ed hostility against it. Next, in pardon by taken in and readily dispensed. ing so large a number of the Southern leaders, who would have built up their own greatness on the peoples' ruin, and who, if strict justice were done to the Southern people, would adora Southern gibbetsunder that very clause in the Constitution relating to treason. In the first instance, the question was strictly within the province of Congress; in the second, if President Johnson has erred, it has been on the side of mercy and he is scarcely liable to so damning a charge.

About this time the distinguished Democrat evidently becomes somewhat muddled in his ideas of the President's meaning, and candidly confesses that he don't

should be written so it could be understood Honest and candid reviewer! you have been belaboring the unfortunate President with your eyes shut-going it blind-geting the meaning of the message through the Jeep profundity of you intellect, till. like a thief shut up in a dark cellar, you cry for a key to release yourself with, and confess that you don't know what your're talking about

Then Mr. O'Meara files off at a tangent and condemns the President because he will nelther worship at the "charg shrine" nor break it to pieces, in fact the President's most just and conservative policy in this respect is the occasion of the writer's blitterest invective. Then we have a learn ed and extremely logical disquisition on New England and New York monopolies. But the crowning jewel in this corenet of democratic genus is the assurance that it the people ever again recover the control of the government, they will extinguish the national debt in less than thirty days. Who but an abject wretch, deserned to the lowest depths of political infamy, The State's Right Democrat has at last would make so shameful a suggestion to delivered listlf of a lengthy seriew of the the American people? We do not ones-President's Message. O'Menra says it tion the private character of Mr. O'Meara. was hastily written. We don't believe but we must be parlianed if we express the him. O'Meara's article is evidently a firm conviction that any man who suggests carefully prepared tissue of misrepresenta- repudiation of the public debt is himself tion; by syllogisms commencing with false unworthy of private trust or confidence. premises and ending with false and unfair. It is a fair inference that by "the people" conclusions. It presents to its readers all the Democrat man means the democratic the sublime obscurities for which its sapil- party. It is fortunate, indeed, that all ent editor has become so pre-eminent, and that party are not of Mr. O'Meara's opinendeavors to cram them down the throats ion, and whatever their objections may of the people as good, sound discribe. Mr. have been to the cause by which that debt O'Meara impugns the Presidents intentions, has been incurred, we hope they have still by the most unjust and illegical reasoning; sufficient patriotism not to desire a consumcharges him with insincerity, with prevar- mation that would brand us as a nation ication, with partiality, with perjary, with of swindlers and thieves. We ask pardon malicious and revengeful persecution of the of our readers for occupying so much space South with partiality to New England upon this subject; but we could not con monopolies, with being a false economist; sent to have such a decument as "O'Men and finally, brands him as a despot in re- rate Heview' go among the people unnolation to our country, and a coward in re- tierd. There is one thing more, and we will let him go for the present. He winds other persons to make similar applications. The first serious charge is that he haves up with the usual stereotyped thad- about upon the perpetuity of the Union. Who despottem. If we forget not, this same would not harp upon it? MERCER'S GIRLS.- A dispatch has been received at Seattle stating that Mercer's girls sailed on the 27th of last month. Let em sail; we're satisfied with home productions.

terested in mineral lands should attend.

Wooley Mill.-By the politeness of L. E. Pratt, we are enabled to place before our readers, the following facts in regard to the Woolen Factory at Oregon

There is in operation there what is termed three sets of Woolen Machinery. complete consisting of three sets cards pine machines), four spinning jacks (900 spindies), ninsteen double width looms and finishing machinery to match. When docalled to the chair and B. F. Myer chosen ing full week will make, of middling quali to of goods, about 800 yards per day.

This machinery, with water wheels, etc., cost in the East, \$20,000 cain ; freight to San Francisco \$5,000 currency ; freight to Oregon City from S. F. \$2,000 coin ; cost of building with eapacity for eight sets machinery, \$32,000 | location and water nower, \$10,000 ; cost of getting in operation, \$4,000; cost of wool for the year, \$50,000. Total \$133,000.

HUMAN DEPRAVITY .- Our cotemporary omeiains that some "abolition thief" is in to the country, from the location of the the habit of pilfering his paper from the post offices on certain routes. This passes our comprehension. We know that abo-Phomas Smith, R. B. Hargadine and littonists are acrapt regues and will steal things that democrats can't carry off, such Moved that these proceedings be sent to as niggers and red-hot stoves. We have the SENTINEL and Reporter for publica- heard of miscreants stealing coppers from the eyes of deceased Ethiopians; acorns from blind swine, and of various other de to meet on Saturady, the 17th lest, at 10 grees of petry larceny, but they are played out. Hereafter, the most extreme mark of approblum by which to distinguish a mean thist will be: He stole a copy of the Oregen Reporter. And has humanity fallen as low!

Counting No. 2.—Duly received. Still above narrated. draws it quite mild. Kind of likes the President's message and kind of don't like The Editor ain't quite certain which. Considerably "high toned" we should judge, as he claims relationship with the Presideut by putting him in the position of the "donkey" between two hay stacks. It's n very quiet little democratic bantling. Hase't got to tenthing yet. Guess the Editor needs a bunch of thistles as No. 2 looks kind of hungry.

NEW PAPER.-We have received the Sirren Advocate in exchange. It is publisted at Downleville Cal., and supports Andrew Johnson and Union principles. It is a next looking paper, and forces itself

afraid to let the light fall upon his acts. No wondar be is .- Democrat.

The secretary is probably afraid of demscratic assassies. Who blames him?

ISSANG .- On the 20th of last month, T. F. Floyd, Sheriff of Josephine county, resigned George P. Thrasher, of said county to the care of Hawthorne and Loryen, at Portland. Thrasher has been ufflicted

country during the war, has been brought over to the United States and is already poses of the school. in operation.

MINERAL LANDS .- It will be seen by the letter from the Register and Receiver, in unble mining claims which are subject to entry. The miners should look to their interests in this matter.

CIRCUIT COURT for the County of Jackson convenes next Monday. The business at this term will be limited, there being but few new cases docketed.

MAILS.-In consequence of bad weather the mails are still very irregular. Some days we get a few exchanges, but more frequently none at all.

Exchange - We received the Examiner MINER'S MEETING .- See notice of mi- last evening, which is the only San Franner's meeting. Every one in anywise in cisco paper that has come to hand for several days.

### LATEST

### EASTERN DISPATCH.

New York, 3d .- Proceedings commenced yesterday in civil courts for several victims of the Mercer emigration frauds. The complainants allege, Mercer represented to them that he had been appointed by the Territorial Governor of Washington Ters ritory to solicit female emigration, and had \$10,000 in gold, to be distributed among them, for a handsome settlement.

St. Louis, Jan. 18 .- The Kansas State Senate yesterday passed resolutions favoring the trial, conviction and hanging of Jeff Davis and other leaders of the rebellion equally guilty of treason.

Chicago, Jan. 25 .- The Tennessee House of Representatives yesterday passed the negro testimony bill-ayes 41, nocs 32.

Washington, Jan 25 .- In the Senate today, Hendricks of Indiana, from the committee on public lands, reported a bill to establish an additional land office in Oregon, which at the request of Williams, of Oregon, was passed.

Washington, Jan. 10 .- Three days ago to wit : Saturday, January 13th-the Hon. Stephen J. Field received through the mail from San Francisco, a package addressed to him, and mailed in December, the date too obscure to be deciphered. On stripping off the wrapper, a small box was disclosed. A peculiarity in its appearance attracted attention, and it was taken out of doors and burst open by being thrown against a stone pillar. All means of determining its mode of construction were thus destroyed. The case was then disnovered to be a powerful torpedo, filled Looky France,-Our friend Mr. Vint with minie pistol bullets and powder, and Schurz has gone the way of all firsh, and so arranged as to explode by the friction is to request a small space in your valua- taken unto himself a wife in the person of of opening.
