REEARWATERS.-The late raise of Jackson creek causes uneasiness to property holders within reach of the mad freaks of the stream. The subject of breakwaters is being very generally canvassed through town; some advocating a special tax for that pur Clawson Gabart pose, while others think the thing should be done by subscription. It is Dowe F estimated that it will require from \$1,000 to \$1,500 to complete the system already commenced. If this amount cannot be raised by subscription, we are of opinion that taxation should be resorted to rather than the Grey John ascertained by a tedious course of ex. Harrison J K periment, that a system of breakwaters can be built which will be a certain protection to the town; and we Jackson F A Mayhew Miss Virginia think that it is folly for the town to Mayhew Miss Virginia Mathews D F fail to perform a peice of work because Musroe W S it requires the outlay of a few dollars. WINTER AMUSEMENTS .- Last Thursday morning when the ground was without interfering with the writing.

J. M. SUITON, P. M. covered with snow, young America was out in all his pomp and glory. Snowballs flew in all directions and at all objects. Nor was the mania entirely confined to the young; for we heard that some of the ladies, thinking no doubt that their gentleman friends did not have the virtue of clean faces sufficiently impressed upon their minds, went into the snow-balling and face washing business rather extensively.

" Brown's Bronchial Troches," are among the acknowledged institutions of the land. What would our ministers, our lecturers, our lawyers, do without these invaluable Troches? To what an amount of "abems" and throat clearings would we be all subjected, were it not for those all-powerful and soothing lozenges? We have tried them, and they did us good .- Nex York Warerty.

Of a Cough!

It is stealing from you your health, which is dearer to you than all your wealth. Ninetenths of the diseases prevalent in this climate spring from Colds and Coughs.

Henley's *ROYAL BALSAM*

Challenges the World

To produce anything in the shape of Medicines that will remove and eradicate a Congh or soreness in the Chest, as prompt, no matter what form the disease might as home. "Healey's Royal Balsam" is the best Medicine in the world for Bronchial or Pulmonary affections. For Croup or Hooping Cough, there is nothing on earth that can equal it. All mother's and nurses ought to have a bottle close by them—it will give a child relief in two minutes. It is entirely vegetable, and will prove a blessing to the human family.

For the Benefit of Suffering Hu-

manity. FROM MR. THOMAS .- We have used Henley's FROM MR. THOMAS.—We have used Henley's Royal Balsam in my family this winter. There is no use in talking: It throws everything in the shape of Cough Medicine in the shade that I ever saw. My wife was troubled with asthma or smothering spells for years, and could get nothing to have any effect until I struck this "Royal Balsam." She is now about well. It curred me of the worst cold I ever had in my life in night. Whenever our children have anything like a cough, a few drops given on going to bed, that is the last of the cough. I never intend to be without it in the house.

B. THOMAS, the paper man.

From Judge Marquam. I have used "Henley's Royal Balsam," my self and in my family, and find it a first-rate medicine for Coughs and Colds. I hereby re-commend it to the public.

From Mr. Pittock. We have used some of "Henley's Royal Bal-sam" in my family, and think it is a splendid medicine for children, as well as for grown per-sons. For Coughs and Colds I freely recom-mend it to the public.

Nrom F. DEWITT, Merchant.

To the Public .-- I had a bad cough for a long time. A friend urged me to get a bottle of "Henley's Royal Balsam." He said it cured him. I got a bottle, and sure enough it had a splendid effect. It dried the cough up in a short time. I bereby recommend it to the public.

STOP THAT THIEF REDINGTON & CO'S ESSENGE OF JAMAICA GINGEP.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most

popular domestic remedics for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it im-parts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind.

It is also an excellent remedy for temals who suffer from difficult menstaration, giving a'most immediate relief to the sposms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other

causes.

It is also valuable as on external applica-tion for gout, rhoumatism, neuralgie, etc.

REDINGTON & Co., AGENTS FOR THIS COAST. Dated April 24th, 1867.
