Semi-Weekly Sentinel.

" TO THE EFFICACY AND PERMANENCY OF YOUR UNION A GOVERNMENT FOR THE WHOLE IS INDISPANS VILE."--- Washington.

JACKSONVILLE, ORGEGON. WEDNESDAY EVENING, OCT. 23, 1862.

To Our Patrons.

The demand for news from the States is so great, and the desire to read that news as soon as it is flashe I across the Continent is so general, that we have concluded to change the SENTINEL from a weekly to a semi-weekly paper. To issue an extra every time a disputch is received, is incon venient, expensive and impracticable. We might as well publish a daily at once. On the other hand, if we retain the news a whole week and then publish it in mass, much of it is stale and uninteresting to many of our readers. Hence, we have concluded to strike a medium between the two, and issue a semi-weekly.

By so do ny, we will be constantly ahead of the California dailies in our news de partment, and he the earliest and best neuenneer in the State. We get our tele and are three days ahead of the enterpris ing Sucramento Union. The telegraph will soon be completed between this place have doubted it. and Yr-ka. The poles are already up, and the line will be in operation inside of two months, at farthest. As soon as the irrepressible Strong conducts his chained lightning to our town, and commands the etherial tell-tale to drop his messages at our door, we shall be four days ahead of the California dailies,

The change in our paper costs us consid erable money and a great deal of extra following named Bills ; 1st, Bill to amend labor. Under these circumstances, we the Charter of the Clackamas Bridge would ask our patrons generally, and our Company : 2nd, Bill to change the bound them as an open, respectable power in the agents especially, to make an effort to ex- daries of Washington County ; and 3rd, State-who fits his words to win their tend the circulation of the SENTINEL.

PRETTY THICK .- The eccentric E. L. Applegate, in a speech made at the Union organization meeting at Salem on the 11th, indorsed Hon. B. F. Harding U. S. Sena-Oregon, &c." We call that spreading it on pretty thick. He is sound on the Union without doubt, but not more so than every other genuine Union man. We thought that he is only in the positive state, and that there is no perfection in his soundness, Is it true, E. L., that you are only in the lowest state of soundness, or at best, on'y in the comparative degree? Don't canonize our Senator until the Senate of the United States shall quail before his iron will !

We have received, and carefully examined, us, \$1. Total, \$271. the first number of this Journal, and we commend it to the patronage of the profession. Its statements are clear, full and reliable. It is published weekly, and its professed object is " to keep the public posted in the law." A reliable law journal is much needed on this coast, and we hope Mr. Woods' enterprise may succeed.

VICTOR SMITH.-The Grand Jury of the United States, for the Third Judicial D'strict of Olympia, W. T., have found an indictment against this gentleman for the e nb zz'ement of money and goods belonging to the United States. One of the indictments contains thirteen separate despicable rather. He has not the manlicharges of embezzlement. Smith is collector at Astoria.

Usuay BILL - A bill was passed by the Legislature regulating the rates of interest in this State. Ten per cent per annum is allowed on notes, judgments, decrees, &c. The highest rate of interest allowed is one per cent per month, or twelve per cent per annum. The party contracting to pay such unlawful interest, is made a competent witness to prove that the contract is usurious. The bona fide assignce of any usurious contract is allowed to recover against his assignor, or the original usurer, the amount actually paid by him for said contract. Section 5th provides that any one who shall violate the provisions of the act, either by giving or taking, or by contracting to give or take a greater rate of interest than that allowed in the act, shall be guilty of a misdemeanor, and may be proceeded against by indictment, and on conviction, shall be punished by fine not exceeding \$500 00; and in default of payment, shall be imprisoned in the County Jail one day for every two dollars of said fine, until the same is paid.
