

OUR TICKET.—We publish in this issue the ticket nominated by the Union Convention of last Saturday. We are now fairly in the field. Our standard bearers have been duly chosen by a convention of honorable and intelligent men, assembled for that purpose, from the different precincts in the County. They are good men; they are strong men. We know of no one on the ticket whose interests are not identified with the interests of Jackson county.

Every one can see, at a glance, that it is no politician's ticket. Not one of that interesting race received a nomination at the hands of the convention. It is essentially a people's ticket, being almost entirely made up of merchants, farmers and mechanics. This is as it should be. The cause of the Union is essentially the cause of the people, and as long as justice and beneficence shall commend it to the affection and patriotism of its citizens, it will live, proudly and triumphantly live.

In order to secure the election of this ticket, it will be necessary for Union men to labor from this time on till election day, in support of the same. The county must be canvassed, and that thoroughly. No time must be lost, so none left returned. Go to work, and never cease your exertions, until Jackson county is re-conquered. Depend not too much on the readiness of your principles, or the demoralization of your opponents. In political matters it is forcibly true, that "labor conquers." Every nominee ought to be elected, if they all represent the same principles, devotion and fidelity to the Government of the fathers.

The convention by which this ticket was nominated, was not "cut and dried" affair, its continued and magnificent blundering, before it got fairly under way, sufficiently reveals it from any such suspicion.

It adopted the platform of the State Convention, and superadded some resolutions pertaining to our own affairs and the interests of Southern Oregon. The first resolution requires a passing notice. It must be premised, however, that the whole platform was adopted, before any candidates were voted for in the convention. This resolution requires that every person receiving votes for any office, whether nominated or not, shall vigorously support the ticket nominated. When any person suffered his name to go before the convention, under these circumstances, he was bound by every consideration of honor to support the ticket. Can he as an honorable citizen refuse?

We may be compelled to call attention to this again.

INDIAN DIFFICULTIES INDIAN.—The following statement, from Joseph H. Claffie, a reliable man, has been handed us by public notice. On the 25th of April, A. D. 1862, Mr. Claffie put in a ferry on the Klamath river, at McKinney's, four miles above the Big Cove, and eighteen miles east of the Oregon Stage Road. Went from there immediately afterwards to the lower end of Big Klamath lake, about thirty miles distant from the first ferry, and put in a ferry there. Before I done so, however, I bought the right of way for the Indians, paying them one hundred dollars for the same, being all they asked. I crossed seven men and twenty seven animals, the Indians demanding and receiving pay for the same of the emigrants, compelling them to pay their price. I stood at the ferry two days, when the Indians drove me away. The Indians compel every person passing through their country to pay one dollar per night for passage. When the party is small and destitute, they rob them of what they have.

The Indians are well armed, having, in most instances, two revolvers apiece, plenty of rifles and a good supply of ammunition. The Indians engaged in this work are the Klamath, Pines, Snake and Moshaka. They assert, that, in case of difficulty, they will be supported by all those different tribes of Indians.

A HOPE FOR BIGEY RIVER VALLEY.—Dr. Kyle, the agent of a large German colonizing association, visited our sanctorium on Wednesday last. The doctor has visited our beautiful Valley, seeking for a suitable location for a self-sustaining colony of two thousand persons. He wishes a location possessing a good natural water power, and surrounded by a rich scope of agricultural and pastoral lands. If the doctor finds a location suiting him, so far as the purchase is concerned, he could not have visited our Valley at a more opportune time. Nothing could give us greater pleasure than an enterprising manufacturing and good-sized colony of Germans located in this Valley. They would soon make it "bliss on the nose." They would awaken into life the dead energies of Southern Oregon, and do more for the country in one year than fifty Northern El Dorados. We hope that the natural advantages of this Valley will be properly pointed out to Dr. Kyle, and that every inducement be offered, if he can find a location suiting him, to his here.

HIBERNIA.—We call the attention of every patriotic Irishman to the letter of Hibernia. It is the ring of the genuine metal in it. He says that the party which now claims to absorb all of the Democracy of the land, were, last summer, for the Confederate States, a lot, this coming summer they are for the United States with a hat. Truth every word of it. Their is a vein of Irish honor and sarcasm running through the entire article, characteristic of that liberty loving race. How much more noble it is to see Irishmen coming up to the support of the only Government that ever gave them liberty and political power, than to see them the whining apologists of treason, and the sympathetic supporters of a rebellion that would strip them of all their political rights and class them with the mass of slaves.

JOSEPHINE COUNTY UNION TICKET.—The loyal and true men of Josephine met in Convention at Kelseyville, on Saturday last, and nominated an entire County Ticket, which will be found in our columns to-day. Every precinct was represented in Convention, and the utmost harmony and good feeling prevailed. The ticket nominated is a popular and a strong one. The nominees are capable, faithful and honest, and ought and will be elected. The Union men of that county go into the contest with unbroken front, with high hopes and confident expectations. In fact, Josephine started off right from the first, and although her Union forces have been weakened by enlistment by the Northern mice, she is all right yet. Let her remember that "Federal vigilance is the price of liberty," and we are confident she has nothing to fear.

INDEPENDENT CANDIDATES FOR SENATOR.—Dr. Greer and John E. Row have announced themselves as independent candidates for State Senator. These gentlemen have invited themselves to run, and have completely accepted the invitation. Union men, stand by your guns, and support the regularly nominated candidate. More on this subject hereafter.

PUBLIC SPEAKING IN DOUGLAS COUNTY.—

The Union candidates for County Officers will address the citizens of Douglas County upon the important issues of the day, at the following places, viz: Mt. Scott, Wednesday, May 21st; Oakland, Thursday, May 22d; Winchester, Friday, May 23d; Col's Valley, Saturday, May 24th; Ten-mile, Monday, May 25th; Looking-glass, Tuesday, May 27th; Roseburg, Wednesday, May 28th; Myrtle Creek, Thursday, May 29th; Canyonville, Friday, May 30th; Galesville, Saturday, May 31st.

PUBLIC SPEAKING.—The Union and Secession candidates for Congress will address the people of this place on Monday next. The candidates for Governor will not be here. Other popular speakers may be present. Prepare your appetite for a dose of compromise, and your taste for some stereotyped lectures on Abolitionism and some self-complacent homilies on free negroes; closing up with the satisfactory assurance that the lecturer belongs to the Caucasian race.

PUBLIC SPEAKING.—The Union and Secession candidates for Congress, Governor, etc., will address the people of Southern Oregon at the following times and places:

Yoncalla, Friday, May 21; Oakland, Saturday, May 22; Roseburg, Monday, May 25; Canyonville, Tuesday, May 27; Kelseyville, Thursday, May 29; Saffler Biggings, Friday, May 30th; Jacksonville, Monday, May 12th; Placitas, Tuesday, May 13th.

CRESCENT CITY WAGON ROAD.—Mr. Wall, of the firm of Dugan & Wall, was in our town this week and he informs us that this road will be passable for wagons in a very short time. In fact some teamsters intend to cross the Crescent City mountain next week. The people of Southern Oregon are suffering, somewhat, from the protracted snow blockade of this road.

DR. BARKWELL.—It is our mournful duty to announce the death of Dr. Barkwell. He died on Wednesday, at the residence of Madam De Roboam, in this town. He had been sick for some time. He fell a victim to that terrible disease—the asthma.

ALL RIGHT.—The Union candidates in Douglas county, are going to work in earnest. For the success of the ticket in that county we are confident that victory will perch upon their banner. Success to them.

QUARTERLY MEETING.—The third quarterly meeting of the M. E. Church, for this circuit, will be held at Phoenix on to-day. Preaching at the usual hours. Rev. Mr. Woodard is Presiding Elder for this district, will preside.

FAIR WARNING.—The subscriptions of quite a number of our patrons expire in Nos. 18 and 19 of Vol. VII. Look out for the notice attached to your papers and renew your subscription, or the paper will be stopped.

BY OVERLAND TELEGRAPH.

WASHINGTON, April 29th. A dispatch from General Halleck says it is the unanimous opinion that General W. T. Sherman saved the fortunes of the day on March 31st, and contributed largely to the victory on the 21st. He was in the thickest of fight, had three horses shot under him, and was himself wounded twice. Halleck respects it fully recommends that he be made Major General of Volunteers.

The President sent a message to the Senate today, saying that he cannot see the arrest of Gen. Stone on sufficient grounds, and was unable to recommend that. The reason stated for the continued delay in Stone's trial was that the witnesses and officers necessary to constitute a Court are now in front of the enemy. The President states that Stone will have a trial as soon as it is compatible with the public interests.

Advices from the Department of Sherman, received today, say that General Banks, notwithstanding the bad roads, is cutting his way forward towards Stanton, being now within a few miles of that place. It is doubted whether Jackson will make a stand at that point, as he fears being flanked by a column from the Mountain Department.

PORTLAND MONITOR, April 29th. Our earthworks before Yorktown begin to present a very formidable appearance. All yesterday and last night the enemy kept up a brisk fire, trying to draw us out. The work was not interrupted with yesterday. Gen. Hancock, with a portion of his brigade, would drive the rebels from the thick woods near our works. Our troops delivered a well directed fire, causing the rebels to retreat, leaving their dead and wounded.

NEW ORLEANS, April 21st. A special dispatch to the Delta, from Fort Jackson yesterday, says: "The enemy's fire was much increased. He has fired up to this time 27,000 rounds of powder and over a thousand tons of iron. This bombardment is unprecedented in modern warfare. The mortar vessels are behind Point Woods, out of sight. We sank two yesterday, and disabled one steamer."

PITTSBURG, Tenn., April 29th.—11 P. M. Our advance, after a slight skirmish this morning with the rebels, in which we captured several prisoners, occupied P. A. Ridge, and shortly afterwards occupied Monterey, twelve or thirteen miles from Corinth. The capture of New Orleans was generally known in the rebel camps on the 27th. On the 28th, two Louisiana regiments whose time had expired, but who were required by the Conscription Act to serve two years longer, laid down their arms and refused to fight. They were put under arrest.

A deserter says it is not known in the rebel camps that Halleck commands here. The general impression among the Confederate troops was that our army was retreating to Nashville.

PORTLAND MONITOR, April 30th. The Charleston Mercury says that nine schooners left that city on Sunday week, to run the blockade. Four of them were captured and taken to Port Royal.

The Richmond Dispatch of yesterday says: "When the enemy's fleet arrived opposite New Orleans, and demanded its surrender, General Lovell refused and set back to Camp Moore, after destroying all the cotton and stores. The iron-clad vessel Mississippi was burnt to prevent her falling into the hands of the enemy."

P. A. Form of the Union Party of Oregon.

The following resolutions were adopted by the Union State Convention, held at Eugene City, April 9th, 1862. Resolved, That we will ever support the State Governments in all their rights, as the most competent administrators of their domestic concerns, and the surest bulwarks against anti-republican tendencies, and preserve the General Government in its whole constitutional vigor, as the sheet anchor of our peace at home and safety abroad.

Resolved, That we are in favor of the suppression of the present wicked rebellion; of a vigorous prosecution of the war, so long as necessary to frustrate the schemes of armed traitors. Resolved, That we are opposed to any peace other than the honorable and sure one to come when rebels and their sympathizers submit to constitutionally elected authorities of the Republic.

Resolved, That the General Government should exert its utmost energy to defend the Constitution, execute the laws and preserve the Union, and that in accordance with these resolutions, we pledge ourselves to support the nominees of this Convention.

Every Housekeeper experiences how difficult it is to make good bread, and we therefore take pleasure in calling attention to the fact that, to insure uniformly light, sweet and soft loaves, it is only necessary to use Reding's and Co's Yeast Powders, which, in every respect, excel all similar preparations ever offered to the public. See the advertisement in another column.

Dr. Hostetter's Stomach Bitters.—The stomach is the foundation of scores of diseases, and the basis of the human system. Indigestion, bad enough for its generation of diarrhoea, dysentery, flatulency, vertigo, palpitation of the heart, general debility, etc. Get rid of it at once, by going through a course of HOSTETTER'S STOMACH BITTERS.

A palatable and refreshing preparation, which as surely relieves all complaints of the stomach and its dependencies, as the machine melts the snow. A course of the medicine will not, perhaps, be necessary. One bottle frequently accomplishes a complete cure. Sold by druggists and dealers everywhere.
