HEIMSTREET'S Inimitable Hair Restorative. IT IS NOT A DYE.

But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All imitations are composed of heavy acids, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heimstreet's inimitable coloring not only restores hair to its natural color by an easy process, but gives the hair a

Luxuriant Beauty, promotes its growth, prevents its falling off, eradicates the dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original hair-coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of D. S. BARKER, Proprietor, New York.

Notice. MILLER'S CONVENTION!

At a meeting of the millers of Rogue River Valley, held at Phenix, Oregon, May 27th, the following preamble and resolutions were unanimously adopted:

Resolved, That the low price to which flour has come, and the high price of flour sacks, compels us to resort to some means whereby we can get something like an equivalent for the use of our mills and the expense of running the same, and to sustain the price of wheat and flour. Therefore,

Resolved, 1st, That we will not exchange flour for wheat with any person or persons, either directly or indirectly, except to the Farmer who produces his own wheat, and that only to the extent of his family use, put up in his grain sacks, without brands.

Resolved, 2d, That we will not in any way buy wheat in payment for flour; that the entire flour trade belongs legitimately to the Millers, and that we will hold exclusive control of the same.

Resolved, 3d, That traders and merchants choosing to deal in flour, by paying the miller money for his flour, enables him to pay the farmer the money for his wheat, whereby the trade will be kept in its legitimate channel.

Resolved, 4th, That we will strictly adhere to the foregoing resolutions, and persons not wheat growers are notified that they cannot exchange wheat for flour upon any conditions whatever; that by buying the flour of us, instead of buying the wheat of the farmers, it will enable us to buy the wheat ourselves.

Resolved, 5th, That these resolutions shall hold good for one year from this date.

Resolved, 6th, That these resolutions be published in the OREGON SENTINEL, for one month.

HORSE BILLS neatly executed at this office.

The Imported French Draught-Horse

LION HEART, will stand for mares the ensuing season at Samuel Colver's, Gasburg, the season to commence on the first day of July, 1863.
Terms, Ten dollars for single leaps; \$20 for season; \$30 to insure.

Description.—Lion Heart is a beautiful dark brown, 15 1/2 hands high, and weighs 1200 pounds. He combines in a remarkable degree those great essentials of a good horse, *size, power, speed and bottom,* with a docility of temper peculiar to the noble race of horses. Pedigree.—Lion Heart was sired by imported Lion Heart; his dam by Bashaw, owned and bred by R. Bruce, of Montreal. Lion Heart took the first premium at the principal Fair of Lower Canada, in 1857, as light draught. We confidently recommend him as the best roadster in the State; his superiority as a stock-horse has been thoroughly established in this State, one of his colts taking the first premium at the Oregon State Fair last year, as award to Daniel Goff, of Polk county; but we have other proofs of his superiority as a stock horse in this county, in the superiority of his colts, bred by J. Pinkham, F. H. Gray, J. Wisley, J. C. Tolman, J. Hill, A. Rockafellow, H. Amerman, W. Beeson, and in fact all who have bred.

Stock-raisers are invited to call and see for themselves. Pasture will be furnished on reasonable terms to mares from a distance.

U. S. Income Tax.

THE LAW CONTEMPLATES THAT every one shall pay on all net profits (less \$600) derived from any source whatever. A person is allowed to deduct all legally assessed National, State and County Taxes, Hired help, Rents, Drayage, &c., necessary to carry on his business; but no farmer, merchant, mechanic, or any person, has a right to deduct his own labor as so much expense from his income.

The Income Tax is to be paid on the income of the year commencing January 1st, 1862, so that on the evening of December 31st, 1862, everybody should make up a record of their income gains or profits for that year. And as many sources of income, such as Dividends and Railroad Bonds and Stocks, Insurance Stock, Savings Banks, Interest, &c., (they having already paid the income tax,) are not again taxed. It therefore becomes necessary to have a clear record of the sources of income, that there may be no dispute with the Assessor.

All corporations must deduct three per centum before declaring their dividends.

For Example:

A man in business must make up the net profits of his business for the year, and pay the tax on the amount less \$600.

A man may, outside of his business, spend all and even more than his profits in the business; nevertheless he must pay tax on all net business profits except the \$600. And so with a salary, all over \$600 must be taxed, though personal or family expenses consume it all.

The Income Tax for the year 1862 is assessable on the first day of May, 1863, and is due and payable on or before the 30th June, 1863. And any sums due and unpaid for thirty days after the 30th June, as aforesaid, and for ten days after demand by the Collector, five per centum will be added to the amount unpaid.

Each individual of any firm or partnership must make up his income separately.

U. S. Assessor for Oregon.
