Religious Notices.

Services at the M. E. Church to-morrow, at 11 o'clock by Rev. C. Alderson.

The regular meeting of the Board of Trustees of Jacksonville will be held on the third Tuesday in August.

A very large assortment of Hardware and agricultural implements can be found at Bilgers.

Clip out the list of State Land Selections, in to-day's issue, for future reference.

Baum has still a large stock of splendid staple goods on hand at the very lowest prices.

ONE GOOD CROP.—The corn crop in this county is excellent, the dry weather not having affected it.

We hear that Cawley & Reames are having a splendid hearse built in Yreka.

NEW PARTY.—The wedding of our friend Ed. DePeatt on Wednesday occasioned one of the nicest little dances of the season at Horne's.

LOW WATER.—It is said that Rogue River is now as low as it usually is in August.

PLEASURE SEEKING.—Several families will leave town next week for the mountains.

NO ITEMS.—The town is so unusually dull after the 4th that we are unable to furnish our readers with many local items.

NEW CONDUCTOR.—Max Brenano is now conductor in chief at the Railroad Saloon.

WINDMILL.—We notice that Mr. John Bilger has sunk a well and constructed a fine windmill on his place for irrigating purposes.

Mr. A. Tebbrock and Will Greenman arrived from Goose Lake on Thursday.

YELLOW JACKETS.—The very dry winter has given us a very prolific crop of "Yellow Jackets" this summer.

COUNTY FINANCES.—We are indebted to County Treasurer Muller for the following statement:

HEAVY RAIN.—The upper part of the valley was visited with a splendid shower of rain on Saturday and Sunday.

FEDERAL TAXES.—Deputy Collector Herman visited us during the week as per appointment.

WASHINGTON, JULY 9.—According to what was understood to have taken place in the cabinet to-day, the Mississippi election most probably will not occur until the fourth Thursday in November.

THE CIRCUIT COURT.—The Circuit Court for Jackson county adjourned on Thursday last.

BAD TASTE.—It is doubtful if indecency is admissible under any circumstances. In the presence of a minister of the gospel it is particularly out of place, and when exhibited wantonly and with an insulting purpose, it reflects little credit on him who shows it.

MURDER BY AN INDIAN.—On Tuesday morning about 10 o'clock, a shooting scrape came off at the cabin of "Umpqua Joe," on Rogue River.

SWEET DISCOVERY.—During the past month a settler in Sam's Valley has found ten "bee trees", some of them containing a large amount of wild honey.

THE IMMIGRANT AID MEETING.—The meeting at the Council Chamber Saturday evening, to take preliminary steps toward organizing a system for encouraging and promoting immigration to this State, was largely attended.

A committee of ten, consisting of Messrs. Goldsmith, A. M. Loryea, Philip Wasserman, W. W. Chapman, W. W. Upton, M. P. Deady, W. S. Ladd, S. M. Smith, Lloyd Brooke and Charles E. Cabot, were appointed to receive the Congressional Committee of Ways and Means, expected to arrive by the steamer Oriflamme, and to tender to them the hospitalities of the city.

Speaking of Indian affairs, the Unionist says: "All reports agree that the appointment of Quakers to Indian Agencies has proved a ridiculous failure. No one, acquainted with the treacherous disposition of the demoralized remnant of Indians now living, ever doubted that such would be the result.

The Yreka Journal says Klamath county Democrats are somewhat disaffected, which, with the departure of a number of Cops, and the arrival of a few Union men in Trinidad, may cause a change in that county at the coming election.

MARRIED.—DEPEATT—FIDLER.—On Wednesday the 14th inst., by Rev. Mr. Williams Mr. Edward DePeatt and Miss Antoinette Fidler.

ESSENCE OF

JAMAICA GINGER.

This valuable preparation, containing in a

highly concentrated form, all the properties of

Jamaica Ginger, has become one of the most

popular domestic remedies for all diseases of

the stomach and digestive organs.

As a tonic, it will be found invaluable to all

persons recovering from debility, whether pro-

duced by fever, or otherwise; for while it im-

parts to the system all the glow and vigor that

can be produced by wine or brandy, it is en-

tirely free from the reactionary effects that fol-

low the use of spirits of any kind.

It is also an excellent remedy for females

who suffer from difficult menstruation, giving

almost immediate relief to the spasms that so

frequently accompany that period.

It gives immediate relief to Nausea, caused
