"TO THE EFFICACY AND PERMANENCY OF YOUR UNION, A GOVERNMENT FOR THE WHOLE IS INDISPENSABLE."--Washington.

JACKSONVILLE, OREGON.

WEDNESDAY EVENING, DECEMBER 17, 1862.

The News.

Fredericksburg around which the destinies of the Republic seem to be gathering at present, is a town of some four thousand inhabitants, on the right bank of the Rappahannock River, at the head of tide water, sixty-five miles north of Richmond.

On the 21st of November Sumner arrived opposite Fredericksburg and demanded the surrender of the town. The demand was refused. Sixteen hours were given for the removal of the non-combatants.

The dead body of a man by the name of Henry Joseph Giesel was recently found on the banks of Snake River, some twenty-five miles below Lewiston.

A Lodge of Free Masons was about to be organized at Lewiston. A meeting of all Masons in good standing was to be held at the Pioneer Hotel on Saturday last.

The necessary buildings for the accommodation of the troops at Fort Lapwai, as well as for the protection of army stores, are rapidly being constructed.

News.--The La-lake Indians are creating some disturbance in Butte Creek Valley, California. Major Drew has sent a force there to keep them in check.

valley, a large basin of fertile land. Travelers who have ventured into that unknown region have given it the name of the Klamath Lake country.

Northern Items.

The encampment of Nez Perces Indians near Lewiston has been broken up. The Indians have received their annuities, left in high glee, well pleased with the "Bostons," themselves and everybody else.

Two or three thieves and loafers have been spotted in Lewiston, and the Age thinks they had better "go slow" or they may "go dangling."

The necessary buildings for the accommodation of the troops at Fort Lapwai, as well as for the protection of army stores, are rapidly being constructed.

THE SANITARIAN.--The Eugene City Neutral says: "We cannot wish it success. We are opposed to any institution, come in what shape it may, whose only merit is the absorbing of our moneys and shipping them away in such speculations as the Sanitary Fund."

"The miserable wretch who is capable of giving birth to such a sentiment would not scruple to murder the wounded soldiers on the field of carnage. He must indeed be lost to every feeling of humanity who would thus endeavor to stifle the generous promptings of charity.

HEIMSTREET'S Inimitable Hair Restorative. IT IS NOT A DYE.

But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dyes are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heimstreet's inimitable coloring not only restores hair to its natural color by an easy process, but gives the hair a Luxuriant Beauty, promotes its growth, prevents its falling off, eradicates the dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original hair-coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of D. S. BARNES, Proprietor, New York. Two sizes, 50c. and \$1. [enw247] SMITH & DAVIS, of Portland, Agents.
