AN ORIGINAL POEM. BY THE MAN WHO WROTE IT. Some write for fun, and some for fame, And some to make a splutter; But we, like all true poets, claim To write for bread and butter. Thus you see our very laudable object of doing good to ourselves, if we cannot do good to anybody else.

We only wish to have it known, That all our goods must sell, And then the people all will come— You bet they will. Thus giving us a fine opportunity of making money. We've fancy Soaps and good Colognes, And Hair Oils by the dozen— An endless lot of good Perfumes, Put up by old H. Bazin. Thus giving all the young folks an opportunity of becoming "sweet-scented."

We have Restorers for the Hair, Much better than your dye; We've preparations for the Ear, And lotions for the Eye. Thus giving old maids and crusty bachelors an opportunity of fixing up for the matrimonial market. We've Drugs and Books; we've Oils and Paints, And trinkets of all kinds; We've Nostrums good for all complaints, And sell to suit the times. Thus giving old and young an opportunity for speculation.

Now, all who have the ready cash Can call around to-morrow, For they can find just what they want Much cheaper than to borrow. And will thus give the City Drug Store fellows a fine opportunity to display their extensive stock of NEW GOODS to much better advantage than they could possibly do on paper. They will say, however, that they have a fine assortment of PHOTOGRAM ALBUMS, from \$2 25 to \$4 50—for 50 pictures, Gold pens, Ink Stands, Rules, Fancy Pen holders, Paper weights, Letter Clips, Bored Clips, Ink Erasers, Paper Splitters, Sealing Wax, Portfolios, Portmonies, Wallets, Purses, Pocket Books, Crayons, Pencils

of every description, Red, Blue, Black and Copying Inks, Chalk Lines, Fishing Tackle, Violin Strings, Tail boards and Rosin, School Books of every variety at reduced prices, Copy Books in variety, Slates, Parlor Games, and a thousand other things in this line, that can be seen by calling at the City Drug Store. REDINGTON & CO'S ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs. As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind. It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nauseas, caused by riding in a railroad car, or by sea-sickness, or other causes. It is also valuable as an external application for gout, rheumatism, neuralgia, etc. REDINGTON & Co., AGENTS FOR THIS COAST. Dated April 24th, 1867. ap27-y1-in

Stop that Coughing! Some you of can't; we pity you. You have tried every remedy but the one destined by its intrinsic merit to supersede all similar preparations. It is not surprising you should be reluctant to try something else, after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but Newell's PULMONARY SYRUP Is really the VERY BEST remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping cough, bronchitis and consumption. Thousands of people in California and Oregon have been already benefited by the surprising curative powers of Newell's PULMONARY SYRUP and with one accord give it their unqualified approbation. We now address ourselves to all who are unacquainted with this, the greatest Panacea of the age, for the healing of all diseases of the Throat and Lungs, assuring you that Newell's PULMONARY SYRUP has cured thousands, and it WILL CURE YOU if you try it. This invaluable medicine is pleasant to the taste; soothing, healing and strengthening in its effects; entirely free from all poisonous or deleterious drugs, and perfectly harmless under all circumstances.
