WEDNESDAY'S DISPATCH.

San Francisco, 8th, 9 p. m.—Eastern line is not in working order to day. Disposition in this State and Nevada passed off quietly as far as known. But messenger returns have been received from the interior of the State, but the indications are that Lincoln will have from 15,000 to 20,000 majority.

In this city the vote is upwards of 21,000—estimated Union majority from 5,000 to 6,000. Sacramento gives 1575 Union majority. Marysville gives 395.

The returns from Nevada are too meager to form an opinion, but indications are that there will be a Union majority in that State.

San Francisco, 9th, 11 a. m.—The following returns indicate as near as can be ascertained, the majorities in the different Counties:

Alpine County, as far as heard from, is 288 Union, and 87 Democratic. In Alameda the Union majority is about 700. Four precincts of Amador County give a Union majority of 153. Nine precincts of Butte County give a Union majority of 347. In Calaveras the Union majority is about 500. Eldorado gives a Union majority of about 1,000. In Los Angeles the Union majority is about 500. In Colusa the Union majority is about 1,000. In Contra Costa the Union majority is about 400. In Santa Clara gives a Union majority of 700. Santa Cruz gives 430 Union majority. Sacramento gives 2,200 Union majority, a gain of 600. Siskiyou will probably give a Democratic majority of 50 to 75. Later news from Trike says McClellan's majority is from 25 to 30. The Union majority in Solano is probably 350. The Union majority in Tehama is 80 to 100. Tulare will probably give a Democratic majority of 25 to 30. Eleven precincts of Trinity give a Union majority of 190, with 15 precincts to hear from. Five precincts of Sierra County give a Union majority of 258. Eleven precincts of Yuba County, including Marysville, give a Union majority of 431. The morning papers claim a Union majority in this State of from 20,000 to 25,000. Union majority in this city is not believed will quite reach 5,000.

Storey County in Nevada give a Union majority of 1,900. It is estimated the State will give a Union majority of 2,500. The eastern line is still out of order. The steamer Brother Jonathan sailed this morning.

The official vote of Benton County has given 6 majority for McClellan. Lincoln County is reported at 60 to 80 for McClellan. Lane from 20 to 30 for McClellan. Douglas County has given 100 majority for the Union ticket.

It is estimated Josephine County will give McClellan from 25 to 30 majority. Returns from all precincts in Jackson County, except one, (Evans creek), have been heard from, giving a Democratic majority of 77; the remaining precinct will not materially alter the result.

Dales has given a Democratic majority of 26.

THURSDAY'S DISPATCH. San Francisco, 9 p. m.—Few additional returns received to-day. So far as heard from the Union majorities are stated as follows, some of the counties being incomplete: Amador, 203; Alameda, 216; Alpine, 151; Butte, 626; Calaveras, 507; Contra Costa, 453; El Dorado, 217; El Dorado, 1,025; Monterey, 79; Napa, 100; Nevada, 710; Placer, 780; Sacramento, 2,270; San Francisco, 4,310; San Joaquin, 473; San Mateo, 223; Santa Clara, 550; Santa Cruz, 434; Sierra, 418; Shasta, 424; Solano, 185; Sutter, 119; Tuolumne, 75; Tulare, 65; Trinity, 200; Tehama, 80; Yuba, 600; Wilmington, Los Angeles county, including soldiers' vote, 459; McClellan received two votes; seven precincts of Los Angeles county, outside of Wilmington, give McClellan 212 majority; Siskiyou gives Democratic majority of about 35; Colusa gives Democratic 120; Sanitary contributions in this city 4361 dollars.

Union majority in Nevada will probably reach 5,000. Eastern line still down. Leg. Tenders, 45 (45) 1/2.

Portland, 10th.—The following is from the Oregonian of the 10th: Multnomah county gives Lincoln a majority of 456; Yamhill is reported at 130 for Lincoln; Washington, far as heard from, gives Lincoln 238; Clackamas gives Lincoln 222; In Wasco, Dalles precinct gives McClellan 22, Dog river 13, Deschutes 33 for Lincoln, and Tigh Valley 11; Benton is claimed for McClellan by a majority of 6; Lane is claimed for McClellan by 90; Douglas gives Lincoln 100; Marion gives 98 for Lincoln; Polk 132 Union; Lane Prec 4 for McClellan. Up to 10 p m in the counties giving majorities for Lincoln, but on some 2,100 in favor of Lincoln. With the loss of the small Democratic majorities in Jackson, Josephine, Lane, Lane and Benton, with the country east of the mountains to hear from, we may calculate on over 1,500.

FRIDAYS DISPATCH.

New York City 9th.—Returns show Lincoln, 36,442; McClellan, 73, 327. 105 towns and 3 counties give Lincoln 20,704 majority. Six towns, also, and 3 counties, McClellan has 16,884 majority. The City gives 37,500 in all the wards. Unionists claim the State by 20,700.

Philadelphia, 9th.—Partial returns from 15 counties show a gain of 1,200 over the Oct vote. Returns from the State almost invariably give majorities for Lincoln. The districts of the west portion of the State show a Union gain over the October election. Allegheny district, including Pittsburg, gives Lincoln 700 over the October election. Erie county gives 3,000 for Lincoln—in fact, returns from all parts of the State show a Union gain.

Cleveland, 9th.—Returns from different parts of the State show a large Union gain over the October election. Union majority on house vote will exceed 40,000. Union majority in the State is estimated at 75,000.

Chicago, 9th.—Illinois gives a Union majority of 20,000.

Springfield, 8th.—The State has probably gone Union. There will probably be small majority in the Legislature, which will elect a Union State Senator, in place of Richardson.

Springfield, 9th, 3 p. m.—It is now believed that the Unionists in both branches of the Legislature have a gain of three Congressmen.

Chicago, 9th.—Returns from Indiana indicate the Union majority to be 35,000 in the State. Returns re-indicate a Union majority of 15,000 in Michigan on the home vote.

Lansville, 9th.—Returns indicate that the Democrats have carried the State.

New York, 9th.—Twenty-eight towns in Maine give Lincoln 13,264; McClellan 7,994—a large gain over the September election. Maine goes for Lincoln by increased majorities.

Headquarters District of Oregon, Ft. Vancouver, W. T. Oct. 25, 1864. GENERAL ORDERS, No. 22.

The arduous service of the troops during the past season deserves the notice and commendation of the commanding General. In the field a new early spring, they have won his thanks, officers and men, for their persevering exertions in long and dreary marches, often through desert wastes, with a view to the protection of travelers, miners and emigrants. The troops under Colonel Maury, Captain Curry, Caldwell, Drake Barry, and Lieutenants Hobart, Waymire and West, have all done good service—sometimes in conflict with the Snake Indians.

South eastern Oregon is no longer an unknown region. From the Columbia river to the Nevada and California line, the whole country has been thoroughly traveled. From each temporary depot scouting parties were sent to every point of the compass. Some of the troops have traveled this season, more than two thousand miles. During the summer of 1862 and 1863, these troops have made honorable and important campaigns into the Indian country, and upon the emigrant road. If on this occasion they had no Indian wars, they had the satisfaction, by their presence of preventing them.

It is fitting that the closing services of the greater portion of the 1st Oregon Cavalry, have been devoted to the exploration and development of a part of Oregon, heretofore marked on our maps as "unexplored," but which can no longer receive that designation.

The regiment was raised three years ago, in the fervor of the Union sentiment of the State and many rushed to the standard to show their readiness to put down any possible scheme of secession on this coast. They have had little stimulus amid their privations. But they can at least rest that they have materially aided in developing the hidden treasures of the land.

The country explores the death of 2d Lieutenant Stephen Watson, 1st Oregon Cavalry, killed in the fight of the 18th May, and of the other gallant men who fell with him. If a choice had been given them they would have lost their lives in support of the glorious cause for which our troops are contending at the east. We who mourn their demise, must be consoled with the reflection, that they died in the defense of a suffering frontier, which will cherish the memory of their generous and patriotic services.

By ORDER OF BRIGADIER GENERAL B. ALDRED. J. W. HOPKINS, 1st Lieut., 1st Oregon Cavalry, Act'g Ad'lt General.

THE OVERLAND TELEGRAPH LINE TO RUSSIA.

The Western Union Telegraph Company, who in conjunction with the Russian Government, have this great enterprise in hand are actively engaged in fitting out an expedition under the immediate supervision of Captain C. S. Buckley, U. S. A., for Oregon, the coast of Russian America, and the country beyond Hebring's Straits, to survey the route of the telegraph line, and make other needful arrangements to put the whole extent of the line under contract the ensuing year; and we understand that the projectors of the enterprise are sanguine that the line will be in successful operation between New York, San Francisco, St. Petersburg and London, by the middle of 1866. Mr. Hiram Sibley, President of the Western Union and of the Russian Companies, sails in company with Mr. Collic, the projector of the Russian-American telegraph line, in the Scotia, to-day, for Liverpool and St. Petersburg, with a view to complete the arrangements already initiated with the Russian Government, for expediting the early completion of the line. St. Louis paper, Sept. 21.

Ruben and Capt. Saltmarsh, residents of this county, arrived in town yesterday, from the States, having crossed the plains this season. Ruben, we understand, since arriving in this State, has taken unto himself one of the fair damsels of Oregon.

WHAT KILLED HIM? Dr. HALL, in his "Journal of Health," speaking of the death of Washington Irving asks the above question, and adds: "He might well have remained with us for years to come, had it not been for advice kindly intended, no doubt, but given in thoughtlessness and reckless ignorance."

Proclamation.

STATE OF OREGON, EXECUTIVE DEPT. October 24th, 1864. Whereas, I have received a requisition from Major General Irwin McDowell, commanding the Department of the Pacific, acting under authority of the War Department for a regiment of Infantry, in addition to the volunteers now in the service of the United States, to aid in the enforcement of the laws, suppress insurrection and rebellion, and to chastise hostile Indians in this military district:

Now, therefore, I, ANDREW C. GIBBS, Governor of the State of Oregon, and commander-in-chief of the militia thereof, do hereby call upon the citizens of this State to organize themselves into companies sufficient to fill the foregoing requisition.

In witness whereof, I have hereunto set my hand, and caused the seal of the State of Oregon to be affixed. Done at Salem, this 24th day of October, A. D. 1864. ANDREW C. GIBBS, Governor of Oregon. Attest: SAMUEL E. MAY, Secretary of State.

The following is hereby promulgated: The plan of recruiting and organizing the above force, will be as follows, until further notice:

RECRUITING: The regiment will be known as the First Infantry, Oregon Volunteers. The field and line officers will be commissioned by the Governor. The State will be divided into districts, according to the number of persons in each district liable to do military duty. When such district has furnished its quota of men, there will be no draft in the same, under this call. Each district will furnish one company.

Companies will be issued, by the Governor, to company officers, conditioned that they shall recruit their respective companies, and be ready to be mustered into the service, within a time hereafter to be named. A company rendezvous will be established at some central point in each district, and if practicable, recruits will be retained there until the company is filled and ready to be mustered into service.

The State has provided by law for the payment of a bounty of \$150 in State interest-bearing bonds payable in gold to each volunteer, mustered into the service, in addition to the bounties authorized to be paid by the United States (See statute 1863 4, page 486).

The wages of a soldier in addition are \$16 per month, besides clothing, equipments, rations, and allowances furnished by the United States. (See statute 1863, page 662.) ORGANIZATION.

The proper organization and strength of a regiment is as follows: One (1) colonel, one (1) lieutenant colonel, one (1) major, one (1) adjutant (an extra), one (1) quartermaster (an extra), one (1) surgeon, two (2) assistant surgeons, one (1) chaplain, one (1) sergeant major, one (1) regimental quartermaster, one (1) regimental commissary, one (1) regimental steward, one (1) hospital steward. Ten companies form a regiment.

COMPANY OF INFANTRY. One (1) captain, one (1) 1st lieutenant, one (1) 2d lieutenant, one (1) 1st sergeant, two (2) sergeants, eight (8) corporals, two (2) musicians, one (1) wagoner, sixty-four (64) privates, minimum, and eighty-two (82) privates maximum, besides the non-commissioned officers.

Musicians may be enlisted in each company, who will be rated and paid as privates. TO THE COUNTY OFFICERS: Other States have filled, with commendable promptitude, every call that has been made upon them. The people have a very natural repugnance to a draft, under which every drafted man must serve or furnish a substitute. Under it there must inevitably be some cases of severe but necessary hardship. Opportunity is now given to avoid such a draft. The men are needed promptly, and every consideration of patriotism and of State, local, and personal pride requires that you commence promptly, and prosecute vigorously the business of obtaining volunteers.

The officers of the State feeling the most earnest desire that the entire State should avoid a draft, appeal to the patriotic citizens of your county, through you who are their officers and legal and natural representatives. As guardians of their rights and of their honor, it is incumbent upon you to respond to this appeal by earnest and successful work. Call to your aid the assistance of the active and influential citizens of the county.—Let every loyal citizen of the county understand, and if possible, induce him to realize that he has an immediate and personal interest in the success of your efforts. If necessary, call meetings in your school districts and bring the matter home to every inhabitant. Funds will be needed to pay expenses, not provided for by law. Let subscriptions be circulated in each county for that purpose, and preserve a record of the names of the donors among the archives of the county. In short, the Governor, upon whom the requisition is made, expects, and justly, that you will respond to this call upon you with an earnestness of purpose which shall insure success. Due notice of the districting of the State will be given as soon as it can be made.

QUOTA OF MEN DUE FROM EACH COUNTY: Jackson 55, Josephine 25, Curry 50, Douglas 50, Coos 12, Lane 64, Linn 100, Benton 41, Polk 40, Marion 48, Clackamas 49, Yamhill 16, Tillamook 3, Multnomah 122, Washington 43, Clatsop 7, Wasco and Grant 120, Umatilla 35, Baker and Union 58.

WHY WILL YOU BE SICK!

It is strange that so many persons will suffer for years with disease, when they can be so readily cured. DR. A. BALL

has been established in San Francisco for ten years, and during that period has not failed to effect a cure in a single case that has been undertaken.

Dr. BALL, after a study of forty years, has succeeded in compounding a medicine of PURELY VEGETABLE PREPARATION, that will cure the worst cases Gonorrhoea, Gleet, Stricture, Syphilis, Impotency, Skid diseases, and all complaints arising from immoral practices in less time than by any other known process, WITHOUT INJURY TO THE SYSTEM.

Dr. BALL'S LADIES BELIEVE, for the radical cure of Weakness and Irregularities, to which so many ladies of the Pacific coast are subject, owing principally to the peculiarities of the climate, is the best preparation yet discovered by the Medical Faculty, as those cases that have tried it can bear testimony.

Dr. BALL is so QUACK; he is a regularly educated physician of forty years standing, and has a diploma which he would be pleased to show to those who may wish to see it. Persons living at a certain distance, and sending a description of their complaint, can have their medicines put up in a package and sent by mail or express, in such a manner as not only to secure safety in transit, but so that no person would suspect what are the contents.

References sent by mail to those who may wish to inquire as to the Doctor's ability before placing themselves in his charge. Address A. BALL, M. D., 328 Montgomery street, San Francisco.
