REDINGTON & CO'S ESSENCE OF

This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs.

As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever, or otherwise; for while it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is each triefly free from the reactionary effects that follow the use of spirits of any kind.

It is also an excellent remedy for females who suffer from difficult measurements.
