THE OREGON SENTINEL.

SATURDAY MORNING, Aug. 8, 1868.

L. P. Fisher, 20 & 21 New Merchant's Exchange, is our only authorized agent in San Francisco. For Eastern Advertising, Mr. Fisher is represented by S. M. PETTENGILL & Co. of New York and Boston.

SHALL WE SELL.—We understand that Father Blanchet has made a proposition to the County Commissioners to purchase the Court House building and move it on their lot for a school house. Inasmuch as the building is not suitable for a Court room, we believe it would be good policy to sell and build again. A new house will be necessary ere many years, and if the county can sell the present building for a fair price, we think the county should dispose of the old house and apply the money toward a new one.

CLOAK MAKERS' RETURNS.—We copy the following from the *Alta*: The cloak manufacturers of San Francisco, according to the returns of the Internal Revenue for the months of April, May and June, show the following sales:

Meyer Jonasson & Co	$31,000
S. Rosenblatt	8,000
Meyer, Wurkheim & Co	6,000
M. Morgenstern	1,000

San Francisco, July 24, 1868.

SMOKE.—It is very common for parties going into the mountains, to set the whole country on fire. This we think very wrong. It not only kills the timber but also fills the vallies full of smoke, thereby rendering it very unhealthy. We have no doubt that many of the summer diseases are greatly aggravated by the smoky atmosphere.

OVERLAND MONTHLY.—We have received the August number of this new publication, and find it equal in every respect to the first number. It is a well conducted magazine and should receive the liberal patronage of the Pacific Coast at least. Published at San Francisco, by A. Roman & Co., at 4 dollars per year.

PORTLAND ACADEMY.—We have received the catalogue of this school for 18 67-8, from which we learn that the attendance during the year has been 175. This school is one of the best in the State and under the efficient management of Prof. Gatch, it is steadily gaining in the confidence of the public.

FOUR CARCASS.—One day this week Mr. F. Heber was riding through an oak grove, when his horse passed so near a tree that his left foot was severely bruised by coming in contact with the tree. He says he rode on and did not look back to see whether he had given it h—l or not.

STAGE ROBBERY.—Last Sunday, the 2d inst., as the stage carrying the mail and express matter was passing over the Blue Mountains, in Eastern Oregon, it was stopped by robbers, and Wells, Fargo & Co's treasure box was opened and the sum of 7,000 dollars in gold dust and bullion was taken.

NEW SADDLE SHOP.—Messrs. Watt & Johnson have started a saddle and harness shop on Oregon st., above Main. They have not yet got a very extensive stock manufactured, but ere long their shop will present an attractive appearance.

ON A VISIT.—Scott, editor of the *Oregonian*, was in town this week. He came out on a trip for recreation, and will visit the Coast counties before he goes back. The *Oregonian* under his management is by far the best paper in the State.

QUARTZ CRUSHING.—Messrs. Funck and Cummins are having rock drawn from their lead, on the left hand fork of Jackson Creek, to the Occidental Mill which commenced crushing yesterday.

REAL ESTATE TRANSACTION.—Dr. F. Grube has purchased Henry Judge's residence, on the Corner of 5th and D. Streets. Consideration fifteen hundred dollars.

AUCTION SALE.—Attention is called to J. P. Parkers add in another column. He is bound to sell his large stock of goods, preparatory to getting up his fall stock.

YREKA JOURNAL.—This excellent Union paper has entered on its sixteenth volume. It is the best paper in California north of Marysville, and we wish it continued prosperity.

MOVED.—Mr. John Dick has got established in his new saloon, on Oregon st., above Main.

WEATHER.—The thermometer in the shade on Sunday last ranged from 108 to 111 degrees. It has cooled off a very little since.

BLIND TROUPE.—We went last night to the performance of this company and was agreeably surprised. The entertainment was much better than we had expected. They perform again tonight, and although they had a large house last night, we hope they will have a larger.

BRICK.—Mr. P. Fehely yesterday finished burning a kiln of 250,000 brick. He burned a small kiln of 125,000 earlier this season.
