

**BLACKSMITH SHOP BURNED.**—The blacksmith shop of Mr. German, living in Sam's Valley, was burned about one o'clock on Sunday morning last. The building was without doubt fired by an incendiary. Mr. D. C. Livingston and Cyrus Jackson have been charged with the crime and arrested. The evidence against both parties is circumstantial, and we cannot believe that Mr. Livingston had anything to do with the burning. It is doubtless a plot laid by his enemies to annoy him. Mr. L. has always sustained the highest reputation for honesty possible for a citizen to have.

Since writing the above, we learn that Mr. Livingston was bound over to answer at the November term of the District Court.

**TUNNEL CAVED.**—The tunnel which Messrs. Fox, Patty & Co., had run into the hill channel at Waldo, in Josephine County, crushed the timbering and caved in lately. Where it broke, the ground was over a hundred feet deep, and the opening at the top is about fifty feet across. The workmen came very near being caught under the great mass of earth but luckily escaped. The company have gone back and commenced running in again—this time at a point where they will not have so far to go as they did in the old tunnel. This accident is not a total loss as they were intending in any event, to make an opening from the top and run another tunnel this Fall. Their mine prospects well.

**ALLEGED ASSAULT.**—John Moon, of Sam's Valley, was arrested on Wednesday of last week on charge of assault with a dangerous weapon, and had his examination on Tuesday last, before Esquire Harris. The evidence was that Noah Smith insulted him by throwing a quid of tobacco in his face, whereupon Moon presented a pistol in self defence. The accused was discharged.

**NEW ARRANGEMENT.**—It is whispered that the Honorable Board of County Commissioners intend to inaugurate a new system in the County Hospital. The physician who takes charge will be required to bury, at his own expense, every unfortunate patient who "pegs out" under his care. As the burial expenses would be about twenty-five dollars, it is probable that their lives would be saved as a matter of economy.

**THE MODOC TRIBE.**—An order from the Headquarters of this Military Department has been received at Fort Klamath regarding the Modoc Indians. The tribe are to be treated as hostile Indians until they see fit to come in and stay on the reservation. So we are informed by Mr. Alex Miller, who arrived from the Post on Tuesday.

**STILL UNSETTLED.**—Mr. Dugan writes us from Crescent City, that the Indian difficulty on the lower Klamath is not yet settled. Captain Pollock has sent to San Francisco for another company of soldiers, and has two Indians from each tribe hunting for the murderer of Mr. Bryson.

**GOLD NUGGET.**—Mr. M. H. Chapin exhibited to us this week a nugget of gold taken from his claim on Pleasant Creek, which weighed 104 ounces. This is the second piece he has taken out this season. The first found weighed a dollar more than this piece.

**DRAMATIC CHRONICLE.**—This lively San Francisco daily has entered on the eighth volume. It is edited with splendid ability, and like a star of the first magnitude among the newspaper literature of this coast, it is too brilliant to be dispensed with—may it never peg out.

**GOOD BURN.**—Peacock has just burned a kiln of about 500 bushels of splendid lime on Jackson creek, warranted to be the best building lime in the State.

**HOMEWARD BOUND.**—Mr. Dowell's name is on the list of passengers that sailed from New York on the 24th inst. He may be expected to arrive here about the 24th of August.

**CIRCUS.**—In another column, will be found an advertisement of Stickney's Circus, which performs here to-night. This is a large troupe and has the reputation of giving a good performance.

**ST. MARY'S ACADEMY.**—The first quarter of the Sister's School commences on Monday, Aug. 10th.

**MONEY RECOVERED.**—Mr. Levens, of Cow Creek, has been lucky enough to recover the \$9,000 stolen from his safe a few weeks ago by Chinese Tom, except about \$1,100, which was probably paid to a confederate. The offer of \$1,000 reward had put a number of men on the track of the robber, and on Sunday last he was captured, after being shot and badly wounded by F. A. Davis, on Rogue River, near the mouth of Galice Creek. Another Chinaman who was camped with him was fired on several times, but escaped to the brush. Tom stoutly refused to tell where he had buried the money, but after suffering severely for several days he sent for Mr. Levens and told him the money was cached on Grave Creek. He was carried over from the river to the creek but it was found that he was lying, probably to gain time for the confederate who escaped. On being told that his partner had been killed, he then said the money was buried on Rogue River where Davis had captured him. It was found there, but minus the amount mentioned. Tom was shot through the body and it is not very likely that he will recover to trouble the courts, and Mr. Levens may consider himself fortunate in recovering any portion of his money. The other can scarcely escape. He has only one ear, is badly pock marked, and as he has the balance of \$1,100, his capture would be worth something.

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise, for whilst it imparts to the system all the glow and vigor that can be produced by brandy, it is entirely free from the re-actionary effects of spirits of any kind.

It is also an excellent remedy for female who suffer from difficult menstruation; giving a most immediate relief to the spasms that so frequently accompany that period. It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness, or other causes.
