. The of the San Francisco Belleton says of the

peacetal equinimity of some patrices. The bold, direct, pungent and logical enumerations of the old Democratic war-horse, Daniel S. Dickinson, once so musical to some cars, scena to have lost their harmonic cadences, and now to have lost their harmonic cadences, and now But, by the way, what has become of John C. Breckinridge ? the late model of excellence to these peaceful herees, who would have been soldiers, too, if villainous saltpetre had not been digged from the bowels of the carth. He has followed out the logical consequences of his peaceful doctrines, until he now stands a Trattor, in arms against a Government that Shields has already signified his acceptance. Our Government has replied to the invita family, they having escaped from the rebels at San Antonio, Texas, and then traveled into Mexico. The Mexican Government will resist all guage, " that the share of the lastre which the Irish soldier may win in the present war for expeditions. Their hatred towards Spain is It is understood that the Legislature of Kentucky will abolish slavery, reimbursing

LETTER FROM MRS. E. D. BAKER .- In a let-

BY OVERLAND TELEGRAPH. The following dispatches have been received

by the Union, Alta, and Bulletin : FIRST DISPATCH. Quixer, December 6th.

"The Southern papers are advocating the abolition of the Elective Franchise." When men voluntarily abaudon the princi-Boliliten of the Elective Franchike."
When men volmstaftly abaudon the principles of a monied aristicence, or the obsequious defenders of the presentence of a monied aristicence, or the obsequious defenders of the principles of a Monarchical Government. The Government of the United States has for its basis universal suffage. The robels hate this government of the United States has for its basis universal suffage. The robels hate this government, with such an intense and deadly harred, that they have taken up arms to over throw it, and have madly periled their all in a insame attempt to wipe the last vestige of constitutional freedom from the world. What wonder then, that they should limit and resticit the right of milinge to the privileged for sufficient and the product for shipment products of the issues attempt to wipe the last vestige of constitutional freedom from the world. What wonder then, that they should limit and resticit the right of milinge to the privileged for shipment is basis from the world. What wonder then, that they should limit and resticit the right of milinge to the privileged for shipment is basis formed to the last certain to service.
This desire is also the logical consequence of the ship paper, in the name of the public the there is an inseparable relation existing between capital and habor, and that it is an existing between capital and habor, and that it is an examination of the ship the commissary.

Elective Franchize.

Among the late items by telegraph

and dispassionately of these things : let him

becomes to all intents and purposes a chattle.

without any social standing or political rights.

the East is the following :

trict the right of milinged to the privileged few. This desirt is also the logical consequence of another havorite theory of theirs. They hold that there is an inseparable relation ex-listing between capital and labor, and that it is better for all parties, the laborer as well as capitalist, that capital should own the laborer fenence, they have always looked with contempt on the laboring masses of the North, and have decounced them, as "greasy mechanics, fifthy operatives, and small fisted farmers, not fit for a Southern gentleman to associate with." Senator Hammond, one of the chiving, calls the intelligent laboring masses of the North, "the mud sills of society." Is it strange then that their favorite theory, of the neces, sary relation existing between capital and labor to the fastest and most powering was sent ous of the service after the rebel stramer Nashville. The rescent received to the stramer of the generality of the Tersaury denounced them, as "greasy mechanics, fifthy operatives, and small fisted farmers, not fit for a Southern gentleman to associate with." Senator Hammond, one of the chiving, calls the intelligent laboring masses of the North, "the mud sills of society." Is it strange then haboring masses all over the country, that they should ent off the boasted rights and franchisee of these "mud sills." If the capitalistovice of the haboring masses all over the country, that they should ent off the boasted rights and franchisee of these "mud sills." If the capitalistovice of the haboring masses all over the country, that they should ent off the boasted rights and franchisee of these "mud sills." If the capitalistovice of the haboring masses all over the country that the haboring masses all over the country, that they should ent off the boasted rights and franchisee of these "mud sills." If the capitalit owne franchise the date off the provise the country that they should ent off the boasted rights and franchisee of these "mud sills." If the capitalit owne is the provise of the arevolution in

should cut off the boasted rights and franchises of these "mud sills." If the capitalist owns the laborer, what right has he to vote, more than the ass or mule, or other property of the lordly proprietor ? Let the laborer, who is inclined to sympathize with the objects of this wicked, should cut off the boasted rights and franchises inholy and causeless rebellion, think calm'y

 gress may pass, or any order from his superiors on the subject.
The steamer Louisa from Liverpool brings further accounts of the reception in England of the news of the capture of Mason and Slided.
Pablic meetings were held at Liverpool, and resolutions passed condemning the affair and calling upon the British Gonerminet to demand an explanation.
QUINCY, December 13-P. M.
Private Johngon, of the Lincoln on valry, is sgainst the Massachusetts protests against the Massachusetts protests to Savensta and the following restricts of Claims f. He replied that he heat received no invitation. He wents to the following restricts of the Massachuset in the proval of the meeting the proval of the protest prophysical transfera meeting : "Resolved, That no member of Congres

Colonel Mulligan ma been reinstated in the command of his regiment. St. Helena Island, near Beaufort, is occu-pied by Federal troops. Our forces intend seizing all approaches to Savanaah and Charles-ton soon. News from Fort Pickens has been received.

"Recover, That no member of Congress representing a Southern constituency shall again take his seat until a resolution is passed satisfactory to the South on the ashject of savery." Governor Themas continues : "I said to Mr. Pickens, 'What next do you propose we shall do ? Are we to tell the people that Republicanism is a failure? If you are for that I arm not. I came here to sustain and uphold American institutions—to defend the rights of the North as well as the South—to secure harmony and good-fellowship between all sections of our common country." They dared not answer these questions. The South—to secure harmony and good-fellowship between all sections of our common country." They dared not answer these questions. The South—to secure harmony and good-fellowship between all sections of our common country." They dared not answer these questions. The South—to secure harmony and good-fellowship between all sections of our common country." They dared not answer these questions. The South—to secure harmony and good-fellowship between all sections of our common country." They dared not answer these questions. The South—to secure harmony and good-fellowship between all sections of our common country."

duced a resolution which temporarily calmed the excitement. However busy Mr. Pickens may have been in the cancens after it met, the most active man in getting it up and pressing the South-ern members to go into it was R. B. Rhett, also a member from South Carolina. The oc-casion, or alleged cause, of this withdrawal from the House in sceret deliberation, was an anti-slavery speech of Mr. Slade of, Vermont, which Mr. Rhett violently denounced, and proposed to the Southern members to leave the House and go into conclave in one of the Committee rooms, which they generally did, if not all of them. We are able to state, how-ever, what may not have been known to Gov. the constant of the second sec Mayoralty. The Norfolk (Va.) Day Book says that it Potomac. expects an immediate battle on the Potomae. Sr. Lours, December 11th. General Price is on the Osage river with his Confederate army. It numbers 8,000 or 10.000 men.
