

MEETING OF THE BOARD OF TRUSTEES—REGULAR MEETING.—The Board of Trustees met in regular session on the evening of January 21st, 1867, at the usual hour. Members present—D. Linn, President; G. P. Funck, John Orth and Henry Judge. Absent—A. Martin. The meeting being called to order by the President, the following proceedings were had: The minutes of the last meeting were read and approved. W. G. T. Vault, Town Attorney, reported to the Board a full and complete compilation of the Laws and Ordinances of the town, including all acts relating to the Town Corporation, with an index to the same. On motion of Mr. Funck, resolved, That whereas a previous Board had authorized a codification of the Corporation laws, and had provided that the sum of \$50 be paid therefor, that the work now presented by the Town Attorney be accepted, and that the sum of \$50 be allowed for the same. The following bills were ordered paid: Love & Bilger's bill, \$3 50—coin; Thos. Curry, \$2 50—coin; SENTINEL OFFICE's bill, \$20 coin. Bills presented against the town: L. Zigler, Street Commissioner, bill for making foot-bridge across Jackson creek, \$12 60—coin; the same for gravelling walks to School House, \$11 50—coin; Jas. S. Howard's bill for Surveyor's services, \$16—coin; R. S. Dunlap's bill, certified by the Street Commissioner, for making walk to bridge on Oregon St., \$9—coin; Wm. Hoffman's bill for blank book, \$3—coin. Total—\$49 10; Jas. S. Howard's bill for surveys in Cemetery, certified by the Sexton, \$20—coin; R. S. Dunlap's bill for work and labor expended on Cemetery, \$56. Total—\$70. The several bills went over under the rules. Applications for town deeds from Jno. S. Drum and Alfred Preater were presented and read. The Town Attorney being present, said he would suggest to the Board to delay the granting of deeds to town lands to occupants, until the new town plot was recorded as the Code required; and further, that persons applying for deeds should produce evidence of legal occupancy of the same, before deeds should be granted, as these lands, to entitle the claimants to deeds from the town, must have been occupied and claimed prior to the town entry. After further remarks by the President and other members, the applications were laid over. Licenses to retail spirituous liquors were granted to L. Home, S. M. Faren, and to Henry Pape for liquor and billiard license; and they were assessed at the usual rate—\$30 for six months for liquor license, and \$25 for six months for billiards. R. S. Dunlap came before the Board and stated that some of the purchasers of Cemetery lots had required deeds for the lots, and he desired the Board to make provisions for making deeds, on sale of lots, to those who required them. The Town Attorney was directed to draft and report an ordinance authorizing the President of the Board to execute deeds, to be attested by the Recorder, and report the same at the next meeting of the Board. The petition of Jas. R. Neil and others, presented at the last session, praying the Board to cause the remains of persons in the old burying ground to be removed to the Town Cemetery, was called up; when, on motion, the petition was referred to a select committee—John Orth and H. Judge—to examine and report upon the same. The Board adjourned to Friday evening, January 31st.

SCHOOL EXHIBITION.—We attended the exhibition at the District School House on Thursday evening last. The small scholars were, for the most part, the entertainers, and right well did they perform their task. There is no finer sight than to see young America mount the Rostrum, with the fire of genius blazing through his bright eyes, and speak his piece, simple though it be. The exercises were interspersed with a few charades, well played, and with fine music executed by the school and the choir. Only one thing would we have left out, "The address to bachelors," was ill-timed, and not in keeping with the occasion. The exhibition, as a whole, reflects great credit on the teachers, and shows that no common pains have been taken in the training of the scholars.

HOUSE MOVED.—R. S. Dunlap has moved the old district school house from its old site into his lot. Sargent says when he gets it finished he will invite his friends to bachelor's party.

STOP THAT THIEF Or a Cough! It is stealing from you your health, which is dearer to you than all your wealth. Nine-tenths of the diseases prevalent in this climate spring from Colds and Coughs. Henley's ROYAL BALSAM Challenges the World To produce anything in the shape of Medicines that will remove and eradicate a Cough or soreness in the Chest, as prompt, no matter what form the disease might assume. "Henley's Royal Balsam" is the best Medicine in the world for Bronchial or Pulmonary affections. For Croup or Hooping Cough, there is nothing on earth that can equal it. All mothers and nurses ought to have a bottle close by them—it will give a child relief in ten minutes. It is entirely vegetable, and will prove a blessing to the human family. For the Benefit of Suffering Humanity. FROM MR. THOMAS.—We have used Henley's Royal Balsam in my family this winter. There is no use in talking; it throws everything in the shape of Cough Medicine in the shade that I ever saw. My wife was troubled with asthma or smothering spells for years, and could get nothing to have any effect until I struck this "Royal Balsam." She is now about well. It cured me of the worst cold I ever had in my life in eight days. Whenever our children have anything like a cough, a few drops given on going to bed, that is the last of the cough. I never intend to be without it in the house. R. THOMAS, the paper man. From Judge Marquam.
