Religious Notices.

Services at the Methodist Church to morrow at 11 o'clock by Rev. M. A Williams.

Rev. Father Blanchet will hold services at Catholic Church to-morrow at the usual hour.

SAD AFFLICTION.—On Thursday last, Lewellyn, the eldest child of Hon. O. Jacobs, was laid where the gray-haired sire, the matron, the stricken maiden and the innocent babe are laid together in common equality. Yesterday bright-eyed and buoyant with youthful hope and vigor—to-day the little pilgrim's feet tread the silent shores of eternity. But a few days since, a bud of brilliant promise to his parents—now but a withered flower folded in the sombre wings of the great destroyer, a moldering wreck of poor mortality. Little Lewellyn was an unusually bright child, and his loss falls heavy on the stricken parents, who have the warm sympathy of this community in their bereavement.

SUBMERGED PUMP.—The new submerged pump just placed in the well of C. C. Beekman at the Express Corner is a success. It will throw a stream of water across the street to the roof of Horne's Hotel and can never freeze up. They are furnished by Hoffman & Klippell, at manufacturers price and freight and it always gives Mr. K. great pleasure to explain their many advantages.

THE STEAMER.—We learn from R Dugon Esq., of Crescent City, that the *Pacific* touched at that place on the morning of the 29th, but was unable to communicate with the shore on account of the roughness of the sea. She had considerable freight on board and a large number of passengers: the latter mostly cornish miners who come to work the Alta Copper mines.

WHOLESALE ROBBERY.—Sometime during this week Mr. Beekman discovered that some theives had been making free in his storehouse where his family's supply of groceries are kept. About twelve boxes of candles had been stolen and it was impossible to tell what quantity of other articles had been taken.

PETTY THEFTS.—Last week some scoundrels made a raid on Mrs. Ulrich's clothes line and stole a large amount of valuable clothing, and during this week three fine large geese were stolen from Jim Cardwell's on the school house knoll. Some rascals were surely spoiling for a charge of buckshot.

HEAVY DAMAGES.—Hyman Abrahams of Canyonville, who lost his leg by the upsetting of the Stage, North of Canyonville last August, has commenced suit against the company for one hundred thousand dollars damages. Able counsel have been retained on both sides and the suit promises to be an interesting one.

GIVE HIM A CHANCE.—The clever little "Anton" well known by the customers of Sachs Bros', has opened the neatest and best filled candy, toy, and variety store in town. His assortment is large and cheap and he asks for a fair share of patronage—give him a chance.

GRAND RAFFLE.—There is on Exhibition at Briedtarth's several elegant article of Silverware and two very fine ladies' watches, the whole valued at $400. They are to be raffled off on Christmas Eve—eighty chances at five dollars each.

PERSONAL.—2d. Lieut. Thos. McGarvey with six men of the 1st U. S. cavalry left for Fort Klamath on Sunday morning. He goes to take the place of Lieut Henderson who is under charges and soon to be tried by a Court Martial.

To Heads of Families.—Are your little ones subject to croup? If so, don't fail to use NEWELL'S PULMONARY SYRUP. A few doses given in time MAY SAVE THE LIFE OF A DARLING CHILD. Do not fail to have it on hand, if you would be safe and free from anxiety.

"In Time of Peace Prepare for War."—Get a bottle of DR. E. COOPER'S UNIVERSAL MAGNETIC BALM, an unequalled preparation for Dysentery, Diarrhea and Croup. The instantaneous relief of Burns, Bruises and Sprains.

Electro Silicon.—This curious and valuable substance is confidently claimed to be the BEST ARTICLE ever discovered for cleaning and polishing Gold, Silver and Plated Ware, and all smooth metalic surfaces, of whatever description, including Kitchen utensils of tin, copper, brass, steel, etc.

AMERICAN WALTHAM WATCHES.

PROOF OF THEIR SUPERIORITY.

Pennsylvania Railroad Co.
OFFICE OF THE GEN. SUPERINTENDENT, ALTONA, PA., Dec. 15, 1867.

GENTLEMEN: The watches manufactured by you have been in use on this Railroad for several years by our engine-men, to whom we furnish watches as part of our equipment. There are now some THREE HUNDRED OF THEM CARRIED ON OUR LINE, and we consider them GOOD AND RELIABLE TIMEKEEPERS. Indeed, I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never kept time as correctly, nor have they done as good service as yours.
In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.
EDWARD WILLIAMS, Gen. Superintendent, American Watch Company, Waltham.

N. Y. CENTRAL RAILROAD.
LOCOMOTIVE DEP'T., WESTERN DIVISION, ROCHESTER, Dec. 24, 1868.

GENTLEMEN: I have no hesitation in saying that I believe that the great majority of locomotive engineers have found by experience that WALTHAM WATCHES are the most satisfactory of any for their uses. They run with the greatest accuracy and steadiness, notwithstanding the rough riding of an engine, and, as I have never known one to wear out, they must be durable. I hope to see the time when railway companies will generally adopt your watches and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and safety. Yours respectfully,
CHARLES WILSON, G. Chief Engineer, Brotherhood of Locomotive Engineers.
