

Bible Cause.—REV. I. D. DRIVER, agent of the American Bible Society, will deliver an address, at the Methodist Church, in this place, on Sunday, the 27th instant, at 11 o'clock, A. M. The public are respectfully invited to be present on the occasion.

Proceedings of the Board of Trustees—Regular Meeting.

TUESDAY EVENING, Oct. 15, '67. Present, D. Linn, President; Henry Judge, John Orth, Geo. P. Funck and A. Martin—a full Board. The meeting was called to order by the President. The records of the last meeting were read and approved. The Finance Committee reported upon the following bills, and recommended their payment: Wm. Hoffman's bill for stationery, \$12 75; R. S. Dunlap's \$7 00; Sutton & Hyde's, \$27 25; J. W. Hull's, \$15 00; Oregon Press, \$6 00 and Oregon Sentinel's, \$5. The several bills were ordered paid at coin rates.

The Town Treasurer made his second Quarterly Report, showing

Table with columns for EXPENDITURES and RECEIPTS. Includes items like Warrants paid in Currency, Warrants paid in Coin, Currency, and Coin.

Balance on hand (currency) 588 35 Oregon Press' bill, \$31 50, publishing Ordinance No. 33, was presented and referred to the Finance Committee.

Petition from Jo. Tinsman was presented and read. The petitioner sets forth, that his hogs, some days since, strayed into this town, and were taken up and sold, and the proceeds paid into the Town Treasury, and, inasmuch as he has suffered great loss thereby, asks such relief of the Board, in the premises, as shall seem to them proper and just. The petition was taken up and acted upon, by ordering the money (\$18 50) that had been paid into the treasury as the proceeds of the sale of said hogs, to be refunded to the petitioner and a warrant drawn for the same.

Liquor licenses were granted, upon application, to J. Guilfoyle and to Dick & Huber, for six months, and each assessed at \$50.

On motion, the session was continued over to Tuesday, Oct. 29th next. Adjourned accordingly, D. LINN, President.

INDIANS ABOUT.—Mr. Whiskey informs us, that last week Mr. Chadwick, in Sam's Valley, was riding through the woods in that neighborhood, driving some cattle, when a shot was fired from a clump of brush, the ball from the firearm taking effect in the horse's neck. Chadwick, thinking it an accidental shot, rode by the same place soon after, when another shot was fired, the ball striking him in the arm. The man then ran, when it was perceived that his face was covered by a handkerchief.

APPOINTMENT.—We learn that Capt. L. L. Williams has been appointed to fill the vacancy caused by the death of R. A. Cowles, late clerk of Douglas county. No better appointment could have been made, the appointee having discharged the duties of the office as Deputy for nearly a year, and we understand that it gives general satisfaction.

RELIGIOUS.—Notice will be found at the head of this column, that the Rev. Mr. Driver will address the citizens of Jacksonville, on the 27th inst. Mr. Driver was attached to this circuit in 1860, and made many warm friends during his ministry, who will be pleased to hear him again.

TO THE LADIES.—Everybody in this valley should go to Muller & Brentano's, and see the large number of Grover & Baker sewing machines that have just arrived. Mr. Holt, the traveling agent for these splendid machines, will be in attendance, to give gratuitous instruction and exhibit a new and ingenious appliance for marking "tucks." This last contrivance is a new patent and worth looking at.

TAN FACTORY.—Judge Tolman is getting along fine with his tan factory. He has got his water wheel in, an eighteen foot overshot, and his vats all framed and ready to put down. He intends to do a great part of the work of making leather by machinery. His bark mill will be run by water, as well the hide mill. He thinks he will be able to begin "working in" hides by next spring, and will be able to take out some thin sides in fourteen or fifteen months from this time.

COTILLION PARTY.—Mr. L. Horne, the obliging proprietor of the U. S. Hotel, in this place, advertises in today's issue that he will give a public ball on the 6th of next month. Mr. H. always manages things in such a way that his patrons have a pleasant time. Make up your minds to cast off the mantle of "dull care" for one evening, and woo bright-visaged Pleasure in the ball room.

WHOO! HURRAH!—P. B. Coffin says if any one wants to "tread on the tail of his coat," he can be found on the corner of C and Third Streets, with paint and brush in hand, prepared to do anything and everything pertaining to the business of a No. 1 house painter. He says he can do good work, and will, or "bust his biler." Examine to-day's advertisements.

Special dispatches from Philadelphia, dated Oct. 17th, say that the Republican Central Committee are determined to contest the election of Sharswood. His official majority is 744. The Democrats of Ohio are considering the propriety of contesting Hay's election, on the ground that negroes voted for him in some counties, contrary to law. The case would be tried before the Senate, which is Democratic.

NEW YORK CIRCUS.—This grand national troupe is on its return trip to California, and will exhibit in Jacksonville on Monday evening. As this will be the last opportunity our citizens will have this season of seeing this show they should avail themselves of this opportunity.

NEW STORE.—Our old townsman, Morris Baum, has opened a new store, for the sale of general merchandise, at Ashland. Mr. B. is a clever and obliging merchant, and we are quite certain that he will succeed in his new location. We bespeak for him a liberal share of patronage.

TO YREKA.—Mr. George Ross, an old citizen of this place, and late Street Commissioner, has moved his family to Yreka. We learn that he has purchased an interest in a livery stable in that city, and is likely to do well.

Cable news from Florence, to the 16th, says that the Garabaldians concentrated near Fresinone, and whipped the Papal troops badly.

Wheat is selling in Albany for 75 cents per bushel—in San Francisco for \$2 85. Who says Oregon don't need a railroad?

REV. MR. ROOKE will not occupy his pulpit in Jacksonville to-morrow.

If you wish the very best CABINET PHOTOGRAPHS you must call on BRADLEY & RULFSON, 429, Montgomery Street, San Francisco.

REDINGTON & CO'S ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind.

It is also an excellent remedy for female who suffer from difficult menstruation, giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.
