NOTES.

Proposals must be to carry the mail with "celerity, certainty and security," using the terms of the law, and they must be guaranteed by two responsible persons, certified to as such by a post master or judge of a court of record.

No pay will be made for trips not performed and for each of such omissions not satisfactorily explained three times the pay of the trip may be deducted. For arrivals so far behind time as to break connection with depending mails, and not sufficiently excused, one-fourth of the compensation for the trip is subject to forfeiture. Fines will be imposed, unless the delinquency be satisfactorily explained, for neglecting to take the mail from or into a post office; for suffering it to be injured, destroyed, robbed, or lost; and for refusing after demand, to convey the mail as frequently as the contractor runs, or is concerned in running vehicles on the route. The Postmaster General may annul the contract for disobeying the post office laws, or the instructions of the Department. He may alter the schedule of departures and arrivals and also order an increase of service by allowing therefor a *pro rata* increase on the contract pay. He may also curtail or discontinue the service in whole or in part, at a *pro rata* decrease of pay, allowing one months extra compensation on the amount of service dispensed with. Bids should be addressed to the "Second Assistant Postmaster General," superscribed "Proposals, State of Oregon, and sent by *mail*.

For forms of proposal, &c., and other information, see advertisement of this date, in pamphlet form, at the principal post offices.

ALEX. W. RANDALL,
Postmaster General.

MANHOOD.—IN THE YOUNG and rising generation, the vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eye, and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the everchanging scenes of the city, the powers of the body too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and visiting the cheek with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged The beautiful and wonderful period in which body and mained undergo so fascinating a change from child to woman, is looked for in vain; the parent's heart bleeds in anxiety, and fancies the grave but waiting for its victim.

HELMBOLD'S EXTRACT BUCHU, for Weakness arising from excesses or early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such patients than Solitude and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another

These symptoms, if allowed to go on—which this Medicine invariably removes—soon follow Loss of Power, Fatuity, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this said result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan Despair Low sullen sounds their grief beguiled." Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of chemistry in the removal of the consequences: HELMBOLD'S HIGHLY CONCENTRATED FLUID EXTRACT OF BUCHU. There is no cure like it. It is an anchor of hope to the surgeon and patient, and this is the testimony of those who have used or prescribed it.

RECOMENDATIONS.

GREAT SALT LAKE CITY, UTAH, Jan. 28, 1868.

MR. H. T. HELMBOLD:

Dear Sir:

Your communication requesting our terms for advertising was duly received, but from a prejudice I had formed against advertising "cures for secret diseases," it was left unanswered. During an accidental conversation in a Drug Store my mind was changed on the character of your BUCHU. It was then highly commended for other diseases by two physicians present. Inclosed please find our rates of advertising. Yours, &c.

Editor and Proprietor of Daily and Semi-Weekly Telegraph.

N. Y. S. VOL. INSTITUTE,
Corner of 5th Ave. & 70th St.
Central Park.
(A Home and School for the Sons of Deceased Soldiers.)

DR. H. T. HELMBOLD:

Two bottles only of the package of your valuable Buchu presented to the Institute have been used by the children, and with perfect success. In the case of our little Lieutenant A. J., his pride is no longer mortified, and he is free from the daily morning anathemas of the chambermaid who has charge of his bedding. I feel that a knowledge of the result of our use of your Buchu with the children under our charge may save many a Superintendent and Matron of Boarding Schools and Asylums a great amount of annoyance; and many a poor child suffering more from weakness than from habit, may be spared punishment, that is (not knowing it as a weakness instead of a bad habit) most unjustly inflicted upon them. Thanking you on behalf of the children, and hoping others may be alike benefited.

I am respectfully yours,
COL. YOUNG,
General Sup't, and Director.

FRENCH MEDICAL OFFICE.

DR. JULIAN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, Northeast corner Montgomery and Sacramento streets, San Francisco. Rooms No 9, 10, 11, first door, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc The patient will probably complain of Dizziness, Vertigo, and that the Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, and he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhea, Gleet, Stricture, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required

Patients suffering under chronic disease, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged to call upon us.

LOW CHARGES AND QUICK CURES.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

DR. PERRAULT is the only agent in California for DR. DIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 273, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc.

PACIFIC

BUSINESS

COLLEGE,

MECHANIC'S INSTITUTE,

POST STREET,

Between Montgomery & Kearny,

SAN FRANCISCO.

The importance of a thorough and practical business training for those who contemplate entering the mercantile profession, is too well known to require much comment. Without such knowledge, the young merchant will become involved in many embarrassments which might otherwise be avoided. The youthful aspirant will find himself surrounded by inextricable difficulties, both in seeking a situation, and in the discharge of its duties after employment is obtained. To have received instruction at a mercantile college, endorsed by the leading merchants of the city, is more effective in winning the favor and confidence of a business firm, than all the letters of introduction which friends can give. The

PACIFIC BUSINESS COLLEGE

maintains a reputation for thoroughness and systematic training, far surpassing that of any other similar institution on the Pacific coast. Most of the leading merchants of this city have employed graduates from this College, and bear testimony to the practical efficiency of the course here prescribed. The system of actual practice embraces all the varied operations of real business. A LADIES' DEPARTMENT has lately been added to this popular institute. The spirit of enterprise cannot fail to draw forth the well-wishes of the public.

Address for all information,

VINSONHALER & DELAGUNA.

A CARD.

We, the undersigned, merchants and business men of San Francisco, California, are of the present time employing men who have completed the prescribed course of study at the Pacific Business College, and we take pleasure in stating that we have found them well posted in accountantship and the general principles of business, showing conclusively that they have been subject to a thorough drill in those important matters, by experienced and competent instructors.

We cheerfully recommend the College as being in our opinion, an institution of intrinsic merit, and well worthy of the confidence and support of the community.
