HEIMSTREET'S
Inimitable Hair Restorative.
IT IS NOT A DYE.
 But restores gray hair to its original color, by supplying the capillary tubes with natural essence, impaired by age or disease. All restoratives that are composed of harsh acids, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heimstreet's inimitable coloring not only restores hair to its natural color by an easy process, but gives the hair—
Luxuriant Beauty,
 promotes its growth, prevents its falling off, eradicates the dandruff, and imparts health and brilliancy to the head. It has stood the test of time, being the original hair-coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of D. S. BARBER, Proprietor, New York.
