STOP THAT COUGHING!

SOME of you can't, and we pity you. You have tried every remedy but the ONE destined by its intrinsic merit to supersede all similar preparations. It is not surprising that you should be reluctant to try something else, after the many experiments you have made of the trashy compounds foisted on the public as a certain cure; but

Newell's

Pulmonary Syrup

Is really the very best remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping-cough, bronchitis and consumption.

Thousands of people in California and Oregon have already been benefited by the surprising curative powers of

Newell's

And with one accord give it their unqualified approbation. We now address ourselves to all who are unacquainted with this, the great panacea of the age, for the healing of all diseases of the throat and lungs, assuring you that
