THE OREGON SENTINEL.

SATURDAY MORNING, June 20, 1868.

THEATRICAL.—The Wilton troupe returned to California on Tuesday last, after playing here for five nights, to crowded houses on every occasion. It is conceded by every person that this troupe has been more worthy of patronage, and has given more pleasure and gratification than any other that has ever visited Jacksonville. Mr. W. and his accomplished lady possess more histrionic talent than is frequently found among those who claim to be stars; and as a comic actor, Mr. Clinton is hard to beat. On Monday they repeated the thrilling drama of "Ten Nights in a Bar Room, by request to a densely packed house; and the exquisite performance of Mrs. W. affected many of the audience very visibly. Mrs. Wilton's recitation of "Shamus O'Brien" was splendid; and in every character where the strong, warm love of woman, or woman's bitter, scornful hatred was to be shown, her acting was truthful and natural. It is the intention of Mr. W. to return here in the Fall with a much larger Company, and there is little doubt but what he will be again well received by the generous and pleasure-loving people of this place.

KLAMATH LAKE.—We learn that about 2,000 acres of land has been fenced in at the Indian Agency. About 140 acres was sown in wheat and oats this Spring, and it is said the crops look splendid. Settlers are flocking into the Klamath Basin from every direction, and parties are about taking out the machinery for a saw mill from this valley,—the mill to be located at the Falls of Link river.

CAPTAIN SPRAGUE.—The friends of Capt. Sprague will be glad to learn that he has turned up. It appears that he was driving out a large band of sheep to Link river, and when near "Brown's," was attacked with fever, which probably unsettled his mind for a short time. He was found at Stearn's in so exhausted a condition that he was unable to sit on his horse, but is now recovered and well.

NEW STOCK.—We stepped into the new store of Messrs. Hoffman & Klippel this week and found them opening a new and splendid stock of Stoves and Hardware. They have all the appliances for Tin and Sheet-Iron working, and are prepared to furnish anything in their line at greatly reduced rates. Call and see them under the Odd Fellows' Hall.

WARM.—"Old Sol" has been coming down at a fearful rate during the week, making things unpleasantly warm. His namesake—Sol. (Farren), of the El Dorado—came down on Thursday with a pitcher of Sherry Cobbler and cooled the printers off. Thank you, Sol.; every time we see a warm and dusty fellow, we will recommend him to "cool off" at the El Dorado.

NEEDED.—Our neighbor points the necessity of a public hall in this town and we agree with him that it is much needed. The crowding and jamming at school exhibitions, public entertainments and meetings is always very unpleasant and it seems as if the investment necessary to put up a suitable building, would be well repaid.

SALE OF QUARTZ MINE.—The Ballou lead, now being worked by the Occidental Quartz Mill, has been sold to Max Muller, of the firm of Muller & Brentano. The amount paid is not made public, but it is thought Mr. Muller has "a good thing."

GOOD YIELD.—The last run of rock crushed at the "Occidental," from the Ballou lead, yielded $11 50 per ton. There is plenty of rock in sight, and the indications are that it will increase in richness.

SCHOOL EXHIBITION.—There will be a public exhibition by the pupils of the Catholic Seminary at the Court House on Thursday evening next. From the programme of exercises, it promises to be a brilliant affair.

SODA WATER.—Messrs. Sutton & Stearns, at the City Drug Store, have refitted their soda fountain, and can now furnish the most delicious drink to be had in town. Don't take our word for it—try it.

TEAMING.—The town has been filled with teams, arriving and departing during the present week, and strangers say that Jacksonville is the busiest town between Sacramento and Portland.

J. AND M.—SAINT MARY'S ACADEMY—The examination of the pupils will take place in the Court House, Wednesday, 24th inst. Exercises commence at 9 o'clock a. m. and 2 o'clock p. m. Exhibition Thursday, 25th inst., commencing at 6 o'clock, p. m. The public is most respectfully invited to attend.

SOMETHING NICE.—We took a ride in Comstock & Cawley's new barouche this week and found it just the nicest thing in town. We do not ask any one to take our word, but try for themselves.

SPRINKLING.—Jim Cardwell is doing good service in the streets of Jacksonville with the sprinkler during the present warm spell. May it never run dry.

NEW.—John Bilger is receiving a new and large stock of hardware and everything else in his line at the old stand, next to Sachs' Bros.

MORE IMPROVEMENTS.—John Dick is about to put a saloon building on Oregon Street, between Dunlap's shop and the Arkansas Stable.

HAYING.—Mowing has commenced in the valley, and new hay is plenty at $12 to $15 per ton.

RELIGIOUS services to-morrow at the Catholic Church at 10½ a. m. by Rev. Father Blanchett.

RIPE cherries are very abundant in this market.

CHEAP.—We hear that flour is selling here at $20 per thousand pounds.

FROM the subscriber, at Hunter's old ferry, one horse of a light bay color, with a star in his forehead and a tip of white on the nostrils, heavy build and heavy short neck, with saddle and sinch marks, and hair shaved off by breeching; heavy black mane and tail, the latter reaching about to the hocks. Also a dapple bay mare of longer and lighter build than the horse, with no white plainly visible, likewise shaved with the breeching, with tail cut off square, with neck long and light; age six years old. The horse is six or seven years old and will jump a low fence.

Any person finding the above described horse or mare and will bring them to the owner or send him to the owner will be liberally rewarded. Any person wanting to send word to me direct to Rock Point, Jackson Co., Ogn.

GREAT EXCITEMENT!

A

Majority of those who read newspapers never even give a hasty glance at a business advertisement, and if a

FOUND

It best simply to invite everybody to call and examine our stock of goods and list of prices before purchasing elsewhere, and say but little in regard to our ability and determination to make it advantageous to those who are not

The Celebrated Horse,

CAPT. SLIGART

WILL STAND AT THE LIVERY STABLE of Comstock & Cawley, in Jacksonville, on Tuesday's and Wednesday's, and at the ranch of the subscriber, near Ashland Mills, Jackson County, Oregon, on Friday's and Saturday's, the ensuing season, commencing April 7th, and ending July 1st 1868.

I purchased Capt. Sligart, in Licking County, Ohio, and brought him out via Panama, in the Spring of '66. He is a beautiful, dark dapple bay; has weighed 1,440 pounds, and trotted his mile in 2 m. and 42 sec; has never been trained to any great extent; is near perfect in his proportions, of the finest style—in muscular power is remarkably well developed; is a horse of first class action, and was, by the best horse men, acknowledged to be the most perfect formed horse in Ohio, for speed as a trotter and size.

PEDIGREE:

His sire was a large, beautiful "Sir Thomas Hoffer;" g. sire a well bred turf horse, known as Woodward's Sir Thomas;" he by Diamond, jr., and he by Imported Diamond. His dam was a well bred "Farmer's Delight," and in the county has ever stood unequaled as a Roadster and mare for general purposes.

CAPT. SLIGART is a half brother of Capt. Fisher, now owned in California. No stallion of his size has equaled his time as a trotter. He is also a half brother to Mell-Brook, of Cincinnati, Ohio, who has shown a gait that stands unrivaled in the annals of trotting time; also a half brother to the celebrated Lady Lightfoot, of Chicago, Polly White of San Francisco, and Wild Bill, of Buffalo. I learn that another half brother called Capt. Fairfield, was awarded the First Premium at the State Fair in Ohio, and was spoken of in their report as the best horse for general use. (See report now in my possession.)

Hence it is plain to be seen, that he is of a family of the best stock of horses for speed and size in Central Ohio. His colts, when grown, are large, well formed, with good action and fine style, and bring the highest price for the Eastern market.

TERMS—$25 the season, in U. S. coin. P. O. address, Ashland Mills, Ogn.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.
