WALTHAM WATCHES.

Let every one who wants a Watch, read this carefully. Especially if in some remote out-of-the-way place.

Now that the railroad is open, we propose to give the residents of Oregon an opportunity of getting single-genuine Waltham Watches at the

Lowest New York Wholesale Prices.

We sell more Waltham Watches than any other establishment in the country, either wholesale or retail; we send great numbers to every section of the country by Mail and Express, carefully packed, and in perfect running order. Our plan is this: You want a Watch, and see our advertisement, now, we want you first to write to us for our Descriptive and Illustrated Price List; we will send it, post-paid, by return mail. It explains all the different kinds, tells the weight and quality of the cases, with prices of each; you then make a selection of the kind you prefer, and send us your order. We will then send you the Watch by Express, with the full collection on delivery. We give instructions to the Express Company to allow you to open the package and examine the Watch; if it suits you, you pay, and take it; if not, you are under no obligation to receive it, and if it is broken and returned, we will refund the money.

REFUND THE MONEY.

As an indication of the Prices, we will quote one Watch from our list. The P. S. BARTLEY, Lever Movement, with Extra Jewels, Chromium Balance, Patent Pinion, Patent Dial Cap, and all the other late improvements, in a Solid Case Silver Case, \$28 in Greenbacks, or about \$20 in Coin. All the other kinds, both 14 and silver, in the same proportion. Do not order a Watch till you have sent for a Price List, as it contains a great deal of information regarding these Watches that will enable you to make an intelligent selection. Do not forget when you write, to state that you saw this advertisement in the OREGON SENTINEL, and you need not put in stamps for return postage. Address in full,

BY HON. J. ROSS BROWNE, Complete in One Large Octavo Volume of 574 pages, Price \$4.00

This is the Cheapest Work ever offered in this market to Subscription Agents, and it is contact with useful information, INVALUABLE TO MERCHANTS, FARMERS, MECHANICS, Etc., and is of deep interest to all classes.

Published by H. H. BANCROFT & CO. San Francisco Cal.

Many years ago, the writer of these lines and an invalid physician, while visiting the Island of St. Croix for their health, experienced and witnessed many surprising and beneficial effects of the Balm there produced upon many of the invalids who were (like ourselves) seeking health; and, upon inquiry and investigation, obtained a full history of its medicinal virtues. He was delighted and surprised, and after his own recovery, which soon occurred, determined, if possible, to procure the sole right to manufacture and sell it in the United States.

The result of his labors was a glorious success; for himself and suffering humanity, for the celebrated PLANTATION BITTERS was thus made known to the world. PLANTATION BITTERS being an article of real merit, founded upon now principles, and relying wholly upon the vegetable world for its medicinal effects, worked a rapid revolution in the history of medicine, and became a household word all over the civilized world. The celebrated S. T. 1860-X was a tallman of health, and the demand for the PLANTATION BITTERS soon far exceeded the abilities of
