U. S. Income Tax.

THE LAW CONTEMPLATES THAT every one shall pay on all net profits (less \$600) derived from any source whatever. A person is allowed to deduct all legally assessed National, State and County Taxes, Hired help, Rents, Drayage, &c., necessary to carry on his business; but no farmer, merchant, mechanic, or any person, has a right to deduct his own labor as so much expense from his income.

The Income Tax is to be paid on the income of the year commencing January 1st, 1862, so that on the evening of December 31st, 1862, everybody should make up a record of their income gains or profits for that year. And as many sources of income, such as Dividends and Railroad Bonds and Stocks, Insurance Stock, Savings Banks, interest, &c., (they having already paid the income tax,) are not again taxed. It therefore becomes necessary to have a clear record of the sources of income, that there may be no dispute with the Assessor.

All corporations must deduct three per centum before declaring their dividends.

For Example:

A man in business must make up the net profits of his business for the year, and pay the tax on the amount less \$600.

A man may, outside of his business, spend all and even more than his profits in the business; nevertheless he must pay tax on all net business profits except the \$600. And so with a salary, all over \$600 must be taxed, though personal or family expenses consume it all.

The Income Tax for the year 1862 is assessable on the first day of May, 1863, and is due and payable on or before the 30th June, 1863. And any sums due and unpaid for thirty days after the 30th June, as aforesaid, and for ten days after demand by the Collector, five per centum will be added to the amount unpaid.

Each individual of any firm or partnership must make up his income separately.

[ap25m2] U. S. Assessor for Oregon.

The Imported French Draught-Horse

LION HEART, will stand for mares the ensuing season at Samuel Colvers, Gasburg, the season to commence on the first day of April and ending on the first day of July, 1863.

Terms: Ten dollars for single leap; \$20 for season; \$30 to insure.

Description.—Lion Heart is a beautiful dark brown, 15½ hands high, and weighs 1200 pounds. He combines in a remarkable degree those great essentials of a good horse, viz, power, speed and bottom, with a docility of temper peculiar to this noble race of horses.

Pedigree.—Lion Heart was sired by imported Lion Heart; his dam by Bashaw, owned and bred by R. Bruno, of Montreal.

Lion Heart took the first premium at the principal Fair of Lower Canada, in 1857, as light draught. We confidently recommend him as the best roadster in the State; his superiority as a stock-horse has been thoroughly established in this State, one of his colts taking the first premium at the Oregon State Fair last year, as award to Daniel Goff, of Polk county; but we have other proofs of his superiority as a stock horse in this county, in the superiority of his colts, bred by J. Pinkham, F. H. Gray, J. Wrisley, J. C. Tolman, J. Hill, A. Rockett, H. American, W. Beeson, and in fact all who have bred.

Stock-raisers are invited to call and see for themselves.

Pasture will be furnished on reasonable terms to mares from a distance.
