

Republican National Platform adopted at Chicago, May 21st, 1868.

1st. We congratulate the country on the assured success of the Reconstruction Policy of Congress as evidenced by the adoption in a majority of the States...

2d. The guarantee by Congress of equal suffrage to all loyal men in the South, was demanded by every consideration of public safety, gratitude and justice...

3d. We denounce all forms of repudiation as a national crime, and national honor requires the payment of the public indebtedness...

4th. It is due to the honor of the nation that taxation should be equalized and reduced as the national faith will permit.

5th. The national debt, contracted as it has been for the preservation of the Union for all time to come, should be extended over a fair period, and it is our duty to reduce the rate of interest thereon whenever it can be honestly done.

6th. That the best policy to diminish our burden of debt is so to improve our credit that capitalists will seek to lend money at lower rates...

7th. The Government of the United States should be administered with the strictest economy. The corruptions which have been so shamefully nursed and fostered by Andrew Johnson, call loudly for reform.

8th. We profoundly deplore the untimely and tragic death of Abraham Lincoln, and regret the succession of Andrew Johnson in the Presidential Chair, who has acted treacherously to the people who elected him...

9th. The doctrine of Great Britain and other European powers that, when a man is once a subject he is always a subject, and is to be held in subjection by the United States as a relic of feudal times not authorized by the law of nations...

10th. Of all who were faithful in the trials of the late war, there were none more faithful for special honor than the brave soldiers and seamen who endured hardships of camp and cruise and imperiled their lives in the service of their country...

11th. Foreign immigration in the past has added so much to the wealth and increased resources of this nation, the asylum of all nations that it should be fostered by a liberal and just policy.

12th. The Convention declares its sympathy with all oppressed people who are struggling for their rights.

The following additional resolutions were offered by Mr. Thompson, and adopted: Resolved, That the adjournment of this Convention shall not work dissolution of the same...

By Carl Shutz: Resolved, We highly commend in a spirit of magnanimity and forgiveness the men who have served in the rebellion and who are now frankly and honestly co-operating with us in restoring peace to the country...

A Good Toast.—The Territorial Enterprise says that a few nights ago a party of gentlemen were seated over a bottle of "Krug" in a saloon in that city, and good humor ruled the hour. Political sentiments were freely discussed, and after several toasts had been drunk a gentleman remarked, "I'm an Irishman and a Democrat. Give us a toast."

Rev. M. A. Williams, of Southern Oregon, has been spending a short vacation in and near San Francisco. His application to his duties has been close and protracted, and the period of rest which he allowed himself was much needed. He officiated last Sunday in Calvary Church, with much acceptance.

HELMBOLD'S BUCHU!

THE ONLY KNOWN REMEDY FOR DIABETES

IRRITATION OF THE NECK OF THE BLADDER, INFLAMMATION OF THE KIDNEYS, CATARRH OF THE BLADDER, STRANGURY OR PAINFUL URINATING.

FOR these diseases, it is truly a sovereign remedy, and too much cannot be said in its praise.

PHYSICIANS, AND OTHERS PLEASE NOTICE.

I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubebs and Juniper berries, selected with great care, prepared in vacuo according to the rules of PHARMACY AND CHEMISTRY.

These ingredients are known as the most valuable Diuretics afforded.

A DIURETIC Is that which acts upon the kidneys.

HELMBOLD'S EXTRACT BUCHU ACTS GENTLY.

Is pleasant in taste and odor, free from all injurious properties, and immediate in its action.

FOR THE SATISFACTION OF ALL See Medical Properties contained in Dispensary of the U.S., of which the following is a correct copy:

"BUCHU." Its odor is strong, diffusive, and somewhat aromatic, its taste is bitterish, and analogous to that of mint. It is given chiefly in complaints of the urinary organs, such as Gravel, Chronic Catarrh of the bladder, morbid irritations of the bladder and Uterus, diseases of the Prostate, and retention of the Urine, from the loss of tone in the parts concerned in its excretion.

FOR FURTHER INFORMATION, See Professor Dever's valuable works on the Practice of Physic.

See any and all standard Works on Medicine. [Dr. Keyser is a physician of over thirty years' experience, and a graduate of the Jefferson Medical College and of the University of Medicine and Surgery of Philadelphia.]

Mr. H. T. Helmbold—Dear Sir: In regard to the question asked me as to my opinion about Buchu, I would say that I have used and sold the article in various forms for the past thirty years. I do not think there is any form or preparation of it I have not used or known to be used, in the various diseases where such indicate agent would be indicated.

I have seen and used, as before stated, every form of Buchu—the powdered leaves, the simple decoction, tincture, fluid extract, and I am not cognizant of any preparation of that kind at all equal to yours. Eighteen years experience ought, I think, to give me the right to judge of its merits, and without prejudice or partiality, I give your preparation over all others.

I value your Buchu for its effects on patients. I have cured with it, and seen cured with it, more diseases of the bladder and kidneys than I have ever seen cured with any other Buchu, or any other proprietary compound of whatever name.

Respectfully yours, &c., GEO. H. KEYSER, M. D., 140 Wood Street, Pittsburg Penn., August 11th, 1868.

Genuine Preparations, and knowing that the intelligent refrain from using anything pertaining to Quackery, or the patent medicine order—most of which are prepared by self-styled doctors, who are too ignorant to read a physician's simplest prescription, much less to prepare Pharmaceutical preparations.

These Parties Resort To various means of effecting sales, such as copying parts of advertisements of popular remedies and finding with certainties. The Science of Medicine stands simple, pure, majestic, having fact for its basis, induction for its pillar, and Truth alone for its capital.

A Word of Caution. Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to others besides the manufacturer.
