THE OREGON SENTINEL.

SATURDAY MORNING, July 11, 1868.

COUNTY OFFICERS QUALIFIED.—Last Monday the county officers elect filed their bonds and entered upon the duties of their offices as follows: Max Muller, County Treasurer, bond $20,000; sureties, A. & N. Fisher, John Orth, John Bilger, C. C. Beekman and M Hanley. Thos. G. Reams, Sheriff, bond $10,000; sureties, John S. Drum and J. B. White. W. H. S. Hyde, County Clerk, bond $10,000; sureties, John Ross, Jas. T. Glenn and Alex. Martin. Josiah Hanna, Assessor, bond $5,000; sureties, D. Linn and John Ross. E. H. Greenman, Coroner, bond $3,000; sureties, A. Tenbrock and Joseph H. Davis. J. R. Wade, Justice of the Peace, Jacksonville Precinct, bond $1,000; sureties, John S. Drum and John Orth. George Ratrie, Justice of the Peace, Jacksonville Precinct, bond $1,000; sureties, N. Fisher and L. T. Davis. G. M. Banks, Constable, Jacksonville Precinct, bond $1,000; sureties, H. Klippel and John Orth. Jas. Flood, Constable, Jacksonville Precinct, bond $1,000; sureties, D. Linn, Jas. T. Glenn and John Neuber.

HEAVY ROBBERY.—On Wednesday night, 8th inst., the safe of Mr. Dan Levens, of Galesburg, between Grave creek and Canyonville, was robbed of about $10,000. Mr. Levens was absent from home, and the scoundrels entered the window of his wife's room, stole the key from her pocket, and emptied the safe of every dollar. From their mode of operation, it is probable that the robbers were thoroughly acquainted with the premises and with Mr. Leven's business. It is a severe blow to Mr. L., as it has all been accumulated by patient industry, and it is to be hoped that the money may yet be recovered. There is yet no clue to the thieves.

BRASS BAND ORGANIZED.—Several of the citizens of this town met this week and organized a brass band. We give a list with the instruments played by each: Jas. Lance, leader, and B flat horn; Allen Smith, E flat horn; Fred. Lay, B flat coronet; Geo. P. Funck, B flat alto; John Simbuski, E flat alto; John Dick, E flat tuber; Geo. Brown, Bass Drum; Jas. Dick, Tenor Drum. Each of the above named gentlemen are experienced musicians, and only need practice playing together before they will be able to execute fine music.

SUICIDE.—Mr. M. Colwell, stage proprietor, informs us that a German, whose name Mr. C. did not remember, committed suicide at Linn's hotel, in Kerbyville, last Monday morning. The deceased had broken a leg about eight months since, which was attempted to be set by Dr. Osborne, but the operation proved to be a splice and never got thoroughly well. A purse of about $300 had been made up for him, and he was intending to go to San Francisco soon.

EFFORTS TO KEEP COOL.—It is remarkable to what measures one resorts during such warm weather as we have experienced this week that a pleasant temperature and temper may be obtained. Some resort to Sutton & Stearn's soda fountain, some to sherry cobblers at Pape's, others try lager at Veit Shutz, while we heard one of our friends declare his intention to go to Hoffman & Klippel's and get a pair of candle moulds to try and save a part of the wreck.

ACCIDENT.—One of Mr. Hopkins little girls was on horseback last Wednesday evening, when the animal reared up and fell backwards on the rider and hurt her severely. Dr. Grube attended her. It is now thought no serious injury will result.

VEXATIOUS.—Our neighbor is sorely tried this week by the non-arrival of his stock of paper from Crescent City, which he ordered over a month ago. Such misfortunes try the patience of the newspaper publisher to the fullest extent.

COTILLION BAND.—Messrs. J. Dick, F. Lay, Adam Smith, Jas. Lance and Geo. Brown have organized themselves into a string band, and will be able to furnish the best of music for balls and parties.

NEW VOLUME.—The San Francisco *Mining and Scientific Press* has entered upon its 17th volume, and comes to hand this week with a new and beautiful head.

THE KLAMATH EXPRESS will come to Jacksonville after this date, instead of going to Yreka.

NEW BUILDING.—H. Breitbarth has purchased the lot on the corner of Oregon and "C" street, opposite C. W. Savage's, and is going to build a dwelling house thereon.

IN THE THRESHING BUSINESS.—Mr. W. A. Owen has purchased a header and threshing machine, and is prepared to do harvesting and threshing on a grand scale.

RICH POCKET.—A very rich streak of pay quartz was struck in the Timber Gulch lead last week. The rock was sacked at the lead and thus taken to the mill to prevent loss.

IN POSITION.—The District School bell was hung in the cupola of the school house, last week. It is a fine toned bell and can be heard at a great distance.

IN TOWN.—Lt. J. F. Small, of Fort Klamath, was in town this week on business connected with the Quartermaster's department at that post.

NEW STORE.—Dr. J. P. Parker has returned from San Francisco with a large stock of dry goods, which he offers to the trade at wholesale.

NEW ROAD.—The road to the quartz mill was finished this week. A trip to the quartz mill is now one of the most pleasant drives in this vicinity.

WOOL.—Messrs. Glenn, Drum & Co., have been baling wool this week, preparatory to shipping to San Francisco.

DEPUTY SHERIFF.—T. G. Owen has received the appointment of Deputy Sheriff.

A REPUBLICAN State Convention will be held at Sacramento on August 5th, for the purpose of nominating an electoral ticket.

THE contract to furnish Fort Klamath with bacon has been awarded to Messrs. Sachs Bros.

REDINGTON & CO'S

ESSENCE OF JAMAICA GINGER.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the reactionary effects of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.

It is also valuable as an external application for gout, rheumatism, neuralgia, etc.

Stop that Coughing!

Some you of can't; we pity you. You have tried every remedy but the one destined by its intrinsic merit to supersede all similar preparations. It is not surprising you should be reluctant to try something else, after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but

Newell's

PULMONARY SYRUP

Is really the VERY BEST remedy ever compounded for the cure of coughs, colds, sore throat, asthma, whooping cough, bronchitis and consumption. Thousands of people in California and Oregon have been already benefitted by the surprising curative powers of
