

ROSEBURG, OGN., AUG. 14, 1867.—Rem. Cowles, our county Clerk, left town on Friday last, in quite feeble health, en-route for Salem, in order to obtain the professional services of the celebrated Dr. Wythe, of that place.

Quite an interesting law case was up for hearing before Squire Walton, one day last week. Joseph Huntley, jr., of Looking Glass, was accused by interested parties of embezzling money belonging to his father's estate. After a full hearing, he was held to answer in the sum of \$2,000—he pocketed the bond and went home.

A new poetical work, entitled "The Pioneer's Offering," by H. H. Woodward, of Coos county, Ogn., has just made its appearance in pamphlet form, of rather small size, but a much larger work, by the same author, will soon appear.

Business generally is quite brisk in this valley. Grain crops turn out a fair, average yield, notwithstanding the very dry season.

T. J. Singleton, who was so severely injured by falling upon a sharp stake, is still quite low and suffering intensely, but it is thought that he will recover.

HORSE STOLEN.—On Sunday night last, a horse belonging to Mr. Thomas Short was stolen from the stable yard of Messrs. Comstock & Cawley, of this town. The thief, who is supposed to be one Jack Ferguson, lately employed in the stable of those gentlemen, also took a Spanish saddle from the inside of the stable, although two men were sleeping within a few feet of where it was hanging. A description of the property and thief was immediately telegraphed north and south, but as yet the thief has not been taken. Depredations of this kind are becoming so common that an "example" might have a wholesome effect.

CAPTURED.—Wm. Horton, who made a job for the stone masons, on our county jail, last week, was captured at Kirbyville a few days since, and is now safely lodged in the jail of Josephine county. After making his escape from here, he stole a horse from Mr. York, of Applegate, and was brought to grief thereby. A "bad egg" is Horton, and if he does not make his words good and escape from his new quarters, the chances are, that he will receive instructions in the manufacture of brick, at the expense of the State.

DEDICATION.—The Dedication of the Odd Fellows' Hall, will be on Monday next. The procession will start from the Hall at two P. M., and march through the principal streets of the town; after which, the Dedication ceremony will take place and the oration be delivered by O. Jacobs. The Grand Master will be in attendance from Eugene City, and several prominent members of the Order from Yreka are expected to be present, making the occasion unusually interesting.

SALEM, August 13, 1867. To the Sentinel:—The President and Secretary of the Oregon Central R. R. Co. have to-day received advices that the iron and rolling stock for the first section of twenty-five miles of the road from Portland, has been purchased and is awaiting shipment to Portland direct. Chief Engineer Brooks will locate the first section in September next, and the work will be vigorously prosecuted.

REWARD.—Messrs. Comstock & Cawley offer fifty dollars for the return of the horse and saddle and the capture of the thief who took them, or twenty-five for either the property or thief. No trace of them has yet been found, and it is probable that the fellow took the road through Josephine county for Happy Camp, or is still lurking in this vicinity.

STAGE ARRIVALS AND DEPARTURES.—The mail stage from the south is now arriving about 5:30 P. M. That from the north at about 9 P. M. Stage leaves here for the south every morning at 4 A. M. The northern stage leaves at three A. M. This schedule will probably be observed until October 1st.

HEAVY RAIN.—The upper end of this valley was visited with an unusually heavy rain, accompanied by thunder and lightning, during the latter part of last week. In some places hail fell several inches deep, and the telegraph wire was so heavily charged with atmospheric electricity that the office in Yreka, that at the Toll House, and the office at this town, were closed for several hours.

Rev. W. H. Cain, of the Presbyterian Church, will preach in the Court House, Sunday at 11 o'clock.

BELLIGERENT.—A few evenings since we were enjoying a quiet smoke, when our meditations were ruthlessly disturbed by a couple of animals of the "bovine" species. Taurus No. 1 was from the country—No. 2 appeared to be a city gentleman, and, being the smaller of the two, showed more pluck than discretion. After the usual preliminaries—bellowing and pawing the earth, each step bringing them nearer to us—at it they went, and after a short but decisive contest, Taurus No. 2 was pitched bodily through our fence as easily as a clown jumps through a paper balloon at a circus, and landed right at our feet, thereby breaking the thread of a very brilliant editorial, as well as a number of feet of lumber. It is needless to say that he did not renew the fight.

CONSISTENT.—J. W. Coffroth, the Democratic candidate from the Second District of California, who has so much to say against Chinese labor, voted for the coolie bill, introduced by the Democrats in the California Legislature in 1862. His consistency is precisely like that of all other Copperheads demagogues who try to saddle their own faults on the shoulders of Union men, and if it were possible to establish Chinese slavery on this Coast, the Democratic party would be the first to advocate it to the disadvantage of white labor.

SISKIYOU ITEMS.—In Surprise Valley, a few days since, an old man named Manning killed a young man named Stone, who had repeatedly threatened his life. On an examination before a Justice of the Peace, Manning was discharged.

Last Friday evening, a furious storm of wind and rain, accompanied by heavy thunder, visited Siskiyou County. Several trees, and a number of telegraph poles were struck and shattered by lightning. On McAdams creek, a valuable horse, standing under the telegraph line, was instantly killed by a flash of lightning from the wire.

FOR THE MOUNTAINS.—Several of our prominent citizens started for the mountains on Saturday last, on a fishing and hunting excursion. One of the party was so *Pia* that the game will never suspect any sinister designs, and another has promised to *Hyle* all the game the balance may bag. They were amply provided with arms, fishing tackle and liquid comforts, and wisely took *Coats* with them, so as to guard against sudden changes of weather.

AN EXCELLENT ARTICLE. Mrs. Winslow's SOOTHING SYRUP is an excellent article for all diseases of children. It relieves the child from pain, regulates the stomach and bowels, and, by giving health to the child, comforts and rests the mother. During the process of teething its value is inestimable; cures wind colic and griping in the bowels. Hostetter, Smith & Dean Agents for the Pacific Coast.

SORE THROAT, COUGH, COLD, AND similar troubles, if suffered to progress, result in serious pulmonary affections, oftentimes incurable. "Brown's Bronchial Troches" reach directly the seat of the disease, and give almost instant relief. They have been thoroughly tested, and maintain the good reputation they have justly acquired. As there are imitations, be sure to OBTAIN the genuine.

A HEAVY WINTER.—A heavy "mast" is generally followed by a very severe winter, and if the sign be an infallible one, we may expect the coming winter to be the heaviest ever experienced in Southern Oregon for many years. The acorn crop appears to be exceedingly heavy and those farmers who are fortunate enough to have a large number of stock hogs, can make cheap bacon and plenty of it.

THANKS.—We return thanks to Mr. Chas. Root, who very kindly presented this office with a box of fine looking apples and delicious peaches this week. They are not only choice fruit, but have come from one of choice farms of this valley.

FOR SAN FRANCISCO.—Mr. Max Brentano left for the Bay City on Sunday morning, to purchase for the Fall and winter trade. Mr. B's taste in selecting goods is well known and the ladies may expect to see something nice on his return.

ACKNOWLEDGEMENT.—We have received the first two numbers of the Vallejo (Cal.) Chronicle a neat and sprightly weekly, just started at that place. It claims to be independent in politics, but seems to support Union principles. Quien Sabe?

IMPROVEMENTS.—We notice that a very handsome fence has just been completed around the Catholic school property, which adds greatly to the appearance of that portion of the town.

ST. MARY'S ACADEMY.—The Fall Term of the Young Ladies' Catholic Seminary, in this place, will commence on Monday the 19th inst.

REDINGTON & CO'S

ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the reactionary effects of spirits of any kind.

It is also an excellent remedy for females who suffer from different menstruation, giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

Persons of sedentary habits, troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and most supersedes all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet.

They strengthen the system and enliven the mind. They prevent miasmatic and intermittent fevers.

They purify the breath and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Liver Complaint and nervous headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, anisetas, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not filled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, etc., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

LYON'S KATHAIRON.

It is a most delightful hair dressing. It eradicates scurf and dandruff. It keeps the hair cool and clean. It makes the hair rich, soft and glossy. It prevents hair turning gray and falling off. It restores hair on prematurely bald heads. This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. Thomas Lyon, Chemist, N. Y.

Lyon's Ext't of Ginger.

Lyon's Extract of Pure Jamaica Ginger—for indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, Flatulency, etc., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere at 50 cts. per bottle. Ask for "Lyon's" pure extract. Take no other. See that the private U. S. stamp of Demas Barnes & Co. is on the cork of each bottle. None other is genuine.

Mustang Liniment.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment. For cuts, sprains, lacerations and caked breasts, the Mexican Mustang Liniment is a certain cure. For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment. For spavined horses, the poll-evil, ringbone and swoeny, the Mexican Mustang Liniment never fails. For wind-galls, scratches, big-head and splint the Mexican Mustang Liniment is worth its weight in gold. Cuts, bruises, sprains and swellings, are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made. It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with. In lifting the kettle from the fire, it tipped over and scalded my hands terribly. The Mustang Liniment extracted the pain, caused the sore to heal rapidly, and left very little scar. CHAS. FOEHLER, 429 Broadway, N. Y. Mr. S. Litch, of Hyde Park, Vt., writes: "My horse was considered worthless, (spavined) but since the use of the Mustang Liniment, I have sold him for \$150. Your Liniment is doing wonders up here." All genuine is wrapped in steel plate engravings, signed G. W. Westbrook, chemist, and also has the private U. S. stamp of Demas Barnes & Co. over the top. Look closely. Sold by all druggists, at 25, 50 cts. and \$1.00.

Lyon's Flea Powder.

Death to Fleas.—It is well known that Lyon's genuine Magnolia powder will perfectly destroy everything in the shape of fleas, ticks, bed-bugs, roaches, etc.; that it is perfect poison to the insect tribe, but entirely harmless to the human species and domestic animals. The genuine has the signature of E. Lyon, and the private stamp of Demas Barnes & Co. Anything else of this kind is an imitation or counterfeit. Any druggist will procure the genuine, if you insist you will have no other.
