

The Union Army.

Forever bright on history's page, In letters living from age to age, Those who for liberty did wage A bloody fight at Gettysburg.

The Ovation in Knoxville.

With our armies advancing on the rebels from nearly all points of the compass—with the roar of Gilmore's Parrott guns ringing in our ears, and expectation on tip-toe as to the shape which events are now about to take, the report that Burnside had succeeded in rescuing suffering East Tennessee from the tyranny of Jeff. Davis, did not receive that attention which its importance demanded.

A SUFFERING COPPERHEAD.—During a sermon in one of the New England States, not long ago, the minister had occasion to quote the Declaration of Independence.

ces of the person; but notwithstanding all this, the heroic patriots of East Tennessee filtered not. They burned the bridges on the railroad leading from Richmond to the Southwest.

With these facts before us, no trouble will be experienced in arriving at a knowledge of the full significance of the ovation extended to Gen. Burnside and his troops upon entering Knoxville.

Highest Price Paid for Produce in Exchange for Goods. DR. L. J. CZAPKAY'S Private Medical and Surgical Institute, SACRAMENTO STREET, Below Montgomery, opposite Pacific Mail S. S. Co.'s office, San Francisco.

To the Afflicted. SUFFER NOT WHEN A CURE IS GUARANTEED IN ALL Secret Diseases. Self-abuse, nervous debility, syphilis in all its stages, strictures, gleet, gravel, diabetes, diseases of the kidneys and bladder, mercurial rheumatism, scrofula, pains in the bones and ankles, diseases of the lungs, throat, nose and eyes, ulcers upon the body or limbs, cancer, dropsy, epileptic fits, St. Vitus' dance, and all diseases arising from a derangement of the sexual organs, such as nervous trembling, loss of memory, loss of power, general weakness, dimness of vision, with peculiar spots appearing before the eyes, loss of sight, wakefulness, dyspepsia, liver diseases, eruptions upon the face, pain in the back and head, female irregularities, and all improper discharges of both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is certain, and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians, and resisted all their means of cure. The medicines prescribed are pleasant and without odor, entirely vegetable, causing no sickness, and free from mercury and balsam. During twenty years' practice in Europe, the Atlantic States and California, I have rescued from the jaws of death many thousands who, in the last stages of the above mentioned diseases, had been given up to die by their physicians; which warrant me in promising to the afflicted, who may place themselves under my care, a perfect and speedy cure. Private diseases are the greatest enemies to health, as they are the first cause of consumption, scrofula and many other diseases, and should be a terror to the human family. A permanent cure is scarcely ever effected, a majority of the cases falling into the hands of incompetent persons, who not only fail to cure the disease, but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid consumption. But should the disease and treatment not cause death speedily, and the victim survives, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in scrofula, tetter, ulcers, eruptions, and other affections of the skin, eyes, throat and lungs, entailing upon them a brief existence of suffering, and consigning them to an early grave.

SELF-ABUSE is another formidable enemy to health, for nothing else in the dread catalogue of diseases causes so destructive a drain upon the system, drawing its thousands of victims, through a few years of suffering, to an untimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business, and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to consumption and a train of evils more to be dreaded than death itself. With the fullest confidence, I assure the unfortunate victim of self-abuse that a permanent and speedy cure can be effected, and, with the abandonment of ruinous practices, my patient can be restored to robust and vigorous health. Irregularities, and all diseases of males and females are treated on principles established by twenty years' practice, and sanctioned by thousands of the most remarkable cures. Medicines, with full directions, sent to any part of the State, Oregon, Nevada and Washington Territories, by patients communicating their symptoms by letter. Business correspondence strictly confidential. Address, L. J. CZAPKAY, M. D., San Francisco.

NOTICE is hereby given to all persons indebted to me by note or Book account, to pay the same to my agent, JOSEPH JACOBS, on or before the 15th February, 1863; otherwise the same will be placed in the hands of an attorney for collection. JESSE ROBINSON, Per JOSEPH JACOBS, Eagle Mills, January 23d, 1863.
