

PREPARE FOR WINTER.—Winter is at hand; and with it, the inevitable damp and chill which in this climate so often induce neuralgia, rheumatism, bronchitis, asthma, and their kindred diseases.

KLAMATH RESERVATION.—We understand that matters are progressing briskly on the reserve. About ten thousand dollars worth of annuity goods have been distributed.

SINGULAR EFFECT OF A GALE.—We learn from Captain McCall that the heavy gale that was experienced here a few weeks since, had a rather singular effect at Klamath Lake.

CAN'T BEAT JACKSON COUNTY.—Mr. R. F. Myers informs us that he has walnut trees from seed planted in the Winter of 1860-1, which bore nuts the past season.

OSALASKA FISHERIES.—An extensive bank of Codfish has been discovered in the North. The fish are of the most exquisite flavor—superior even to those of New Foundland.

FROM FT. KLAMATH.—Mr. Dan Cawley has just returned from the "Fort," and reports about two feet of snow on the mountain.

GOOD FOR BIG BUTTE.—Smith & Howard have for sale, at their lumber yard on California Street, some of the finest Sugar Pine lumber ever sawed in this county.

FINE DISPLAY.—In passing Neuber's jewelry store this week we saw the finest display of silver ever exhibited in this market.

A POINT IN THEOLOGY.—One of the speakers at the Legislature last Monday night gave as a reason why Cain, (of Bible notoriety) was not executed, that it was impossible to get an impartial jury, as there were none but his brothers to set as judges of the fact; hence, he was not tried and executed.

DENTISTRY.—Dr. Shrewsbury is established in town for a few weeks, at Dr. Greenman's office on the corner of California and Fifth streets, where he is ready to take out and put in teeth.

MONEY WANTED.—Dr. Greenman says that he wants money and must have it. Our advice to those owing him is to come to his office, on the corner of California and Fifth Sts.—pay the cash and save all trouble.

IN TOWN.—Dr. Cabanis paid us a visit during the week, having been telegraphed to attend a sick Chinaman. He says Yreka is unusually lively the present Winter.

NEW LAMP.—Messrs. Sachs Bros. have got a stock of the noted Lucine lamps and burning fluid. These lamps are a new thing in the way of lights, and for hotels and sick rooms are ahead of anything we have seen.

JOSEPHINE COUNTY.—Waldo is said to be brightening up a little—some new building is going on at that place. Col. Butterfield is still sinking on his cement claim. He has reached a depth of sixty feet and is beginning to strike gravel.

NEW PAPER.—We have received the prospectus of the Occident, a weekly journal devoted to religion and fine literature, to be published in San Francisco on the 3d of January next by H. H. Bancroft & Co.

WHEELING INTO LINE.—The Yreka Journal has hoisted the name of U. S. Grant at the head of its editorial columns and suggests; that by his elevation to the chief magistracy, three honored soldiers—Grant, Sherman and Sheridan will be rewarded.

STILL AT IT.—The indefatigable Col. Drew, together with two others, are still driving their tunnel above the forks of Jackson creek, and hope to strike a good thing yet.

THE WOOLEN MILL.—The Directors of the Rogue River Woollen Company have decided not to lay the flooring of the Factory at Ashland until Spring.

SEVERE INJURY.—A miner named Christian Ortiz had his leg badly broken yesterday morning, by the bank caving on him while working in his claim in Shively Gulch.

SNOW.—Some snow has fallen and is visible on the surrounding mountains, but as yet we have enjoyed almost Spring weather in the valley.

STREAMER.—The steamer Pacific sailed for Crescent City on Thursday, the 5th inst.
