THE OREGON SENTINEL.

SATURDAY MORNING, April 11, 1868.

UNION RATIFICATION MEETING.—A mass meeting was held at the Court House in Jacksonville on Saturday, the 4th, to ratify the nominations of the Union State Convention. The meeting was largely attended; many persons from the country were present, and among the audience were a number of ladies. U. S. Hayden was chosen Chairman, and opened the meeting with a short but enthusiastic address. Mr. O. Jacobs then spoke for about two hours, giving an eloquent, logical and truthful exposition of the principles and positions of the Union and Democratic parties now and in the past, as indicated by their platforms and adopted resolutions No one, whose mind is not seared by prejudice or blinded by ignorance, could resist the force of the reasoning in favor of the reconstruction measures of Congress in opposition to the Democratic idea of allowing the rebels to run back into Congress as soon as they laid down their arms, and to accomplish by legislation what they had utterly failed to do with the sword. The greatest enthusiasm was manifested throughout, and particularly in regard to the standard-bearers of the party in this State, and showed that the patriotism that fired the great heart of the Nation, when she tottered on the verge of dissolution, is not extinct but ready to manifest itself wherever opportunity offers.

PROFITABLE STOCK.—A short time since when Lake the San Francisco stock dealer was purchasing in this market, he assured our farmers that only two kinds of stock would be found to be profitable—that having speed and that sought after for size and strength. Those of our stock raisers who desire to combine both of these valuable qualities should not forget that Sligart, owned by Mr. Myer of Ashland, possesses them. He has trotted his mile in 2:42, and such time for a horse of his weight and strength is rarely recorded. Many of his colts have reached fifteen and sixteen hundred pounds. For size, strength, symmetry and speed, "Sligart" has no equal in this State, and connoisseurs in stock must at once perceive the advantage of combining all these points when possible to do so.

ATTEMPT TO BREAK JAIL.—On Tuesday night last, Chadwick, who is confined in the County Jail on a charge of grand larceny, took advantage of the temporary absence of Deputy Sheriff Reams and made a desperate attempt to escape. When the jailer retured, he discovered that the prisoner had nearly sawed off one of the iron bars across the window with a case knife, but had abandoned that project and was at work trying to force the door open. Reams immediately put a heavy shackle on him as a reminder that good behavior, under the circumstances, is the cheapest.

GOOD JOB OF PLASTERING.—We have seen a job of plastering in Mr. Alex. Martin's house, executed by Mr. George Hibbard, which is as good and beautiful piece of work as we have seen in the county, and perhaps there is no better job in the State. The surface of the plastering is of a dazzling whiteness. The lime used is from Mr. Peacock's lime kiln on Jackson creek, and is pronounced as good as any lime in California or the Eastern States. Those desiring good work performed can get no better workman than Mr. Hibbard.

ENTERPRISING.—We were in Mr. Peter Britt's garden this week, and find that the proprietor, though his garden has been much injured by the hard winter, yet he has not given up his improvements. Mr. Britt is now engaged in building stone steps from the lower terrace to a higher. Other improvements are being made, so that it is hoped the garden will be brought up to its old splendor in two or three years.

COMPARATIVE ADVANCE OF THE SEASONS.—Mr. F. Heber has placed at our disposal statistics of the comparative forwardness of the past four seasons. In 1865, the peach and plum trees were in bloom on the 12th of April; in 1866, March 18th; in 1867, April 14th; and 1868, April 1st.

MAGIC INK POWDER.—We have received from Messrs. Sutton & Hyde, of the City Drug Store, a package of their ink powders, and have tried them and find that the ink made is of good quality and all that is claimed of it.

SHORT TIME.—Last Saturday the Oregon and California stages went on short time, and as the roads are in excellent condition they will probably come up to the schedule. We hope so—in fact, everyone does.

GRAVEL WALK.—Mr. J. R. Peacock has constructed a fine gravel walk from the street to the door of the M. E. Church and presented the same to the church.

CROWDED OUT.—First Book of Democracy and another interesting communication. Will appear next week. Please write short stories.

BROWN'S BRONCHIAL TROCHES CLEAR and give strength to the voice of Singers, and are indispensable to Public Speakers.

"I recommend their use to Public Speakers.

REV. E. H. CHAPIN.

"They have suited my case exactly, relieving my throat, and clearing the voice so that I could sing with ease."

PUBLIC SPEAKING.—Logan and Smith, the candidates for Congress, will speak here on Monday, April 20th. Come and hear them, all who want to hear long-faced, puritanical sophistry exposed. All who imagine that a plausible, sophistical sermon, where there is no opposition, is the same thing as meeting an able antagonist on the stump, just come and see the difference.

NEW PRECINCTS.—The County Commissioners have created three new precincts: Flounce Rock, Foots Creek, and Grave Creek precincts. The polling place is to be removed from the Dardanell's to Rock Point, and from Fort Klamath to Link River, where there is said to be about twenty-five voters.

BALL AT ROCK POINT.—Mr. L. J. White, the prince of Landlords in this county, gives an invitation to the public to attend his May Day Party. A hint is enough; for those who have had the pleasure of attending one of the sociable parties at Rock Point, will never miss an opportunity to go again.

SEVERE ACCIDENT.—On Monday last, a miner on Jackson creek, named John Bishoff, had his leg broken by the bank caving on him. The injured limb was set by Drs. Greenman and Overbeck, and the unfortunate man is in a fair way for recovery.

SPRING AGAIN.—Our valley is now decked in its freshets Spring garments; wild flowers fill the air with perfume, and the birds are singing of the glorious harvest that is springing from the bosom of the earth.

FOR KLAMATH.—Agent Applegate is to leave for the Indian Reservation at Klamath Lake on Monday next. He will soon inaugurate active measures to carry the existing treaty with the Klamath and Modoc tribes into effect.

CIRCUIT COURT.—The April term of the Circuit Court of the State of Oregon for the County of Josepine convenes on Monday next. We understand that there is not much business before the court.

SALE OF ROAD STOCK.—The Applegate Bros., have sold sixty shares in the Siskiyou Mountain Toll Road to Henry Thornton. The remainder of the road is leased to the same purchaser.

STOCKHOLDERS' MEETING.—There will be a meeting of the Stockholders of the R. R. Woolen Manufacturing Company on the 22d inst. See the notice of President McCall.

RAIN.—A glorious shower fell here yesterday. It was much needed.

AN ORIGINAL POEM.

BY THE MAN WHO WROTE IT.

Some write for fun, and some for fame,
And some to make a splutter;
But we, like all true poets, claim
To write for bread and butter.

Thus you see our very laudable object of doing good to ourselves, if we cannot do good to anybody else.

We only wish to have it known,
That all our goods must sell,
And then the people all will come—
——— You bet they will.

Thus giving us a fine opportunity of making money.

We've fancy Soaps and good Colognes,
And Hair Oils by the dozen—
An endless lot of good Perfumes,
Put up by old H. Bazin.

Thus giving all the young folks an opportunity of becoming "sweet-scented."

We have Restorers for the Hair,
Much better than your dye;
We've preparations for the Ear,
And lotions for the Eye.

Thus giving old maids and crusty bachelors an opportunity of fixing up for the matrimonial market.

We've Drugs and Books; we've Oils and Paints,
And trinkets of all kinds;
We've Nostrums good for all complaints,
And sell to suit the times.

Thus giving old and young an opportunity for speculation.

Now, all who have the ready cash
Can call around to-morrow,
For they can find just what they want
Much cheaper than to borrow.

And will thus give the City Drug Store fellows a fine opportunity to display their extensive stock of NEW GOODS to much better advantage than they could possibly do on paper. They will say, however, that they have a fine assortment of

Jacksonville, Sept. 28, 1867.

The Celebrated Horse,

CAPT. SLIGART

WILL STAND AT THE LIVERY STABle of Comstock & Cawley, in Jacksonville, on Tuesday's and Wednesday's, and at the ranch of the subscriber, near Ashland Mills, Jackson County, Oregon, on Friday's and Saturday's, the ensuing season, commencing April 7th, and ending July 1st 1868.

I purchased Capt. Sligart, in Licking county, Ohio, and brought him out via Panama. In the Spring of '66. He is a beautiful, dark dapple bay; has weighed 1,440 pounds, and trotted his mile in 2 m and 42 sec; has never been trained to any great extent; is near perfect in his proportions, of the finest style—in muscular power is remarkably well developed; is a horse of first class action, and was, by the best horse men, acknowledged to be the most perfect formed horse in Ohio, for speed as a trotter and size.

PEDIGREE.

His sire was a large, beautiful "Sir Thomas Horse;" g. sire a well bred turf horse, known as Woodward's Sir Thomas;" he by Diamond, jr., and he by Imported Diamead. His dam was a well bred "Farmer's Delight," and in the county has ever stood unequaled as a Roadster and mare for general purposes.

CAPT. SLIGART is a half brother of Capt. Fisher, now owned in California. No stallion of his size has equaled his time as a trotter. He is also a half brother to Moll-Brook, of Cincinnati, Ohio, who has shown a gait that stands unrivaled in the annals of trotting time; also a half brother to the celebrated Lady Lightfoot, of Chicago, Polly White of San Francisco, and Wild Bill, of Buffalo. I learn that another half brother called Capt. Fairfield, was awarded the First Premium at the State Fair in Ohio, and was spoken of in their report as the best horse for general use. (See report now in my possession.)

Hence it is plain to be seen, that he is of a family of the best stock of horses for speed and size in Central Ohio. His colts, when grown, are large, well formed, with good action and fine style, and bring the highest price for the Eastern market.

TERMS—$25 the season, in U. S. coin. P. O. address, Ashland Mills, Ogn.

REDINGTON & CO'S

ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.
