All sorts of marketable Produce taken in exchange for goods.
Jacksonville, Oct. 20, 1862.

Semi-Weekly Sentinel.

BY OVERLAND TELEGRAPH.
(TELEGRAPHED TO YUKA FOR THE SENTINEL.)

Dates to 7th November.

Chicago, 7th.—The New Orleans Delta, of 27th October, says, on the 10th October, Commander Itenshaw attacked the rebel batteries at Galveston, Texas. After a brief combat he repossessed the town.

Cairo, 6th.—The very latest from Memphis says, no advance by rebels from Holly Springs. Our forces were at Grand Junction Railroad. Telegraphic communication is re-established to that place from Bolivar and Jackson. It is believed the enemy have brought all their available force to Holly Springs, with the intention of making a determined stand there. The armies to-night are about thirty miles apart.

Washington, 7th.—Windham, of General Bayard's cavalry, had a splendid engagement on Wednesday at New Baltimore, with enemy's cavalry and 4 pieces artillery. The numbers on each about 1,500. The enemy were driven off in the direction of Warrenton.

Gainsville, 6th.—The cars now run over Manassas Railroad as far as White Plains, beyond the Bull Run range. All quiet along left wing.

New York, 7th.—The cannon firing heard to-day in direction of Upperville, is supposed to proceed from General Stoneman's advance.

Rechtown, 6th.—Further particulars show that the battle at Barbours, was a splendid victory for Pleasanton. Rebel loss is 36 dead on field. Ours was 5 killed, ten wounded. Pleasanton reports that Stoneman's Jackson occupies Chester Gap. General Reynolds corps occupied Warrenton to-day. The rebels evacuated the place.

Philadelphia, 7th.—Commodore Pendergast died to-day.

New York, 6th.—Horatio Seymour is undoubtedly elected Governor of New York by 10,000 majority. Democrats have elected 18 out of 31 Congressmen. Assembly in doubt, the probabilities are that Democrats will have a small majority.

Detroit, 7th.—The Republicans have elected four Members of Congress—two districts are yet in doubt. The Republican State ticket is elected by 5,000 majority.

Wilmington, Del., 6th.—The official vote shows, Cannon, (Union) elected to Congress by small majority. Temple, (Dem.) is also elected. Two-thirds of Legislature is Democratic.

Chicago, 7th.—The Democratic State ticket is elected by 15 to 20,000 majority. The Democrats also elect two-thirds of Legislature, and have a majority of one or two in the Senate.

San Francisco, 7th.—The steamer Sonora brought about 300 passengers and mails of the 11th.

Colonel Rodney Mathewson's remains have arrived, and will lay in state at Platt's Hall until to-morrow noon. The National Guard is detailed as a special guard of honor. The remains will be accompanied to Healdsburg by a detachment of National Guard and Committees.

A grand ball is being projected, to raise funds to equip California Cavalry Company.

Dates to 9th November.

Rechtown, 7th.—A heavy snow storm set in at nine this morning with every indication of continuance. Nothing new about military affairs.

Philadelphia, 7th.—The Washington Star of to-day says: Impression is general among military men that the army of the Potomac, notwithstanding the severe snow storm, is marching into the Valley of Virginia through Front Royal Gap.

Washington, 8th.—The Agent of the Associated Press inquired at the State Department yesterday concerning the current rumors in regard to reported proposition from Mercier, the French Minister, referred to in the New York Times two days since, and the alleged extraordinary meetings of the Cabinet, and was assured they were fabulous.

Captain Baker, of the bark Yarmouth, reports seeing two ships in latitude 41, longitude 69, and from description of her he believed one to be the pirate Alabama. She was chasing and rapidly gaining on the other, a merchant vessel.

Louisville, 7th.—The community were somewhat alarmed this afternoon by the Journal editorially expressing fears for safety of Nashville, based on personal representations to the Editor. We are assured the rebel force is much exaggerated. A gentleman from Nashville, on the 4th, reports that when he left there was great excitement there. Citizens were hourly expecting a flag of truce demanding surrender of the place. Breckinridge was at Murfreesboro on Monday with 20,000 men. Cheatham's corps, 15,000 men, was also en route for Murfreesboro from Chattanooga.

The Nashville Union, of the 4th, says the rebels are running heavy trains constantly night and day from Murfreesboro to Chattanooga, carrying off immense quantities of grain, cattle, hogs, clothing, and other supplies.

Later intelligence from Nashville says the rebel force at Murfreesboro was greatly exaggerated.

St. Louis, 8th.—At 1 o'clock on the morning of the 6th, the steamer H. Dickey

exploded her boiler, ten miles above St. Genevieve, killing several passengers and wounding others.

St. Paul, Minn., 8th.—Over three hundred Indians have been convicted by a Military Commission at the lower Sioux Agency, of being concerned in the late massacres, and condemned to be hung.

Washington, 8th.—In all the hospitals of the United States there are nearly 56,000 sick and wounded soldiers, nearly 12,000 of which are in the West, over 17,000 in Washington, and the rest on the Atlantic and Gulf seaboard.

Philadelphia, 8th.—The Inquirer has a letter from Fortress Monroe, dated 6th, which states that the gunboat Delaware from Newbern, N. C., brings intelligence that General Foster's expedition had surrounded 3,000 rebels at Hymouth, N. C., half of them being cavalry, who unconditionally surrendered.

Washington, 9th.—Official list of killed and wounded at Corinth, 315 killed, 1812 wounded, and 232 missing.

General Burnside has been appointed to supersede McClellan. Hooker takes Burnside's position. McClellan's removal caused great excitement here last night.

Fitz John Porter is ordered to Washington, to answer the charges preferred by Pope.

Salem, Va., 9th.—The order relieving McClellan of Command, was read at 11 o'clock last night, and was entirely unexpected. The command was immediately turned over to Burnside. McClellan and staff leave to-morrow for Trenton, N. J., where they have been ordered to report. The last official act of McClellan was issuing an address to the soldiers, informing them in a few words, of the change.

New York, 9th.—A special to Sunday Mercury says, rebel preparations for retreat had been going on for more than two months. All their plans are known to be matured for going into winter quarters at Richmond. We hold Warrenton Junction. The President notifies all who call on him that he will not modify or withdraw his emancipation proclamation.

Detroit, 8th.—The Legislature will stand, Senate, 17 Republicans to 15 Democrats; House, 58 Republicans to 42 Democrats.

New York, 8th.—The Scotia arrived from Liverpool, Oct. 26th. Lord Lyons is a passenger.

Louisville, 7th.—A body of rebels took possession of Lexington, Ky., and captured \$1,000,000 worth of stores, and immense quantities of ammunition and clothing, etc.
