Domestic Manufacture.

mon of January 27th, and intend to use it as litical economy—new wrinkles in domestic econom text for a few practical observations. We omy. (See "Confucious' New Style of Roast were a citizen of Marion county when the Dorg.) In the present instance, the Wagon manufacturing enterprise alluded to in the Road enterprise above mentioned has happened above paragraph was first inangurated. It and commenced to move towards Fort Boise, was ridiculed by many business men of ac- just in time to keep us from sinking tolerably knowledged financial abilities as premature deep in the troubled waters of the raging sea of and uncelled for; and it only succeeded of bankruptcy-which sea, when navigated by through the indefatigable exertions of a few the adventurous savage, in his solitary canoe, men, who more clearly apprehended the actual wants of the country, and the profitable nature of the investments.

made without a heavy expenditure of money. Mill Creek, a considerable sized stream, emptied into the Willamette at Salem, but it comptied into the Willamette at Salem, but it pect of a declaration of independence;—when J farms and houses will assume the paint and E contemplated during seven or eight months of the year. But by digging a canal some five or six miles long, the objection could be removed and a permanent water power obtained. supply the wants of Southern Oregon. Is ark of safety as well as ours. article, and a large amount of money saved to leave the frosts and felcles of Salmon and Carthe county every year.

mation : Mr. Sutter, an industrious, temperate mechanic of that place, went down Rogue River to hunt a horse, one of the cold days of should make the ridge, which is low before a public man, he does so to gratify spite—is a bearing northward. This ridge is one running not keep drunken men there. Mr. Sutter then asked if there was none, but that there was none, but that there was none sheaf oats there. He then asked permission to go to the barn and stay. This was granted. The next morning, Mr. Sutter's cars were frozen stiff. His feet were so badly frozen, that it is thought by his physician that and again plead to be permitted to stay all frozen, that it is thought by his physician that amputation will be necessary. Such, in brief, is the melancholy tale as given to us. If the facts are correctly stated, we have no language sufficiently expressive to characterize the inhospitality of the wretch that drove the frezen "hinteresting" conversation he had not long strikes. and perishing man from his door. We have known Mr. Sutier for years. He is a modest, tould to him if he wur unwel he tak Go laines diffident, industrious, temperate man, respected by all who know him. We presume he has not tasted a drop of liquor for years. If there Oregon Demikrat for blistern perpuses on tha are any palliating circumstances in the case, stumack, then got hiz wif to ti a Thurmomiwe will publish them.

WHO WOLLDS'T BE AN EDITOR ?- The editor of this paper received a present this week of a large, fine, and gloriously fat turkey! Who says an editor don't live high? In the larguage of the immortal Clay: so far from having any objections to eating turkey, we are glad to do it, if it can be done without war, deunion or national dishoner.

THE WEATHER.- During the week the been freezing cold. The snow still covers the ground but, it is slowly passing away. The number of stock that have perished on account of the severity of the winter, is frightfully litionists in the Northern States, contemptible

CINCUIT COURT.—The Circuit Court is still in session in this county. The Jury cases were all disposed of on the 10th inst. There are quite a number of chancery cases yet to dispose of, and the Court will probably continue in secession during the week.
