FRENCH MEDICAL OFFICE.

DR. JULIAN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

Dr. Perrault has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Army Hall Building, North East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 3, 10, 11, first floor, upstairs, entrance on either Montgomery or Sacramento streets.

Dr. Perrault's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, germ of which is planted in early life, and the bitter fruit tasted long afterwards; patients laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that the sight and hearing are weakened, and sleep disturbed by dreams. Melancholy, sighing, palpitations, coughs, and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. Perrault, either in person or by letter, and he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Strictures, Bubo Ulcers, Cataneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system. Dr. Perrault's diploma are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everybody, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Dr. Perrault and his quick cures. Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills.

Dr. Perrault is the only agent in California for Dr. Bot's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of any other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these Pills will be sent by mail or express to any part of the world secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. Perrault, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc. June 4, 1870.—17

Dr. Wistar's Balsam of Wild Cherry.

This well known preparation does not dry up a cough and leave the throat behind, as is the case with most medicines, but it loosens and cleanses the lungs and allays irritation, thus removing the cause of the complaint.

CONSUMPTION CAN BE CURED

by a timely resort to this standard remedy, as is proved by hundreds of testimonials received by the proprietors. None genuine unless signed L. V. DEFOREST, JEWELERS & CO., Proprietors, Boston. Sold by Dealers, HORTON & CO., San Francisco, and by Retailers generally. [June 9, 1870]

THE GREAT EUROPEAN EUREKA

Aluminum Gold Watch Co

HAVE APPOINTED L. V. DEFOREST & CO., Jewelers,

40 & 42 Broadway, New York,

Sole Agents for the U. S.

And have authorized them to sell their great EUREKA ALUMINUM GOLD WATCHES for THREE DOLLARS, and to warrant each and every one to keep correct time for one year. The Watch we guarantee to be the best and cheapest time keeper that is now in use in any part of the globe. The works are in double cases, Ladies' and Gents' size, and are beautifully chased. The cases are made of the metal now so widely known in Europe as Aluminum Gold. It has the exact color of Gold, which it always retains; it will stand the test of the strongest acids; no one can tell it from Gold, only by weight; the Aluminum Gold being 1-10 lighter. The works are made by machinery, same as the well known American Watch. The Aluminum is a cheap metal, hence we can afford to sell the Watch for \$3 and make a small profit. We pack the Watch safely in a small box, and send it by mail to any part of the U. S. on receipt of \$3.50; fifty cents for packing and postage. Address all orders to

ADDRESS

TO THE

Nervous and Debilitated

WHOSE SUFFERINGS

HAVE BEEN

Protracted from Hidden Causes,

AND WHOSE CASES REQUIRE

PROMPT TREATMENT

to render Existence Desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or sticky, or is itropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of the blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have you but little appetite, and you attribute this to dyspepsia, or liver complaint?

self-abuse, venereal diseases badly cured, and sexual excesses are all capable of producing a weakness of the generative organs. The organs of generation when in perfect health

MAKE THE MAN.

NOW, READER,

Did You Ever Think

that those bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are always in perfect health?

You never hear such men complain of being melancholy, of nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they do not become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and their right in the face, none of your downcast looks or other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only

RUIN THEIR CONSTITUTIONS

but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—

IDIOCY, LUNACY,

PARALYSIS,

spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic.

HELMBOLD'S FLUID EXTRACT

is the general Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of posterity depends upon prompt use of a reliable remedy.
