

Washington City Items.

We take the following items from the editorial correspondence of the State Journal, dated Washington, April 1st:

Sometime last fall, Lindsay Applegate, Indian Agent at Ft. Klamath, was removed by the President, and J. B. Underwood, Esq., the able and enterprising young lawyer of Eugene City, was appointed. I believe this removal was made without the knowledge of any of our delegation except Mr. Nesmith, through whose agency it was accomplished; however, I am informed that Mr. Underwood declined to accept the position, and no other appointment has as yet been made.

Senator Williams and Senator Corbett and wife intend to leave on the next steamer for Oregon, but in consequence of the extra session of the Senate, will probably be delayed until the sailing of another steamer—April 21st. Mr. Mallory thinks now that he will return to Oregon during the summer, after attending to some business here, but has not decided certain as yet.

Mr. B. F. Dowell will leave for Texas in a day or two, and will start for home in about a month, either via New York or through Mexico. He has got a plug hat and looks so gay that his Oregon friends would hardly recognize him. He has succeeded in getting a bill through both Houses of Congress to pay about six thousand dollars of the claims he came to collect, and expects to collect the remainder of these claims next winter. All who have claims which no other man can collect, should turn them over to Mr. Dowell immediately. He never takes no for an answer, but besieges the Departments and the members of Congress constantly, until they consider "discretion the better part of valor," and pay the claims to get rid of the subject.

It is said that the tax case, "State of Oregon vs. Lane county," will not be reached before fall. I am also informed that the decision of the Nevada case, which I mentioned sometime ago, is no evidence that Lane county will gain the suit. The purported decision, published in the Washington papers, was not the opinion of the court as they represented it to be, but was taken from a brief of one of the attorneys in the case, and thereby misled some of the oldest lawyers.

Post Office Troubles.—A few days since the P. M. of this place exhibited to us several packages, addressed to Smith's Ferry, California, with various directions upon them. It seems that the Oregon P. M.'s have been trying for a long time to get them past the Yreka office. One package bore on the wrapper—"Smith's Ferry is not in Siskiyou county." Under this was written, "Turn over and see what I have to say." His say was—"Because Smith's Ferry is not in Siskiyou county, is that any reason it should not pass your office to go to the county that Smith's Ferry is in? Smith's Ferry, at last accounts, was in Fresno county, California; so please let it pass, and oblige all Oregon." Another package was addressed in the following emphatic manner:—"D—n your eyes! can't you let this go south to where it belongs, viz: to Fresno county, California." Another—"Have mercy, thou supreme Ruler, upon this package, and perforce pass it by Yreka, (or any other man) and on to its proper destination. Yours muchly—A. W."

To be Mustered Out.—We learn from Lieutenant Oatman, that company, A, 1st U. S. Cavalry, at present stationed at Camp Bidwell, has been ordered to relieve Co. I, 1st Oregon Inf., at Ft. Klamath. Immediately upon the arrival of company A at the fort, Capt. Sprague's company will proceed to Jacksonville, and await the mustering out officer. Lively times may be expected, as the boys will receive about \$15,000 from Uncle Sam. It is thought they will be mustered out about the 1st of June.

Bold Robbery.—On Tuesday morning last, about daylight, the store of Mr. William Bouyer, on California street, was entered from the front and about sixty dollars in coin taken from the head of his bed. The act awakened Mr. B., who jumped up from bed just in time to discover that the thieves were Chinamen, but too late to catch them, as they made good their retreat in double quick time. The scamps left a number of greenbacks scattered on the floor, probably having no confidence in Uncle Sam's Currency.

Where is He?—Samuel Evan Burdett, formerly of Georgetown, D. C., was discharged from the U. S. service at Ft. Dalles, Oregon, in the year 1859. Any information respecting his present whereabouts, sent to J. H. D. Henderson, Eugene City, Oregon, will be faithfully communicated to his mother, who is anxious to hear from her son before she dies.—State Journal.

SAN FRANCISCO ASSAYING

REFINING WORKS, No. 416, Montgomery St., (SUCCESSORS TO KELLOGG, HEWSTON & CO.)

CAPITAL STOCK, \$1,000,000. Directors: JOHN PARROTT, CHAS. E. McLANE, WM. C. RALSTON, A. HAYWARD, LOUIS A. GARNETT.

LOUIS A. GARNETT, President and Manager. JOHN HEWSTON, JR., Chemist and Superintendent.

THIS COMPANY HAVING GREATLY enlarged their Refining Works, and introduced many other important improvements, are pleased to announce that they feel warranted in again reducing materially their terms of doing business.

THE TARIFF OF CHARGES Which they now submit to the public—considered with reference to the cost of material and labor—is lower than in any other part of the world, and secures to the mining interest of this coast an important increase in both the mining and commercial value of bullion.

Their charges will be heretofore as follows: FOR ASSAYING DEPOSITS FOR UNPARTED GOLD BARS. One-eighth of one per cent. (heretofore a quarter) for all amounts over \$1,000, and two dollars for any smaller sum. Returns made in twenty-four hours.

FOR ASSAYING DEPOSITS FOR UNPARTED SILVER BARS. Two dollars for the gold contained, up to \$1,000, and one-eighth of one per cent. for all amounts over that sum, and one per cent. on the silver contained. Returns made in twenty-four hours.

FOR REFINING DEPOSITS MADE FOR COIN OR FINE BARS. On Bullion under 300 parts gold, 2 cents per ounce. On bullion from 300 to 600 parts gold, 4 cents per ounce. On bullion from 600 to 750 parts gold, 6 cents per ounce. On bullion from 750 to 949 parts gold, 8 cents per ounce. Above 950 the only charge will be for coinage. But there will be no charge for refining less than two dollars.

FOR COINING GOLD. This charge will be the same as at the Mint—a half of one per cent.—and which is paid by us to that institution. But there will be no charge in future for making fine gold or silver bars from bullion refined by us.

BATCHES IN COIN MADE IN FORTY-EIGHT HOURS. Silver in deposits for coin will be accounted for at the same rate customary at the Mint. Gold bars of other Assayers in good standing, will be cashed by us at the highest market rates. Dust and bullion can be forwarded to us from any part of the country, and returns made through Wells, Fargo & Co's Express.

CHARGES AT U. S. BRANCH MINT. For the convenience of those not familiar with the terms of the Mint, we subjoin the tariff of charges now in force at that institution: For refining bullion, under 300 parts gold, 3 cents per ounce; for refining bullion from 300 to 600 parts gold, 5 cents per ounce; for refining bullion from 600 to 750 parts gold, 7 cents per ounce; for refining bullion from 750 to 949 parts gold, 11 cents per ounce; for refining 950 parts gold, 14 cents per ounce; the charge for coinage is half cent per ounce; and the charge for making fine of one per cent, and the charge for making fine of silver bars, the same.

Comparing the proceeds of unparted gold bars with the proceeds of refined gold bars, the latter will be found to be equal to the former, and the charge for refining will be found to be equal to the charge for refining at the Mint return, at refining charge of 14 cents. 845 par to equal Mint return, at refining charge of 11 cents. 800 par to equal San Francisco A. & R. Works return, at refining charge of 8 cents. my11f

REDINGTON & CO'S ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

S.T-1860-X.

Persons of sedentary habits, troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They strengthen the system and enliven the mind. They prevent miasmatic and intermittent fevers. They purify the blood and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Liver Complaint and nervous headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calissaya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not filled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, etc., is incredible. The simple trial of a bottle is the evidence for having the person and face, to render the skin soft and fresh, to prevent eruptions, to perfume clothing, etc. It overcomes the unpleasant odor of perspiration. It removes redness, tan, blotches, etc. It cures nervous headache and allays inflammation. It cools, softens and adds delicacy to the skin. It yields a subtle and lasting perfume. It cures musquito bites and stings of insects. It contains no material injurious to the skin. It is what every lady should have. Sold everywhere. Try the Magnolia Water once and you will use no other cologne, perfume or toilet water afterwards.

LYON'S KATHAIRON.

It is a most delightful hair dressing. It eradicates scurf and dandruff. It keeps the hair cool and clean. It makes the hair rich, soft and glossy. It prevents hair turning gray and falling off. It restores hair on prematurely bald heads. This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. Thomas Lyon, Chemist, N. Y.

Lyon's Ext't of Ginger.

Lyon's Extract of Pure Jamaica Ginger—for indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, etc., where a warming stimulant is required. Mustang Liniment.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment. For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure. For Rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment. For spavined horses, the poll-evil, ringbone and swollen, the Mexican Mustang Liniment never fails. For wind-galls, scratches, big-head and split the Mexican Mustang Liniment is worth its weight in gold. Cuts, bruises, sprains and swellings, are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made. It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped over and scalded my hands terribly. The Mustang Liniment extracted the pain, caused the sore to heal rapidly, and left very little scar." CHAS. FOSTER, 420 Broad St. Phil. Mr. S. Litch, of Hyde Park, Vt., writes: "My horse was considered worthless (spavin) but since the use of the Mustang Liniment, I have sold him for \$150. Your Liniment is doing wonders up here."

All genuine is wrapped in steel plate engravings, signed G. W. Westbrook, chemist, and also has the private U. S. stamp of Demas Barnes & Co. over the top. Look closely. Sold by all druggists, at 25, 50 cts. and \$1.00.

Lyon's Flea Powder.

Death to Fleas.—It is well known that Lyon's genuine Magnolia powder will perfectly destroy everything in the shape of fleas, ticks, bed-bugs, roaches, etc.; that it is perfect poison to the insect tribe, but entirely harmless to the human species and domestic animals. The genuine has the signature of E. Lyon, and the private stamp of Demas Barnes & Co. Anything else of this kind is an imitation or counterfeit. Any drug gist will procure the genuine, if you insist you will have no other.
