

MATRIMONIAL.—This week a loving young couple, not being satisfied with their present estate, made application to our worthy County Clerk for a license, which would enable them to become as one person.

MILITARY.—Capt. Thos. McGregor, of the 1st U. S. Cavalry, passed through town on Thursday, on his way to Fort Klamath, where he will take command on his arrival.

A Clergyman (Rev. J. McMurray), writing from Halifax, N. S. says, "Having suffered several years with throat affection, to which clergymen are especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labors from the use of Brown's Bronchial Troches."

RETURNED.—Sheriff Owen returned from Portland on Wednesday morning. While in that city, he saw the Sheriff of one of the northern counties, who had in his custody Ike Tubbs, known to the old settlers of Jackson county.

MAGNIFICENT GARMENT.—We dropped into Pfeiffer's tailor shop this week and saw something new in the line of wearing apparel. It is no less than a circle-cloak coat and vest combined.

LEGISLATORS.—Several of the debaters met last Monday night and organized a most legislature. The body meets every Monday evening at the Court House where, as they inform us, they will be happy to see all their friends as an audience; and we did hear it mentioned that the ladies would be welcomed, and seats provided them inside the bar.

A CONTRABAND.—Capt. McGregor has with him a genuine "contraband" as servant, who was captured in one of Sheridan's raids in the Shenandoah. Sambo says that he was shut up in the cellar with about thirty other darkies, on the approach of the Union cavalry; and adds: "that when a blue coat catch him by the wool, then this darkey lost his missus."

CHRISTMAS IS COMING.—Yes, and is nigh at hand. In view of this fact, Mr. Horn, of the U. S. Hotel, is making grand preparations for a Christmas ball. Everybody knows what fine parties Horn always has, and we are certain he will have a full house.

KLAMATH LAKE.—Mr. Devins informs us that there is about one hundred acres of grain sown in Klamath Lake Valley, with the prospect of considerable more being put in. There is every indication of a large emigration to that point in the spring.

SURVEYING.—Mr. J. S. Howard has been engaged during the week in surveying the remainder of the Cemetery lots. About one hundred and fifty additional lots have been laid out, many of them in very desirable locations.

DENTISTRY.—Dr. Shrewsbury writes us that he will return here in about two weeks and pay us another short professional visit.

RACES.—The Fall races over the Bybee Course commenced on Thursday last. The attendance was the smallest we have seen; and but small amounts of money was bet. First race—single dash of a mile, for purse of one hundred dollars, was won by bay horse Jake. Time—1:58. Add Helms entered for the race "Minnie Rifle." Keith entered "Rail Back," and Wm. Bybee entered "Jake."

SHOT.—One day this week, as Mr. Angle was emptying a quantity of old rubbish paper from his trunk into the fire, there happened to be a copper pistol cartridge among the lot. This becoming hot was discharged, the ball striking Mr. A. on the leg. There was force enough to drive the ball through his pants, but not enough to pierce his boot leg.

NEW YEAR'S EVE.—Mr. Viet Shutz advertises this week, a ball for the 31st of December, at his hall. Mr. S. has his dancing hall well arranged and all are certain of a pleasant time.

Those are fine gold rings at Houcks—just the thing for the young men to show to their lady friends.

MARRIED.

ROOKS.—ARTHUR.—At office of City Recorder, in Jacksonville Nov. 27th 1867, by U. S. Hayden, J. P., Mr. Allen Rooks, and Miss. Mary Ann Arizer.

DIED.

WOOLLEN.—At the family residence, on Bear Creek, Nov. 24th 1867, wife of Isaac Woollen; aged 42 years, 11 months, and 5 days.

STOP THAT THIEF Of a Cough!

It is stealing from you your health, which is dearer to you than all your wealth. Nine-tenths of the diseases prevalent in this climate spring from Colds and Coughs.

Henley's ROYAL BALSAM

Challenges the World

To produce anything in the shape of Medicines that will remove and eradicate a Cough or soreness in the Chest, as prompt, no matter what form the disease might assume. Henley's Royal Balsam is the best Medicine in the world for Bronchial or Pulmonary affections. For Croup or Hooping Cough, there is nothing on earth that can equal it. All coughs and cures ought to have a bottle close by them—it will give a child relief in two minutes. It is entirely vegetable, and will prove a blessing to the human family.

For the Benefit of Suffering Humanity.

From Mr. THOMAS.—We have used Henley's Royal Balsam in my family this winter. There is no use in talking; it throws everything in the shape of Cough Medicine in the shade that I ever saw. My wife was troubled with asthma or something worse for years, and could get nothing to have any effect until I struck this "Royal Balsam." She is now about well. It cured me of the worst cold I ever had in my life in eight days. Whenever our children have anything like a cough, a few drops given on going to bed, that is the last of the cough. I never intend to be without it in the house. B. THOMAS, the paper man.

From Judge Marquam. I have used Henley's Royal Balsam in my family, and find it a first-rate medicine for Coughs and Colds. I hereby recommend it to the public. F. A. MARQUAM.

From Mr. Pittock. We have used some of Henley's Royal Balsam in my family, and think it is a splendid medicine for children, as well as for grown persons. For Coughs and Colds, I freely recommend it to the public. R. PITTOCK.

From F. DEWITT, Merchant. To the Public.—I had a bad cough for a long time. A friend urged me to get a bottle of Henley's Royal Balsam. He said it cured him. I got a bottle, and sure enough it had a splendid effect. It dried the cough up in a short time. I hereby recommend it to the public. F. DEWITT.

REDINGTON & CO'S ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the reactionary effects of spirits of any kind.

It is also an excellent remedy for menials who suffer from difficult menstruation, giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.

Some you can't; we pity you. You have tried every remedy but the one destined by its intrinsic merit to supersede all similar preparations.
