THE OREGON SENTINEL GARAGE LOVE & BILGER

Old residents of Jacksonville, especially the ladies, no doubt remember the irrepressible Parker, who formerly kept a Variety Store is the Post Office building. He has been elected Justice of the Peace at Walla Walls, and publishes his first proclamation in the Walla Statesman, as follows:

NOTICE

To the Petticoat Electors of Walla Walla County, who have been pleased to confer the honor of an office on one not in favor of Jeff. Davis or the Platform of any Copperhead party:

I shall accept the office, and will qualify, fer your benefit, as soon as possible. You must excuse me for not calling on any of yes to go on my official bond, as I expect to be able to give something better than a straw bood. I will attend to any legal business, provided my fees are paid in adcance with Lincoln's money. I shall not receive for my services any of Jeff Pavis' paper, or the money of any government not able to protect itself without being obliged to dress in petticouts.

I shall not expect you to endorse me again, should I, in attempting to execute the law, find the last ditch and be obliged to disguise myself with petticeats for protection, as your noted chief Jeff Davis bas done. Do you wish me to appoint some of your number as deputy who has nigger on the brain, and can not see any acts of the Government (since Buchanan's time) but what have been unconstitutional? If so, when you apply for the situation, I advise you to have your candidate well protreated by being surrounded with many H. PARKER.

P. S .- The Copperhends, no doubt will disclaim the responsibility of electing me to office after reading the above notice. The Union forever! all traitors and the Walla Walls Democracy to the contrary H. PAREER. notwithstanding. Once a Democrat.

No CHANGE .- It is now reported, upon

what we presume is good authority, that the contract for carrying the mail from Lincoln. Cal., to Portland Ogn., is let for four years, at \$200,000 per year, to the California Stage Company. How Receide was supercoded, or indeed whether he erer had any contract, we shall no doubt learn in time .- Oregon Statesman.

MAIL CONTRACT AWARDED .- Pierce & Frances, proprietors of the New Chico and Idaho Stage line, have been awarded the contract for carrying the mail from Chico to Ruby City, in Owyhee county, Idaho. The contract will probably go into effect about the lat of July .- Suc. Union, 26th,

RICH QUARTE.-From the Statesman we learn that the Santiam Quartz Mining Stack is in demand. A speciman brought into Salem last week weighing thirteen pounds is estimated to contain \$500 worth of gold. In consequence of the rich "strike." Union stock made one stride from thirty three dollars to one hundred dollars per share in gold. Fifteen shares were sold at the latter figures.

Lovers of dancing, in whatever section of the country, cannot go amiss for amusement of this description on the evening of the coming 4th of July, as balls will be of Oregon, given at Kirbyville, Williamsburg, Jack. State. toaville, Dardanella and Soda Springs.

"O. young and joyons creatures," go it while your young, for when you get old and ugly you can't !

Lost at SEA .- The Ocean steamer, Golde Rule, of the opposition line, bound from New York to Greytwon, Nicraagua, struck ca a reef, off Roncador Island, one of the Antillas, at 3:30 A. M., on the 30th of May. No loss of life stated. The resel and cargo proved a total loss.
