

# THE OREGON SUN-INN.

SATURDAY MORNING, March 2, 1860.

L. P. FISHER, 20 & 21 New Market and Exchange, is our only authorized agent in San Francisco. For Eastern Advertising, Mr. Fisher is represented by S. M. FORTESCUE & Co. of New York and Boston.

**Hudson & Menet** are our only authorized Agents to the Atlantic States. Office, 41 Park Row, "Times" Building, New York City. All orders must come through them.

**CONTINUED.**—Not a drop of rain yet and the sky as bright and cloudless as an Italian Summer. The hills around us are as dry as in Autumn and trees have been bursting in the woods for several days. We hear of a number of wells that have dried up and of some springs, usually running till July, that have been drunk up by the thirsty earth. Some of our men assure us that there will be rain enough to irrigate crop, but it is only guess work and others think differently. Still it came we will all have reason to be very thankful.

A SUCCESS.—Miller's Velocipede is a decided success. The enterprising manufacturer has demonstrated that the thing can be ridden without any danger and has convinced the most sceptical that velocipede is well go if propely. Almost every evening this week we have had an exhibition and there is no longer any doubt in this community that the velocipede is bound to a popular means of locomotion.

**SMASH UP.**—On Sunday, one of C. & G. Cook & Cawley's buggies was considerately used up by a runaway horse. The animal had been left unattended and started to run. We will state that he was not one of C. & G.'s gentle steeds and that "Dad" is always ready to give a customer a safe and elegant turn-out at a moment's notice.

**ANOTHER CASE OF SMALLPOX.**—On Monday last Dr. Ousey was called to see a man named John Cross, who had been complaining for several days. He at once pronounced it a case of small-pox and the patient was at once taken to the pest House at Rock Flat. It is likely to be a severe case.

**Mining in Josephine County.**—We learn that the claims recently opened at Pickett's Camp are paying well. The ditch of Titus & Co. is not yet finished. In answer to the *Advertiser* we will remark that this Camp is situated on Pickett's Creek which enters the Rogue river about ten miles below Yoncalla's Ferry and it bids fair to be a very prosperous one.

**The \$1000.00 TAX.**—The amount of tax levied by the Board of Trustees at their last meeting, for special purposes, is \$745.25. It is to be applied to the payment of expenses incurred during the epidemic.

**SEVERAL ACCIDENTS.**—A few days since a man named George, a Frenchman, was thrown from his horse near Willow Springs, sustaining a very severe dislocation of the shoulder.

**CHANGE.**—A. Prater is now sole proprietor of the City Bakery, and he can always be found there with his smiling countenance, ready to dispense good things to his patrons.

**In Bloom.**—The peach trees in this vicinity are rapidly bursting into bloom and if there are no late frosts they will be heavily loaded with fruit.

**For Sale.**—Mr. Savage offers for sale one of the most desirable residences in Jacksonville. It can be had at a bargain price—see his advertisement.

**The Swallows and several other species of our little feathered friends have come back to us and seem very busy seeking places to build.**

**CHEAP.**—Goods are being sold at the old stand of Muller & Brentano at sacrifice.

**CHEAP.**—Sacks Bros' offer to sell for cost. They invite cash customers to call and see how well they can do.

**Good Bargains.**—Bilger is selling his stock very low. He offers bargains for cash.

**The new Town officers entered on their duties to day.**

**To Friends of the Poor.**—An offer of \$1000.00 to be given to the poor of the city, if the same can be collected, is made by SAMUEL HARRIS, a Gentleman of the city, to the effect that he may pay the life of a darling child. Do not let him have his hand, if you would be safe and free from sin.

**At Time of Peace Prepare for War.**—Purchase our COMPACT UNIVERSAL MAGNETIC BRACELET and you will never be disappointed. It is a powerful protection to the wearer. The instantaneous relief of Burns, Bruises and Sprains.

**Streets of Steel.**—This curious and valuable article is confidently claimed to be the BEST ARTIFICAL STEEL ever made, cleaning and polishing gold, silver and plated ware and all smooth metallic surfaces, of whatever description, including Kitchen utensils of brass, iron, steel, etc.

**COOT AND SHOE MAKERS.**—**NOTICE.**—Having disposed of our factory, we are now prepared to give our whole attention to our Leather and Shoe business. On hand, direct from France, Galf & Kip, Domestic Leather, Boot Legs, etc.
