#### Religious Motices.

Father Blanchet will hold divine ser-vices at the Catholic Church to-mor-ing very well. row at the usual hour.

FUNERAL.-The remains of Mr. J. F. Hauck will be buried at 2 o'clock, this afternoon. Services at the family residence.

ROAD CHANGED, -We notice that Mr. Wm. Bybee is changing the public road in front of his premises-locating it further east. We understand that the old road is not a legal one, never having been surveyed, but it has been recognized as a public thorough fare, and much labor has been expended on it. This being the fact, it is presumed that Mr. Bybee will put the new road in as good condition as the old; especially as the change is a matter of convenience to him, and immaterial to the public.

COME AND SER Us. - So say Sachs Bros., but they don't mean it. They don't invite a look at the good looking fellows round there, but at their goods. They have opened the largest and best stock ever brought here. Their goods have been selected with the usual care feathers for sale-just the thing for and judgment of that firm, and that is saying enough. They have 40,000 pounds more to arrive.

STAGE ACCIDENT,-A serious stage secident occurred north of Eugene City yesterday morning. The stage coming South was driven over the edge of a bridge, and a passenger named Chas. A. Miller had his arm broken. There were four passengers on board, one of whom was Judge Kelsay, who was badly bruised. Others escaped. The stage and horses were considerably injured.

FOR THE NORTH.-- Hon. O. Jacobs and family leave for Seattle on Monday next. They will go with many regrets on the part of their hosts of friends in this valley, and his Honor will carry with him the well wishes and kindly feelings of many a political opponent, What is our loss is a gain to Washington Territory, and we have no doubt his genuine worth will soon be appreciated there as here.

FULL STORK.-Hoffman & Klippel, Odd Fellows Hall, have the fullest and most complete assortment of goods in their line. They have any amount of tin, stove, and copperware, and a good supply of the submerged pumps, that are now used so extensively here.

NEW BARBER-SUOP .- Mr. More has opened a barbershop at Long's ald NEW stand, on Oregon street, and those who have tried him say he is the best hand that has ever been in this town. Give him a chance, it you do get shaved in the experiment.

REAL ESTATE SALE .- The Catholic Sisters of this place have purchased the bandsome residence of Mr. John S. Drum for an Academy. The purchase includes four sores of ground, the consideration being \$2,500. We understand that they do not take possession until spring.

Don't forget that Gen. Tom Thumb and Commodore Nutt with their respective better halves will be here on Monday, The are the smallest human beings in the world of their age, and a CLOTHS, sight at them will no doubt be worth something.

PLYMALE & MANNING will be glad to accommodate the traveling public with the best kind of feed and horse lodging; or their friends with a gay and safe turn-out. Go and see for your-

SWEET POTATOES. - Mr. Dunlap has raised quite a crop of this delicious tuber this year. They seem to be very little affected by the drought, and are finer flavored than those raised in wet

HOME AGAIN. - Mr. Dowell returned from the Supreme Court, on Saturday last. While north he visited Portland, and took a good look at the railroad operations. He thinks there is no doubt whatever of our having the road extended through the valley in good

SEVERE Accident .-- Our Monday last a little son of John Herron's, aged about six years, fell from a bridge while returning from school, and broke one of the bones of his right leg. It was set by his father, and is reported as do-

BUILDERS' Hardware, and every conceivable article in the metal line, can be found at Bilger's. He has a large stock, just arriving, and his assortment of agricultural implements is complete.

CHANGING COLOR.—The forest trees on the mountains round the valley are showing "the sere and yellow leat," and the weather-wise are predicting an early and severe winter.

FISHER & Buo, have their usual full stock of goods, and although they make no fuss they fear no competition, either in quality or price,

RELIABLE COLLECTOR - Attention is called to the eard of Mr. Wm. Davidson. He is acknowledged to be the best collector in Portland.

### Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.
Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, of the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
