WASHINGTON COUNTY ITEMS.—A great number of long plank bridges are being constructed over the numerous swamps of the county, and from the many other improvements of the roads we are assured that the supervisors are endeavoring to furnish the public with good highways.

The wheat crops of the county, especially of Tualatin Plains, are certainly very good, although many of the farmers think they are not as good as last year. The oats, on account of the rains of the middle of July, will yield largely, while the potato crop will exceed all others.

Three camp meetings have been held within the county, and one more is to commence on the 1st of August, at Ames' Chapel. There has been a deep interest manifested at all of these meetings, and the different churches have been revived and many added to them.

Mr. John Mather is to be married to Miss Margaret Cyle, at Wesley Chapel, July 28th, by Rev. Wm. E. Smith, who, at the request of Mr. Mather, is to preach a sermon on matrimony, just before the ceremony takes place.

MISSING ITEMS.—Mr. Jesse Titus, who has been traveling over the country to some extent, furnishes us some very interesting mining items: At Steamboat City, Mr. Wm. Herriot & Co. are making "big money."

Mr. Titus saw several large nuggets, taken from this claim, weighing, respectively, twelve and a half ounces, six ounces and five and a half; besides these large pieces the company is making four and five dollars per day to the hand—fine gold.

Mr. Titus represents the Stirlingville camp as being a live place. The miners are all doing well, with good prospects ahead. There are no Chinamen at work in these diggings.

Messrs. Saltmarsh & Co.'s claims are paying well. Mr. T. saw one hundred and fifty-four dollars picked up in one day by the company, while shoveling dirt into the ground sluice, and sixty-six dollars as the product of another day's labor.

A TRAGEDY.—The Ensign says a tragedy is going to happen if we don't discharge our local reporter at Roseburg. By the sound of the paragraph, our correspondent must be correct; besides, we must have a "local" at that place who will report the news that we cannot get from the Ensign.

CRESCENT CITY ITEMS.—The steamer Del Norte arrived at Crescent City on the morning of the 24th, with a small quantity of freight for that port—left for Umpqua about noon of the same day.

The body of A. S. Harvey, who was drowned at Ossagon, some two months since, came ashore at that place last Sunday (21st) and was buried by the people there.

L. H. Murch is the Union nominee for Senator, from the counties of Del Norte, Klamath and Humboldt, and Jas. F. Woodell for assemblyman from Del Norte County.

Our correspondent from Del Norte Co., Cal., says: The correspondent of the Press from this county, speaking of the hot weather, seems to think the weather was not hot enough to weld the Union party together in this county.

NEW WAGON.—Mr. Cawley, of the firm of Comstock & Cawley, started to Yreka this week, after a new buggy. Fourth of July times played sad havoc with their turn-outs, but the company are getting their buggies repaired so that they are as good as new.

REDINGTON & CO'S

ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the reactionary effects of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.

S.T-1860-X.

Persons of sedentary habits, troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and most supersedes all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They strengthen the system and cultivate the mind. They prevent miasmatic and intermittent fevers.

They purify the brea h and acidity of the stomach.

They cure Dyspepsia and Constipation. They cure Liver Complaint and nervous headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calceyia bark, wintergreen, sastrars, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature on a fine steel-plate side label. See that our bottle is not filled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, etc., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.
