THIS COMPANY HAVING GREATLY enlarged their Refining Works, and introduced many other important improvements, are pleased to announce that they feel warranted in again reducing materially their terms of doing business. THE TARIFF OF CHARGES Which they now submit to the public—considered with reference to the cost of material and labor—is lower than in any other part of the world, and secures to the mining interest of this coast an important increase in both the minting and commercial value of bullion. Their charges will be hereafter as follows: FOR ASSAYING DEPOSITS FOR UNPARTED GOLD BARS. One-eighth of one per cent. (heretofore a quarter) for all amounts over \$1,000, and two dollars for any smaller sum. Returns made in twenty-four hours.

FOR ASSAYING DEPOSITS FOR UNPARTED SILVER BARS. Two dollars for the gold contained, up to \$1,000, and one-eighth of one per cent. for all amounts over that sum, and one per cent. on the silver contained. Returns made in twenty-four hours. FOR REFINING DEPOSITS MADE FOR COIN OR FINE BARS. On Bullion under 300 parts gold, 2 cents per ounce. On bullion from 300 to 600 parts gold, 4 cents per ounce. Stop that Coughing! Some you can't, we pity you. You have tried every remedy but the one destined by its intrinsic merit to supersede all similar preparations. It is not surprising you should be reluctant to try something else, after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but Newell's PULMONARY SYRUP is really the VERY BEST remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping cough, bronchitis and consumption. Thousands of people in California and Oregon have already benefited by the surprising curative powers of Newell's PULMONARY SYRUP and with one accord give it their unqualified approbation. We now address ourselves to all who are unacquainted with this, the greatest Panacea of the age, for the healing of all diseases of the Throat and Lungs, assuring you that Newell's PULMONARY SYRUP has cured thousands, and it WILL CURE YOU if you try it. This invaluable medicine is pleasant to the taste; soothing, healing and strengthening in its effects; entirely free from all poisonous or deleterious drugs, and perfectly harmless under all circumstances. Certificates from many prominent citizens of San Francisco accompany every bottle of Newell's PULMONARY SYRUP. REDINGTON & CO. Agents, San Francisco.

Mustang Liniment. Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment. For cuts, sprains, bruises, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure. ST-1860-X. Persons of sedentary habits, troubled with weak headache, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required. They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They strengthen the system and soothe the mind. They prevent miasmatic and intermittent fevers. They purify the blood and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Liver Complaint and nervous headache. They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, saffron, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle. Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not filled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters for the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, etc., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores. P. H. Drake & Co.
