## Semi-Weekly Sentinel.

TOWN AND COUNTY.

WILLOW SPRINGS, Dec. 22.—*Ed. Sentinel:* I was somewhat surprised, on reading the last issue of the SENTINEL, at finding all the different mining camps, in the vicinity of Jacksonville, so highly spoken of except ours. Probably you are not posted in regard to this camp. For fear such might be the case I have sent this note, for your benefit; for we all read the SENTINEL. This village is situated on the stage road, six miles north of your place. [From the best of our information we suppose such is the fact.—*Ed. Sen.*] There are two fine streams running through the town—that is, they would run if it would rain. There are three boarding houses, three saloons, one store, one blacksmith's shop, and plenty of other buildings. The place is improving very fast. No less than six fine houses were put up this fall, principally by young men. I think it is a fine place for young ladies who are for the Union. We are all Union men. There was a case of secession here last spring, but the parties were reunited again one day last week. *Bully for lack!* We keep a good quality of whisky here at a bit per drink—to which fact some of your Jacksonville friends can testify. [We rather think Emigrant means to insinuate something here. We don't intend to hold ourselves responsible. Whew!—*Ed. Sen.*] If you don't think I tell the truth, come down and see. [It wouldn't do any good, we are no judge of the article?—*Ed. Sen.*] We are a moral set of people; we can have preaching whenever we want it; we support no Monte sharps, or sporting women. I think we are a model set of fellows. [So do we.—*Ed. Sen.*] So come along all poor people to this haven of rest. I would say double as much if I did not know that editors were opposed to long communications. Yours everlastingly,  
EMIGRANT.

How is it.—We are creditably informed that a certain lame map peddler, by the name of Lawless, made a rabid secession speech at Williamsburg, in Josephine county, not long since. If this is his business, probably he has mistaken his latitude, and had better study his map a little more accurately. We advise Union men to satisfy themselves upon this subject before making purchases. If we are misinformed, he can have the benefit of our columns to set himself aright, and a puff for his map in the bargain.

ACCIDENT.—Little Mary, daughter of Mrs. J. W. McCully, fell into a well back of P. J. Ryan's new brick building, on Saturday last. The well is about 20 feet deep to the water, and the water in the same four or five feet deep. She was immediately rescued by Mr. Horne, and did not receive any injury worthy of mention.

FIRE.—Our peaceful town was startled by the alarm of fire on the morning of Saturday last; but fortunately the fire resulted in nothing serious. The building known as the Miners' Saloon caught fire from a stove-pipe therein, but the flames were soon extinguished. One of the Fire Wardens distinguished himself by his Athenian leaps.

MERRY CHRISTMAS.—We wish all our patrons a merry Christmas. May all have joy in their hearts, forgiveness in their souls, hope in their future, and turkey in their dinner. Let by-gones be by-gones, and may friendship and love rule the hour.

MILITARY OFFICERS.—It is quite natural to suppose that a Colonel could write a passable article on military laws, but we are of the opinion that those a little lower in rank can do it better.

J. H. REED Esq.—This gentleman, who has been on a visit to the Atlantic States, arrived home on the stage of Sunday evening. He looks hale and hearty.

We are under obligations to Mr. Rosenberg, of Jump off Jo, for a box of very fine fish.

**I. O. F.—Election of Officers.**  
JACKSONVILLE LODGE, No. 10, I. O. F. will hold their regular election for the officers for the ensuing term, at their hall, on the evening of Saturday, Dec. 27th. A full attendance of members is desired.

## BY OVERLAND TELEGRAPH.

[TELEGRAPHED TO YERKA FOR THE SENTINEL.]

St. Louis, Dec. 19th.—We have a report that Gen. Hindman has crossed the river with dispatches to Marmaduke, while the cavalry remain on the north side. Hundreds from the rebel army are already joining Herron, many of them Missourians, who express the greatest disgust at the rebel campaign, and think its prosecution hopeless.

Gen. Curtis, yesterday, received a communication from the rebel Gen. Holmes, forwarded by direction of Jeff Davis, inquiring into the facts relative to the shooting of ten Confederate citizens by order of Gen. McNeil. General Curtis reply will probably be published, and it is looked for with much interest.

New York, Dec. 20th.—Last evening's Washington Star states that a caucus of Republican Senators was held on the 10th instant, when resolutions were offered, and discussed, requesting Secretary Seward to resign. The vote was—ayes, 16; noes, 13. The next day another caucus adopted a substitute, recommending the President partially to remodel his Cabinet, which was unanimously adopted, as the conservatives believed it would be regarded as a general invitation to the whole Cabinet to resign. On being informed of the act, the Secretary and Assistant Secretary of State sent in their resignations, requesting their immediate acceptance.

The same paper says it is also confidently reported that Gen. Burnside has tendered his resignation of command of the army. The Post's Washington correspondent says "It was rumored this afternoon that the entire Cabinet will retire, leaving the President free to construct a new Cabinet. This may be incorrect; but it is not at all improbable that Blair and Bates have already tendered their resignations. I am informed this afternoon that Charles A. Sumner has been tendered the port folio of the Secretary of State.

Washington, Dec. 20th.—The Navy Department has information of the capture of the schooner George, from Nassau, with an assorted cargo of coffee and salt.

Kansas City, Dec. 20th.—Advices from Santa Fe state that Gen. Carleton has issued an order requiring all persons arriving there to report to the Provost Marshal. Strangers are all to exhibit a written authority, under which they can travel, and give satisfactory evidence of their loyalty. It is rumored that a body of Texans, 6,000 strong, are marching on Santa Fe, via Las Vas and Jazel Pass, under Gen. Bayler. The rumor needs confirmation.

SHIRKERS.—Of course, I know there are cases where men ought not to go, if it can be avoided; but it strikes me that many men, who were never known to make any very remarkable exertions for the comfort of their wives and families, have been seized with a very sudden and effective view of the duties they owe them during this war, and the utter impossibility of their leaving them to suffer! I hope every mother's son of them may be "drafted;" we want no such sham manliness perpetrated in the next generation. And as to the bachelors, most of whom never see their way clear to this or any other species of self denial, they ought each to be provided with a sewing machine and set to making soldier-clothes for some relief society.—*Fanny Fern.*

APPOINTED.—Lucien Heath, ex-Secretary of State, has been appointed Clerk of the Supreme Court, in Oregon.

Humphrey Marshal is such a failure as a man-of-war, the rebels propose to cut him down and make a gunboat of him.

## HEIMSTREET'S

Inimitable Hair Restorative.

IT IS NOT A DYE.

But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dyes are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heimstreet's inimitable coloring not only restores hair to its natural color by an easy process, but gives the hair a Luxuriant Beauty, promotes its growth, prevents its falling off, eradicates the dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original hair-coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of D. S. BARNES, Proprietor, New York.
