CAPT. SLIGART

WILL STAND AT THE RANCH OF THE subscriber, near Ashland Mills, Jackson ounty Oregon, the ensuing season, commenc-

ing April 1st and ending July 1st.
I purchased Capt. Sligart, in Licking county. Ohio, and brought him out via Panama, in the spring of '66. He is a beautiful, dark, dapple bay; is said to have weighed 1,440 pounds, and trotted his mile in 2m and 42 sec.; has never been trained to any great extent; is near perfect in his proportions, of the finest style—in muscular power is remarkably well developed; is a horse of first class action, and was, by the best horse men, acknowledged to be the most perfect formed horse in Ohio, for speed as a trotter and

PEDIGREE:

His sire was a large, beautiful "Sir Thomas Horse;" g. sire a well bred turf-horse, known as "Woodward's Sir Thomas"; he by Diomed. jr., and he by Imported Diomed. His dam was awell bred "Farmer's Delight," and in the coun-

ty has ever stood unequaied as a Readster and mare for general purposes.

CAPT SLIGART is a half bro of Capt. Fisher now owned in California. No stallion of his size has equaled his time as a tretter. He is also a half bro to Moll Brook, of Cincinnati, Ohlo who has above an experience. Ohlo, who has shown a gait that stands unriv-aled in the annals of trotting time; also a half bro. to the celebrated Lady Rightfoot, of Chica-go. Poliy White of San Francisco, and Wild Bill, of Buffalo. I learn that another half bro.

called Capt. Fairfield, was awarded the First

Premium at the last State Fair in Ohio, and was spoken of in their report as the best horse for general use in the State.

Hence it is plain to be seen, that he is of a family of the best stock of horses for speed and family of the best stock of horses for speed and size in Ohio. His colts, when grown, are large, well formed, with good action and fine style, and bring the highest price for the Eastern
