

FOR THE PRESIDENCY IN 1868, ULYSSES S. GRANT, OF THE UNITED STATES.

DAVID LOGAN, OF MALTOMAH COUNTY.

O. JACOBS, OF JACKSON COUNTY.

W. BOWLEY, OF WASHINGTON COUNTY.

A. S. WEAUGHAN, OF UNION COUNTY.

JACKSON COUNTY UNION CONVENTION.

The Union voters of this county are requested to meet at their various places of voting on Saturday, May 23rd.

President Johnson is having his residence in Greenville, Tenn., repaired.

The Soldiers National Executive Committee have ordered a Soldiers National Convention to be held at the Chicago, about the same time as the National Republican Convention.

Logan does not desire the success of the Republican party at present.—Reveille.

How the thunder do you know, and when did Dave Logan make you his mouth-piece?

Our neighbor is perfectly ecstatic over the "harmonious" performance of the late Democratic Convention.

The Albany Democrat man says he has got the goat, the colic and the gravel.

It was at first supposed that the Democratic had overlooked the County Surveyor's office in selecting their candidates.

Our neighbor can't see why we devoted a column and a half to a review of Smith's speech and only a few dozen lines to that of Logan.

The Bread and Butter editor in this place has tried his hand at romancing.

ONE of the candidates on the Democratic Legislative Ticket was elected County Surveyor by that party in 1866.

Representatives of Democracy.

In last weeks issue of the Reveille we find the funniest thing we have ever read in that paper.

We look at the political record of nearly every man on the ticket, and find that the Democratic ship has been boarded by a crew that only want to ransack the cargo.

The Chairman of the Convention is a pretty specimen of a Democrat! Until 1855 his life was spent in fighting Democracy; from then to 1864 he was most anything.

In 1855, Louden, now on the legislative ticket, is said to have been a tearing, rampant Know Nothing, and now expects the votes of Irish and German citizens.

W. H. S. Hyde, the Reveille says, is an "awful staunch Democrat." We should say he was; let us take a look at him.

Plymale, our neighbor remarks, "is a man of no mean ability and determined in his adherence to Democracy."

for the office of Auditor and Recorder, but the young man and his democracy were too fresh, and he got beat.

The German and Irish citizens of this county are beginning to find out why their claims were so completely thrust aside by the Democratic Convention.

PLUNDER AGAINST PRINCIPLE.—Our Democratic friends in this county are split wide open.

REUNION AT ASHLAND.—The people of Ashland had an interchange of friendly feeling Thursday evening, April 30th.

COUNTY ROAD.—The County Court at the May term has ordered that a county road be laid out and opened from the saw mill at the Forks of Jackson creek.

CONVENIENT AND SIMPLE.—"Brown's Bronchial Troches" are a simple and convenient form for administering.

EAST OF THE MOUNTAINS.—We still continue to hear flattering accounts from the Eastern counties.

NEW STAGS.—The C. & O. S. Co. are now running the new two-horse stages from here to Yreka.

MORE TROUBLE.—Our Democratic friends are split up in Douglas county. There was a little "hogging" in the convention.

PECUNIARY ESTIMATE.—The Union men of Douglas county are betting all the money they can get taken on the election of Dave Logan.

The Plunderer's Appeal.

The following pathetic appeal was made by some of the Democratic Central Committee a few days ago:

OH! Songer dear, and did you hear The talk that's going round? They say our ticket's mighty weak, And it's daily losing ground.

THE ALBANY DEMOCRAT MAN SAYS he has got the goat, the colic and the gravel.

IT WAS AT FIRST SUPPOSED that the Democratic had overlooked the County Surveyor's office in selecting their candidates.

OUR NEIGHBOR CAN'T SEE WHY we devoted a column and a half to a review of Smith's speech and only a few dozen lines to that of Logan.
