**Religious Notices.**

Rev. Father Blanchet will hold services at Catholic Church to-morrow at the usual hour.

Services at the Methodist Church to-morrow at 11 o'clock, by Rev. M. A. Williams.

**BOARD OF HEALTH.**—For public information, we will state that the Board of Health here is at present composed of Messrs. C. C. Beckman, Jno. S. Drum, and Henry Klippel. The marshals are Asher Wall, J. B. Peacock and John Bonham. The board are entitled to great credit for their judicious and persistent efforts to preserve the health of the town, and we earnestly trust they may be crowned with success. The hospital on Kanaka Flat is conducted by Ed. Langly—that belonging to the county by Mrs. Roundtree, and so far they have both been singularly fortunate in their treatment of patients.

**FAITHFUL SERVICE.**—Amid the trials of the last two weeks there are several persons who have earned the admiration of this community. The two brave women, Mrs. Howlett and Miss Mary Halls, who have nursed Mrs. Love at the risk of their lives are entitled to public gratitude. The Catholic sisters, also, and Father Blanchet, have been faithful and devoted to the sick. In a time of public calamity, when a dreadful malady, that nearly dries up the springs of human affection, and drives away friends in affright, is raging, too much praise cannot be given to those who so nobly face the danger of contagion.

**SAD BEREAVEMENT.**—On Tuesday, Mr. and Mrs. Briethart, of this place, were called upon to part with their eldest child, an interesting girl of about three years. She was taken about ten days prior to her death with small-pox and a human care or solicitude could save her. A little pine coffin, containing all that was left of childish beauty and innocence, was taken away by two or three rough men; no scalding tears bedewed the last clods that covered the remains of the little sufferer and the frantic grief of the poor mother when her darling was thus carried away, is said to have been agonizing.

**DIED AT HIS POST.**—James Hubbard, who died of small-pox on Wednesday night was one of the Marshals appointed by the board of health, and undoubtedly contracted the disease in the discharge of his duty. He leaves a widow and three children, and his property is said to be in a very embarrassed condition. Under the circumstances, if the creditors are able, a quit claim to the widow and the helpless little children would be not only a noble act of charity, but a handsome recognition of the services of a man whose life was sacrificed in the discharge of a dangerous duty. Who will be first to say "aye"?

**MR. PEACOCK RECOVERED.**—There was much alarm this week when it was reported that one of the health marshals, Mr. Peacock, was attacked with small-pox. The report was incorrect, and the people are gratified at seeing him busy at his unpleasant and dangerous post again.

**JOSEPHINE COUNTY.**—We learn from Mr. Colwell, the Waldo mail contractor, that the miners in Josephine county are all busy. Water is plenty, much rain having fallen there, and the streams are generally much swollen.

**DEAD.**—The Rev. M. N. Stearns formerly of this county, and pastor of the Baptist Church at Santa Clara, Cal, died at that place on December 29th of small-pox.

**SUSPENDED.**—All business has been suspended at Ashland and Phoenix, the people of those places being seriously alarmed at the close proximity of small-pox.

**THE SILENCE OF THE GRAVE.**—Are your little ones subject to croup? If so, don't fail to see NEWELL'S PULMONARY SYRUP. A few doses given in time may save the life of a darling child. Do not fail to have it on hand, if you would be safe and free from anxiety.

**IN TIME OF PLAGUE PREPARE FOR WAR.**—Get a bottle of DR. E. COOPER'S UNIVERSAL MAGNETIC BALM, an unequalled preparation for Dysentery, Cholera and Ague. The instantaneous relief often given by this Balm.
