NEWELL'S Pulmonary Syrup.

It is really the VERY BEST remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping cough, bronchitis and consumption. Thousands of people in California and Oregon have been already benefited by its curative powers.

WHAT KILLED HIM? DR. HALL, in his "Journal of Health," speaking of the death of Washington Irving asks the above question, and adds: "He might well have remained with us for years to come, had it not been for advice kindly intended, no doubt, but given in thoughtlessness and reckless ignorance."

CURE YOUR COLD SAVE YOUR LUNGS.

NEWELL'S PULMONARY SYRUP Has Cured Thousands AND It Will Cure You.

"A cough is generally the effect of a cold which has either been improperly treated or entirely neglected. When it proves obstinate, there is always reason to fear its consequences, as this shows a weak state of the lungs, and is often the forerunner of consumption."—Buchanan's Domestic Medicine.

STOP THAT COUGHING! Some of you can't, and we pity you. You have tried every remedy but the one destined by its intrinsic merit, to supersede all similar preparations. It is not surprising you should be reluctant to try something else after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but

Newell's Pulmonary Syrup.

is really the VERY BEST remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping cough, bronchitis and consumption. Thousands of people in California and Oregon have been already benefited by its curative powers.
