HOFFMAN & KLIPPEL.

Jacksonville, June 19th, 1868.

Beef Cattle Wanted.

THE undersigned will receive written propo-
sals for fresh beef at the Klamath Indian
Agency, until the 21st of December 1868.

Beef must be of good quality, delivered on
the block at the agency in quarters, the hide
and offal thrown in. One thousand pounds
will be required at each delivery, on the first
eleventh, and twenty-first of each month. The
quantity and time of delivery may be changed
in the discretion of the sub-agent in charge of
the Superintendent, but no change will be
made requiring a larger total amount of beef
in the period of the contract.

The contract will extend from the 21st of
December to the 11th of April, and the under-
signed reserves the privilege of extending it
one month longer, at his option.

He must state the price in currency. Propo-
sals calling for coin will not be considered.
They must be mailed to the undersigned at St.
Louis, Oregon.

J. W. PERIT HUNTINGTON.

A liberal share of the public patronage is

solicited.

PLYMALE & MANNING.

Jacksonville, Ogn., Oct. 17th.

MANHOOD.—IN THE YOUNG
and rising generation, the vegetative
powers of life are strong, but in a few years
how often the pallid hue, the lack-lustre eye,
and emaciated form, and the impossibility of
application to mental effort, show its baneful
influence. It soon becomes evident to the ob-
server that some depressing influence is check-
ing the development of the body. Consumption
is talked of, and perhaps the youth is removed
from school and sent into the country. This is
one of the worst movements. Removed from
ordinary diversions of the ever-changing scenes
of the city, the powers of the body too much
enfeebled to give zest to healthful and rural
exercise, thoughts are turned inward upon
themselves.

If the patient be a female, the approach of
the menses is looked for with anxiety, as the
first symptom in which Nature is to show her
saving power in diffusing the circulation and
visiting the cheek with the bloom of health.
Alas! increase of appetite has grown by what
it fed on; the energies of the system are pro-
strated, and the whole economy is deranged.
The beautiful and wonderful period in which
body and mind undergo so fascinating a
change from child to woman, is looked for in
vain; the parent's heart bleeds in anxiety, and
fancies the grave but waiting for its victim.

HELMBOLD'S EXTRACT BUCHU, for Weak-
ness arising from excesses or early indiscretion,
attended with the following symptoms: Indi-
position to Exertion, Loss of Power, Loss of
Memory, Difficulty of Breathing, General
Weakness, Horror of Disease, Weak Nerve,
Trembling, Dreadful Horror of Death, Night
sweats, Cold Feet, Wakefulness, Dimness of
Vision, Langour, Universal Lassitude of the
Muscular System, Often Enormous Appetite
with Dyspeptic Symptoms, Hot Hands,
Flushing of the Body, Dryness of the Skin,
Pallid Countenance and Eruptions on the Face,
Pain in the Back, Heaviness of the Eyelids,
Frequently Black Spots Flying before the
Eyes, with Temporary Suffusion and Loss of
Sight, Want of Attention, Great Mobility,
Restlessness, with Horror of Society. Noth-

ing is more desirable to such patients than
Solitude and nothing they more dread, for
Fear of Themselves; no Repose of Manner, no
Earnestness, no Speculation, but a hurried
Transition from one question to another.

These symptoms, if allowed to go on—which
this Medicine invariably removes—soon follow
Loss of Power, Fatuity, and Epileptic Fits, in
one of which the patient may expire.

During the Superintendence of Dr. Wilson
at the Bloomington Asylum, this said result
occurred to two patients; reason had for a time
left them, and both died of epilepsy. They
were of both sexes, and about twenty years of
age.

Who can say that these excesses are not fre-
quently followed by those direful diseases In-
sanity and Consumption? The records of the
Insane Asylums, and the melancholy deaths by
Consumption, bear ample witness to the truth
of these assertions. In Lunatic Asylums the
most melancholy exhibition appears. The
countenance is actually sallow and quite des-
tute—neither Mirth or Grief ever visits it.
Should a sound of the voice occur, it is rarely
articulate.

"With woeful measures was Despair Low
alien sounds their grief beguiled." Whilst we
regret the existence of the above diseases
and symptoms, we are prepared to offer an in-
valuable gift of chemistry or the removal of the
consequences: HELMBOLD'S HIGHLY CONCENTRATED
FLUID EXTRACT OF BUCHU. There is
no tonic like it. It is an anchor of hope to the
surgeon, and patient, and this is the testimony
of those who have used or prescribed it.

Sold by Druggists and Dealers everywhere.

Prepared at

H. T. HELMBOLD'S
Drug and Chemical Warehouse,
594 Broadway, New York.

RECOMMENDATIONS.

GREAT SALT LAKE CITY, UTAH,

Jan. 28, 1868.

Mr. H. T. HELMBOLD:

Dear Sir:

Your communication requesting our terms
for advertising was duly received, but from a
prejudice I had formed against advertising
"cures for secret diseases," it was left unan-
swered. During an accidental conversation
in a Drug Store my mind was changed on
the character of your Buchu. It was then
highly commended for other diseases by two
physicians present. Inclosed please find our
rates of advertising.

Yours, &c.

T. B. H. STENHOUSE,

Editor and Proprietor of Daily and

Semi-Weekly Telegraph.

N. Y. S. VOL. INSTITUTE,

Corner of 5th Ave. & 76th St.

Central Park.

(A Home and School for the Sons of

Deceased Soldiers.)

Dr. H. T. HELMBOLD:

Two bottles only of the package of your
valuable Buchu presented to the Institute
have been used by the children, and with
perfect success. In the case of our little
Lieutenant A. J., his pride is no longer mor-
tified, and he is free from the daily morning
anathemas of the chambermaid who has charge
of his bedding. I feel that a knowledge of
the result of our use of your Buchu with the
children under our charge may have many a
Superintendent and Matron of Boarding
Schools and Asylums a great amount of
annoyance; and many a poor child suffering
more from weakness than from habit, may be
spared punishment, that is (not knowing it as
a weakness instead of a bad habit) most un-
justly inflicted upon them. Thanking you on
behalf of the children, and hoping others may
be alike benefited.

I am respectfully yours,

COL YOUNG,

General Sup't, and Director.

June 16 1866.

JOHN BILGER,

California Street (between Oregon and

Third) Jacksonville.

J. P. PARKER.

Jacksonville, August 7th, 1868.

FRENCH MEDICAL OFFICE.

Dr. JULIAN PERREAU, Doctor of Medicine of
the Faculty of Paris, Graduate of the Univer-
sity of Lyons, and Physician of the St. John
Baptiste Society of San Francisco.

Dr. PERREAU has the pleasure to inform pa-
tients and others seeking confidential medical
advice, that he can be consulted daily at his
office, Armory Hall Building, Northeast corner
Montgomery and Sacramento streets, San
Francisco. Rooms No. 9, 10, 11, first floor, up
stairs, entrance on either Montgomery or Sacra-
mento streets.

Dr. PERREAU'S studies have been almost ex-
clusively devoted to the cure of the various
forms of Nervous and Physical Debility, the
results of injurious habits acquired in youth,
which usually terminate in impotence and ster-
ility, and permanently insulate all the con-
comitants of old age. Where a secret infirmity
exists involving the happiness of a life and that
of others, reason and morality dictate the ne-
cessity of its removal, for it is a fact that pre-
mature decline of the vigor of manhood, mat-
rimonial unhappiness, compulsory single life,
etc., have their sources in causes, the germ of
which is planted in early life, and the bitter
fruit tasted long afterward; patients, laboring
under this complaint, will complain of one or
more of the following symptoms: Nocturnal
Emissions, Pains in the Back and Head, Weak-
ness of Memory and Sight, Discharge from the
Urethra on going to stool or making water, the
Intellectual Faculties are Weakened, Loss of
Memory ensues, Ideas are clouded, and there
is a disinclination to attend to business, or even
to reading, writing, or society of friends, etc.
The patient will probably complain of Dizziness,
Vertigo, and that the Sight and Hearing are
Weakened and sleep disturbed by dreams,
melancholy, sighing, palpitations, faintings,
coughs and slow fever; while some have exte-
rior rheumatic pain, and numbness of the body.

Some of the most common symptoms are pain
in the face, and aching in different parts of
the body. Patients suffering from this disease,
should apply immediately to Dr. PERREAU,
either in person or by letter, and he will guar-
antee a cure of Seminal Emissions and Im-
potence in six to eight weeks.

Patients suffering from venereal disease in
any stage, Gonorrhea, Gleet, Stricture, Bubo
Ulcers, Cutaneous Eruptions, etc., will be treated
successfully. All Syphilitic and Mercurial
Taints entirely removed from the system.

Dr. PERREAU'S diploma are in his office
where patients can see for themselves that they
are under the care of a regular educated physi-
cian. The best reference given if required.

Patients suffering under chronic disease, can
call and examine for themselves. We invite
investigation; claim not to know everything,
nor to cure everybody, but we do claim that in
all cases taken under treatment we fulfill our
promises. We particularly request those who
have tried this boasted doctor, and that adver-
tised physician, till worn out and discouraged
to call upon us.

LOW CHARGES AND QUICK CURES.

Ladies suffering from any complaint incident-
al to their sex, can consult the doctor with the
assurance of relief.

FEMALE MONTHLY PILLS.

Dr. PERREAU is the only agent in California
for Dr. BRYAN'S Female Monthly Pills. These
pills are sold by all druggists, and their reputa-
tion is a female remedy, impregnable, and far in
advance of every other remedy for suppression
and irregularities, and other obstructions to
health, the result of excessive use of these pills
will be seen by their effect on the system, and
the result, which is from the purity of the
preparation.

Persons afflicted with a chronic disease, can
call and examine for themselves. We invite
investigation; claim not to know everything,
nor to cure everybody, but we do claim that in
all cases taken under treatment we fulfill our
promises. We particularly request those who
have tried this boasted doctor, and that adver-
tised physician
