

The Power of Life.
Last year a tiny leaf-bud
Peeped from the old leaf's stalk,
And all through the noisy winter
It heard the wild winds talk.

It heard them raging and boasting
How they swept dead things away;
But it only kept growing, growing,
It could wait, it was stronger than they.

For the power of life was stirring
Its leafy sheaf within,
Growing, ever silently growing,
Through all the storm and din.

Till now, one fair Spring morning,
The powers of life will wake;
They will touch it, will softly kiss it,
Till its last soft letters break.

The old leaf will fall, and the leaf sheaf,
The young leaf spread glad and green,
And gaze on the sun in his beauty
Without a veil between.

For the Lord of Life is working,
And his strongest force is life;
Ever with death it wargeth
Silent, victorious strife.

And Truth is stronger than Falsehood,
And needs but an open field;
And Love is stronger than Hatred,
And Love will never yield.

For God is Love, and he liveth,
And life is his living breath;
And one breath of life is stronger
Than all the hosts of Death.

A Delicate Position of a Chicago Lady.
The Chicago Post relates the following:
One of those annoying yet ludicrous accidents, which will happen in the best of families, occurred lately not over a thousand miles from Louisville. A dry goods clerk had an engagement to take his lady-love out buggy-riding. Early in the morning he appeared before her father's door with one of those spider-like vehicles which are probably constructed with a view of ascertaining how light a buggy can be made and at the same time serviceable. The lady is sweet sixteen, beautiful, and just a little bit of what is termed "fast." She is full of life and frolic, and is decidedly fat, weighing about 145 pounds. As the young gentleman drove up, his lady-love was standing on the top step at the front door, with her venerable father, who had his gold spectacles elevated on his forehead in order to get a distant view of his future son-in-law. Adonis jumped out of the buggy, preparatory to assisting the young lady in; but she suddenly took one of those frenks to which the dear sex are all subject. The buggy was standing about four feet from the steps, considerably below the step upon which stood the young lady. She probably wanted to convince her lover that she was not clumsy if she was fat, and thought this would be a good time to show him her agility. Be that as it may, she gave a jump, and landed in the center of the buggy. If she had stopped there, all would have been well, but, alas! the thin boards of the bottom of the buggy, unable to stand the pressure, gave away, and the young lady continued her descent.

There was a piercing scream; a plunging horse with a young man holding to him; a bundle of muslin in the buggy, and two little gaiter boots pointing to within six inches of the ground under it. Paterfamilias came to the rescue and detached the horse from the buggy. He then got up on one side, the young man on the other, and they attempted to raise the young lady. "Oh, stop, stop! you are killing me," she cried.

The boards had broken in the center, and long, sharp splinters extended downwards, and when they attempted to raise the young lady out of her predicament these sharp splinters would catch in her le—, shaw! Did you ever see a wire mousetrap? If not, go and get one, stick your finger through the entrance tunnel and try to pull it out. You will then understand the sad fix that our young lady was in.

The old man comprehended the situation in a moment. He told the young man to get down and break the splinters off. Young lady screamed, "O don't! you shant! O don't!" and young man wouldn't. At this stage of the proceedings a practical neighbor came up with a hatchet, and the young lady was soon extricated from her unpleasant situation, and she rapidly disappeared behind the front door.

An excited gentleman at a fire, headed a line of fire buckets, and as they were passed to him, he threw buckets and all into the fire, crying out all the while—"Pass on more buckets."

A GENIUS out West, who wished to mark a half dozen new shirts, marked the first John Jones, and the rest ditto.

THE LATE RUSH!
HELLO! HELLO!! WHAT'S ALL THIS NOISE?
AND WHY THIS RUSH 'MONG MEN AND BOYS?
HAS GEN. HALLERICK COME TO TOWN?
OR HAS SOME NEW QUARTS LODGE BEEN FOUND?
NOT SO, MY LORD, YOUR GUESS IS WRONG—
NO SUCH TRIFLES CALL THIS THROING.
IF YOU'LL BUT GO TO THE "CITY DRUG STORE,"
AND SEE THEIR GOODS, YOU'LL ASK NO MORE
SUCH FOOLISH QUESTIONS AS BEFORE.

At this critical period in the progress of our subject, the Muse was called off to dress some less interesting subject in the fascinating garb of rhyme and rithme, and left the City Drug Store to be done up in the no less classic folds of prose. So, in the language of a celebrated prose waiter: Go to the City Drug Store and see their new and splendid stock of

REDINGTON & CO'S
ESSENCE OF JAMAICA GINGER.
This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.
As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the reactionary effects of spirits of any kind.
It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.
It is also valuable as an external application for gout, rheumatism, neuralgia, etc.

S.T-1860-X.
Persons of sedentary habits, troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, etc., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.
They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet.
They strengthen the system and enliven the mind.
They prevent malarial and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation. They cure Liver Complaint and nervous headache.
They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Galisaya bark, wintergreen, saesstras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.
Beware of imitations. Examine every bottle. See that it has our private U. S. stamp unimpaired over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not filled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, etc., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

Mustang Liniment.
Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.
For cuts, sprains, burns, swellings and oaked breasts, the Mexican Mustang Liniment is a certain cure.
For Rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.
For spavined horses, the poll-evil, ringbone and swoony, the Mexican Mustang Liniment never fails.
For wind-galls, scratches, big-head and splint the Mexican Mustang Liniment is worth its weight in gold.
Cuts, bruises, sprains and swellings, are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.
It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.
"In lifting the kettle from the fire, it tipped over and scalded my hands terribly."
The Mustang Liniment extracted the pain, caused the sore to heal rapidly, and left very little scar. CHAS. FOSTER, 420 Broad St. Phil.
Mr. S. Litch, of Hyde Park, Va., writes: "My horse was considered worthless (spavin) but since the use of the Mustang Liniment, I have sold him for \$150. Your Liniment is doing wonders up here."
All genuine is wrapped in steel plate engravings signed G. W. Westbrook, chemist, and also has the private U. S. stamp of Demas Barnes & Co. over the top. Look closely. Sold by all druggists, at 25, 50 cts. and \$1.00.

Lyon's Ext't of Ginger.
Lyon's Extract of Pure Jamaica Ginger—for indigestion, Nausea, Heartburn, Sick Headache, Cholera, Morsus, Flatulency, etc., etc., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere at 50 cts. per bottle. Ask for "Lyon's" pure extract. Take no other. See that the private U. S. stamp of Demas Barnes & Co. is on the cork of each bottle. None other is genuine.

Lyon's Kathairon.
It is a most delightful hair dressing. It eradicates scurf and dandruff. It keeps the hair cool and clean. It makes the hair rich, soft and glossy. It prevents hair turning gray and falling off. It restores hair on prematurely bald heads. This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Lyon's Flea Powder.
Death to Fleas.—It is well known that Lyon's genuine Magnolia powder will perfectly destroy everything in the shape of fleas, ticks, bed-bugs, roaches, etc., that it is perfect poison to the insect tribe, but entirely harmless to the human species and domestic animals. The genuine has the signature of E. Lyon, and the private stamp of Demas Barnes & Co. Anything else of this kind is an imitation or counterfeit. Any drug dealer will procure the genuine, if you insist you will have no other.
